[The Divorce Colony](#) Aug 22 2019 From a

historian and senior writer and editor at Atlas Obscura, a fascinating account of the daring nineteenth-century women who moved to South Dakota to divorce their husbands and start living on their own terms. For a woman traveling without her husband in the late nineteenth century, there was only one reason to take the train all the way to Sioux Falls, South Dakota, one sure to garner disapproval from fellow passengers. On the American frontier, the new state's laws offered a tempting freedom often difficult to obtain elsewhere: divorce. With the laxest divorce laws in the country, five railroad lines, and the finest hotel for hundreds of miles, the small city became the unexpected headquarters for society divorcees-- infamous around the world as THE DIVORCE COLONY. These divorce seekers put Sioux Falls at the center of a heated national debate over the future of American marriage. Clashes mounted between religious leaders, congressmen, and enterprising lawyers; gossip columns, church halls, and even the U.S. Supreme Court became battlegrounds. As the nation grappled with questions of state and federal control and tradition and adaptation, the women caught in the crosshairs in Sioux Falls geared up for a fight they didn't go looking for, a fight that was

the only path to their freedom. In *The Divorce Colony*, writer and researcher April White unveils the incredible social, political, and personal dramas that unfolded in Sioux Falls and reverberated around the country through the stories of four women: Maggie De Stuers, of the influential New York Astors who captivated the world; Mary Nevins Blaine, daughter-in-law to a presidential hopeful with a vendetta against her meddling mother-in-law; Blanche Molineux, an independent actress escaping a husband she believed to be a murderer; and Flora Bigelow Dodge, a kind woman determined, against all odds, to obtain a "dignified" divorce. Entertaining, enlightening, and utterly feminist, *The Divorce Colony* is a rich, deeply researched tapestry of social history and human drama that reads like a novel, laying bare the journey of the turn-of-the-century socialites that took their lives into their own hands, and forever changed the country's attitudes about marriage and divorce.

Ford Windsor Small-Block Performance HP1558 Mar 10 2021 This completely revised and updated edition of HP's bestselling book on how to build high performance 5.0/5.8L Ford small-block engines-the second most popular engine modified in the aftermarket-contains five new chapters on the latest technology for

Dodge Dakota Pick-up Automotive Repair Manual Jul 26 2022

Dodge Durango and Dakota Pick-Ups Automotive Repair Manual Feb 06 2021 Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

VW Golf, GTI, Jetta and Cabrio, 1999 Thru 2002 Dec 19 2021 Every Haynes manual is based on a complete teardown and rebuild, contains hundreds of "hands-on" photos tied to step-by-step instructions, and is thorough enough to help anyone from a do-it-your-selfer to a professional.

Clear and Unbiased Facts About Trucks Sep 23 2019 Chevrolet Silverado is known for its strong performance, sophistication and quiet ride. So are the key chains with this name. The vehicle's robust and well finished cabins remain a solid pick of the day, no matter what the

purpose of use is. Customers are more interested in the function and performance than in flash of the vehicle. However, it is the other way round when it is about choosing a key chain. Each year, the car company strives to bring in new designs and models, which keep this brand in the vanguard of the automotive industries. Similarly, Chevrolet Silverado key chains are known for their sophistication and uniqueness.

One-Third Nerd Apr 30 2020 A funny story about a lovable family and the best dog ever from the Newbery Honor-winning author of *Al Capone Does My Shirts* and the *Tales from Alcatraz* series. Fifth grade is not for amateurs, according to Liam. Luckily, he knows that being more than one-third nerd is not cool. Liam lives in the Bay area near San Francisco with his mom and two younger sisters. Dakota is fascinated by science and has a big personality but struggles to make friends; Izzy, a child with Down syndrome, makes friends easily and notices things that go past everyone else. Dad lives across town, but he's over a lot. And then there's Cupcake, their lovable German shepherd, who guards their basement apartment. Recently, Cupcake has a problem--she's peeing in the house. The kids need to make enough money to take her to the vet before their landlord upstairs finds out. And Mom and Dad have said if Cupcake doesn't stop, they will find her a new home. But the kids will never let Cupcake go. Can they save her? "A smart, funny, sweet story about a

wonderfully real family. And their leaky dog." -- JON SCIESZKA, the first National Ambassador for Young People's Literature and the award-winning author of *The Stinky Cheese Man* and *Other Fairly Stupid Tales* and *The True Story of the 3 Little Pigs*

Cycle World Magazine May 31 2020

The Dakota Hunter Jan 08 2021 A tale of a lifelong passion for a WWII aircraft that changed the author's life: "It is almost like an adventure novel except it is true" (Air Classics). This book tells the story of a Dutch boy who grew up during the 1950s in postwar Borneo, where he had frequent encounters with an airplane, the Douglas DC-3, a.k.a. the C-47 Skytrain or Dakota, of World War II fame. For a young boy living in a remote jungle community, the aircraft reached the proportions of a romantic icon as the essential lifeline to a bigger world for him, the beginning of a special bond. In 1957, his family left the island and all its residual wreckage of World War II, and he attended college in The Hague. After graduation, he started a career as a corporate executive—and met the aircraft again during business trips to the Americas. His childhood passion for the Dakota flared up anew, and the fascination pulled like a magnet. As if predestined, or maybe just looking for an

excuse to come closer, he began a business to salvage and convert Dakota parts, which meant first of all finding them. As the demand for these war relic parts and cockpits soared, he began to travel the world to track down surplus, crashed, or derelict Dakotas. He ventured deeper and deeper into remote mountains, jungles, savannas, and the seas where the planes are found, usually as ghostly wrecks but sometimes still in full commercial operation. In hunting the mythical Dakota, he often encountered intimidating or dicey situations in countries plagued by wars or revolts, others by arms and narcotics trafficking, warlords, and conmen. The stories of these expeditions take the reader to some of the remotest spots in the world, but once there, one is often greeted by the comfort of what was once the West's apex in transportation—however now haunted by the courageous airmen of the past.

Prairie Murders Nov 05 2020 It was the safest state in America, where a single murder in a year was the usual. People there descended from hearty settlers who had withstood a challenging life by cooperating. When a growing young town with recently paved streets was struck by annual murders for three consecutive years, something had changed. Each crime was more violent and heinous than its predecessor, beginning when one of the towns favorites, a personable high school cheerleader, was murdered in her family's home in a sex-related attack. Within months came the bloody bludgeoning to death of a young mother in her own home. As one homicide was prosecuted and investigation moved forward on the second, a young man's body was found

bisected, with the halves floating in bags in a river.
