Critical Stylistics

Mar 03 2020 This original

and engaging textbook is concerned with stylistic choices, and the textual analysis which can illuminate the choices that a text producer has made. It combines the strengths of two approaches – critical discourse analysis and stylistics – to uncover the deep-seated ideologies of everyday texts. In so doing, it introduces a comprehensive set of tools which will help readers to explain and analyse the power of written texts. Each chapter focuses on a particular linguistic feature – such as naming and describing, prioritizing, negating, and hypothesizing – gives an overview of its argument and then explains the technical aspects of the feature along with a wealth of examples. This book will be ideal reading for students on a wide range of courses, including stylistics, discourse analysis, critical discourse analysis, English functional grammar and advanced composition.

Trail of Broken Wings      Sep 08 2020  
When her father falls into a coma, Indian American photographer Sonya reluctantly returns to the family she'd fled years before. Since she left home, Sonya has lived on the run, free of any ties, while her soft-spoken sister, Trisha, has created a perfect suburban life, and her ambitious sister, Marin, has built her own successful career. But as these women come together, their various methods of coping with a terrifying history can no longer hold their memories at bay. Buried secrets rise to the surface as their father--the victim of

humiliating racism and perpetrator of horrible violence--remains unconscious. As his condition worsens, the daughters and their mother wrestle with private hopes for his survival or death, as well as their own demons and buried secrets. Told with forceful honesty, *Trail of Broken Wings* reveals the burden of shame and secrets, the toxicity of cruelty and aggression, and the exquisite, liberating power of speaking and owning truth.

Family Life: A Novel            Oct 22 2021 Winner of the 2016 International Dublin Literary Award

"Gorgeously tender at its core...beautiful, heartstopping...Family Life really blazes." —Sonali Deraniyagala, *New York Times* Book Review Hailed as a "supreme storyteller" (*Philadelphia Inquirer*) for his "cunning, dismaying and beautifully conceived" fiction (*New York Times*), Akhil Sharma is possessed of a narrative voice "as hypnotic as those found in the pages of Dostoyevsky" (*The Nation*). In his highly anticipated second novel, *Family Life*, he delivers a story of astonishing intensity and emotional precision. We meet the Mishra family in Delhi in 1978, where eight-year-old Ajay and his older brother Birju play cricket in the streets, waiting for the day when their plane tickets will arrive and they and their mother can fly across the world and join their father in America. America to the Mishras is, indeed, everything they could have imagined and more: when automatic glass doors open before them, they feel that

surely they must have been mistaken for somebody important. Pressing an elevator button and the elevator closing its doors and rising, they have a feeling of power at the fact that the elevator is obeying them. Life is extraordinary until tragedy strikes, leaving one brother severely brain-damaged and the other lost and virtually orphaned in a strange land. Ajay, the family's younger son, prays to a God he envisions as Superman, longing to find his place amid the ruins of his family's new life. Heart-wrenching and darkly funny, *Family Life* is a universal story of a boy torn between duty and his own survival.

Let the Great World Spin Oct 10 2020 NATIONAL BOOK AWARD WINNER • Colum McCann's beloved novel inspired by Philippe Petit's daring high-wire stunt, which is also depicted in the film *The Walk* starring Joseph Gordon-Levitt In the dawning light of a late-summer morning, the people of lower Manhattan stand hushed, staring up in disbelief at the Twin Towers. It is August 1974, and a mysterious tightrope walker is running, dancing, leaping between the towers, suspended a quarter mile above the ground. In the streets below, a slew of ordinary lives become

extraordinary in bestselling novelist Colum McCann's stunningly intricate portrait of a city and its people. *Let the Great World Spin* is the critically acclaimed author's most ambitious novel yet: a dazzlingly rich vision of the pain, loveliness, mystery, and promise of New York City in the 1970s. Corrigan, a radical young Irish monk, struggles with his own demons as he lives among the prostitutes in the middle of the burning Bronx. A group of mothers gather in a Park Avenue apartment to mourn their sons who died in Vietnam, only to discover just how much divides them even in grief. A young artist finds herself at the scene of a hit-and-run that sends her own life careening sideways. Tillie, a thirty-eight-year-old grandmother, turns tricks alongside her teenage daughter, determined not only to take care of her family but to prove her own worth. Elegantly weaving together these and other seemingly disparate lives, McCann's powerful allegory comes alive in the unforgettable voices of the city's people, unexpectedly drawn together by hope, beauty, and the "artistic crime of the century." A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in a time of transition, extraordinary promise, and, in hindsight, heartbreaking innocence. Hailed as a "fiercely original talent" (*San Francisco Chronicle*), award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can

achieve, confront, and even heal. BONUS: This edition includes an excerpt from Colum McCann's *TransAtlantic*. "This is a gorgeous book, multilayered and deeply felt, and it's a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest-ever novels about New York. There's so much passion and humor and pure life force on every page of *Let the Great World Spin* that you'll find yourself giddy, dizzy, overwhelmed."—Dave Eggers "Stunning . . . [an] elegiac glimpse of hope . . . It's a novel rooted firmly in time and place. It vividly captures New York at its worst and best. But it transcends all that. In the end, it's a novel about families—the ones we're born into and the ones we make for ourselves."—USA Today

*A Door in the Earth*      Nov 30 2019 From the bestselling author of *The Submission*: A young Afghan-American woman is trapped between her ideals and the complicated truth in this "penetrating" (*O, Oprah Magazine*), "stealthily suspenseful," (*Booklist*, starred review), "breathtaking and achingly nuanced" (*Kirkus*, starred review) novel. Parveen Shams, a college senior in search of a calling, feels pulled between her charismatic and mercurial anthropology professor and the comfortable but predictable Afghan-American community in her Northern California hometown. When she discovers a bestselling book called *Mother Afghanistan*, a memoir by humanitarian Gideon Crane that has become a bible for American engagement in the

country, she is inspired. Galvanized by Crane's experience, Parveen travels to a remote village in the land of her birth to join the work of his charitable foundation. When she arrives, however, Crane's maternity clinic, while grandly equipped, is mostly unstaffed. The villagers do not exhibit the gratitude she expected to receive. And Crane's memoir appears to be littered with mistakes, or outright fabrications. As the reasons for Parveen's pilgrimage crumble beneath her, the U.S. military, also drawn by Crane's book, turns up to pave the so-called road to the village, bringing the war in their wake. When a fatal ambush occurs, Parveen must decide whether her loyalties lie with the villagers or the soldiers -- and she must determine her own relationship to the truth. Amy Waldman, who reported from Afghanistan for the New York Times after 9/11, has created a taut, propulsive novel about power, perspective, and idealism, brushing aside the dust of America's longest-standing war to reveal the complicated truths beneath. *A Door in the Earth* is the rarest of books, one that helps us understand living history through poignant characters and unforgettable storytelling.

*And the Mountains Echoed* Nov 03 2022 An unforgettable novel about finding a lost piece of yourself in someone else. Khaled Hosseini, the #1 New York Times–bestselling author of *The Kite Runner* and *A Thousand Splendid Suns*, has written a new novel about how we love, how we take care

of one another, and how the choices we make resonate through generations. In this tale revolving around not just parents and children but brothers and sisters, cousins and caretakers, Hosseini explores the many ways in which families nurture, wound, betray, honor, and sacrifice for one another; and how often we are surprised by the actions of those closest to us, at the times that matter most. Following its characters and the ramifications of their lives and choices and loves around the globe—from Kabul to Paris to San Francisco to the Greek island of Tinos—the story expands gradually outward, becoming more emotionally complex and powerful with each turning page.

Khaled Hosseini's best-selling novel *The Kite Runner* (Riverhead Books, 2003), Hosseini shows us an Afghanistan rich in tradition and culture and an Afghanistan torn apart by war and political strife. We see Muslims who are not so different from Christians or Jews. In *In Search of the Kite Runner* looks at the basic themes that make *The Kite Runner* such a fascinating and thought-provoking story and that make it personal for anyone who has ever wished for a chance to do something over. Written from a Christian perspective, *In Search of the Kite Runner* begins with the rudiments of Islamic faith and the Islam of Afghanistan. The author likens the struggles of *The Kite Runner*'s characters and those of other literary figures to the struggles and stories of biblical patriarchs. She brings to light the complexities of interpersonal and intrafamily relationships and examines the impact that power, guilt, and the quest for forgiveness and redemption can have on our lives. Exploring both the individual and the collective basis for doing good, Hayes probes our perceptions about what it means to be religious and what it means to be human. The Novel Cure Dec 12 2020 A novel is a story, a collection of experiences transmitted from the mind of one to the mind of another. It offers a way to unwind, a way to focus, a way to learn about life—distraction, entertainment, and diversion. But it can also be something much more powerful. When read at the right time in your life, a novel can—quite literally—change it. The Novel Cure is a reminder of that power. To create this apothecary, the authors have trawled through two thousand years of literature for the most brilliant minds and engrossing reads. Structured like a reference book, it allows readers to simply look up their ailment, whether it be agoraphobia, boredom, or midlife crisis, then they are given the name of a novel to read as the antidote.

STARRED Review "Hosseini's story, aimed at readers of all ages, does not dwell on nightmarish fates; instead, its emotional power flows from the love of a father for his son."— Publishers Weekly, STARRED BOX Review A short, powerful, illustrated book written by beloved novelist Khaled Hosseini in response to the current refugee crisis, *Sea Prayer* is composed in the form of a letter, from a father to his son, on the eve of their journey. Watching over his sleeping son, the father reflects on the dangerous sea-crossing that lies before them. It is also a vivid portrait of their life in Homs, Syria, before the war, and of that city's swift transformation from a home into a deadly war zone. Impelled to write this story by the haunting image of young Alan Kurdi, the three-year-old Syrian boy whose body washed upon the beach in Turkey in September 2015, Hosseini hopes to pay tribute to the millions of families, like Kurdi's, who have been splintered and forced from home by war and persecution, and he will donate author proceeds from this book to the UNHCR (the UN Refugee Agency) and The Khaled Hosseini Foundation to help fund lifesaving relief efforts to help refugees around the globe. Khaled Hosseini is one of the most widely read writers in the world, with more than fifty-five million copies of his novels sold worldwide in more than seventy countries. Hosseini is also a Goodwill Envoy to the UNHCR, and the founder of The Khaled Hosseini Foundation, a nonprofit that provides

humanitarian assistance to the people of Afghanistan.

The Gargoyle Aug 08 2020 An extraordinary debut novel of love that survives the fires of hell and transcends the boundaries of time. On a burn ward, a man lies between living and dying, so disfigured that no one from his past life would even recognize him. His only comfort comes from imagining various inventive ways to end his misery. Then a woman named Marianne Engel walks into his hospital room, a wild-haired, schizophrenic sculptress on the lam from the psych ward upstairs, who insists that she knows him – that she has known him, in fact, for seven hundred years. She remembers vividly when they met, in another hospital ward at a convent in medieval Germany, when she was a nun and he was a wounded mercenary left to die. If he has forgotten this, he is not to worry: she will prove it to him. And so Marianne Engel begins to tell him their story, carving away his disbelief and slowly drawing him into the orbit and power of a word he'd never uttered: love.

Outcasts United Aug 27 2019 BONUS: This edition contains a reader's guide. The extraordinary tale of a refugee youth soccer team and the transformation of a small American town Clarkston, Georgia, was a typical Southern town until it was designated a refugee settlement center in the 1990s, becoming the first American home for scores of families in flight from the world's war zones—from Liberia and Sudan to Iraq and Afghanistan. Suddenly Clarkston's streets were filled with women wearing the hijab, the smells of cumin and curry, and kids of all colors playing soccer in any open space they could find. The town also became home to Luma Mufleh, an American-educated Jordanian woman who founded a youth soccer team to unify Clarkston's refugee children and keep them off the streets. These kids named themselves the Fugees. Set against the backdrop of an American town that without its consent had become a vast social experiment,

Outcasts United follows a pivotal season in the life of the Fugees and their charismatic coach. Warren St. John documents the lives of a diverse group of young people as they miraculously coalesce into a band of brothers, while also drawing a fascinating portrait of a fading American town struggling to accommodate its new arrivals. At the center of the story is fiery Coach Luma, who relentlessly drives her players to success on the soccer field while holding together their lives—and the lives of their families—in the face of a series of daunting challenges. This fast-paced chronicle of a single season is a complex and inspiring tale of a small town becoming a global community—and an account of the ingenious and complicated ways we create a home in a changing world.

The Pearl That Broke Its Shell Sep 20 2021 Afghan-American Nadia Hashimi's literary debut novel is a searing tale of powerlessness, fate, and the freedom to control one's own fate that combines the cultural flavor and emotional resonance of the works of Khaled Hosseini, Jhumpa Lahiri, and Lisa See. In Kabul, 2007, with a drug-addicted father and no brothers, Rahima and her sisters can only sporadically attend school, and can rarely leave the house. Their only hope lies

in the ancient custom of bacha posh, which allows young Rahima to dress and be treated as a boy until she is of marriageable age. As a son, she can attend school, go to the market, and chaperone her older sisters. But Rahima is not the first in her family to adopt this unusual custom. A century earlier, her great-great grandmother, Shekiba, left orphaned by an epidemic, saved herself and built a new life the same way. Crisscrossing in time, *The Pearl and the Broken Shell* interweaves the tales of these two women separated by a century who share similar destinies. But what will happen once Rahima is of marriageable age? Will Shekiba always live as a man? And if Rahima cannot adapt to life as a bride, how will she survive?

China Court Jun 17 2021 A New York Times–bestselling novel of the lives, loves, and foibles of five generations of a British family occupying a manor house in Wales. For nearly one hundred and fifty years the Quin family has lived at China Court, their magnificent estate in the Welsh countryside. The land, gardens, and breathtaking home have been maintained, cherished, and ultimately passed along—from Eustace and Adza in the early nineteenth century to village-girl-turned-lady-of-the-manor Ripsie Quin, her children, and her granddaughter, Tracy, in the twentieth. Brilliantly intermingling the past and the present, *China Court* is a sweeping family saga that weaves back and forth through time. The story begins at the end, in 1960, with

the death of the indomitable Ripsie, whose dream of a life at the grand estate was realized through her marriage to the steadfast Quin brother who loved her—though he wasn't the one she had always loved. With thrilling literary leaps across the decades, the story of a British dynasty is told in enthralling detail. It is a chronicle of wives and husbands; of mothers, sons, and daughters; of those who could never stray far from the lush grounds of China Court and the outcasts and outsiders who would never truly belong. Bearing comparison to *One Hundred Years of Solitude* by Gabriel García Márquez, Rumer Godden's novel relates the history of a family with sensitivity, wit, compassion, and a compelling touch of magical realism. A family's loves, pains, triumphs, and scandals are laid bare, forming an intricate tapestry of heart-wrenching humanity, in a remarkable work of fiction from one of the most acclaimed British novelists of the twentieth century. This ebook features an illustrated biography of the author including rare images from the Rumer Godden Literary Estate.
