A deadly political rivalry that ended in two brutal executions...An intricate love triangle that altered the course of history...A religious revolution that changed the world... THE TREASURE... For two thousand years, an undiscovered treasure rested in the rocky wilds of the

French Pyrenees. A series of scrolls written in the first century by Mary Magdalene, these startling documents hold the power to redefine the events and characters of the New Testament. Protected by supernatural forces, the priceless cache can only be uncovered by a special seeker, one who has been chosen for the task by divine providence - The Expected One. THE CHOSEN ONE...

When journalist Maureen Paschal begins the research for a new book, she has no idea that she is stepping into an ancient mystery so complex and dangerous that thousands of people have killed and died for it. As a long buried family scandal comes to light, she can no longer deny her own role in a deadly drama of epic international consequences. Throughout the Hebrew Bible, God guides and saves his people through the words of his prophets. When the prophets are silenced, the people easily lose their way. What happened after the incarnation, death and resurrection of Christ? Did God fall silent? The dominant position in Christian theology is that prophecy did indeed cease at some point in the past -if not with the Old Testament prophets, then with John the Baptist, with Jesus, with the last apostle, or with the closure of the canon of the New Testament. Nevertheless, throughout the history of Christianity there have always been acclaimed saints and mystics -most of them women-who displayed prophetic traits. In recent years, the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity. Scholarly theological attitudes toward Christian prophecy range from modest recognition to

contempt. Mainstream systematic theology, both Protestant and Catholic, has mostly marginalized or ignored the gift of prophecy. In this book, however, Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church. Prophecy never died, he argues, but rather proved its dynamism by mutating to meet new historical conditions. He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it. Throughout, though, there is always an awareness of the critical discernment required when evaluating the charism of prophecy. The debate about prophecy, Hvidt shows, leads to some profound insights about the very nature of Christianity and the church. For example, some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines. Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God's salvation in Christ is still far away. This is the position that Hvidt forcefully and persuasively defends and develops in this ambitious and important work. Based on the author's two-day management seminar, this book shows how to increase personal productivity, handle priorities, delegate effectively, reduce crisis management and identify and eliminate time wasters This is a hands-on guide written to help individuals and groups implement the ideas found in The Tenth Insight. It provides detailed explanations and exercises on Tenth Insight topics: previous lifetimes, soul

groups, birth visions, the use of dreams and prayers, and the World Vision. Originally printed in 1989 each edition has added updates of events predicted by Nostradamus that have occurred since the last edition. For this newest edition regressionist and psychic researcher Dolores Cannon has written an extensive addendum that covers evidence of the fulfilment of the prophecies predicted by Nostradamus. Secret weapons computers the World Wide Web and the New Science of Nano-technology are included among the new topics covered. Nostradamus broke through to our time period by a one-in-a-million chance contact through hypnosis. In this series the master himself explains the puzzles he carefully concealed in code within his famous quatrains or prophecies. Contains 136 quatrains. What are spiritual gifts? Author and pastor Sam Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God's gifts. Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ. In this comprehensive guide to the spiritual gifts, Storms addresses the many bizarre and misleading interpretations that abound and confronts the tendency to downplay the urgency of spiritual gifts for Christian living and ministry. He explains how spiritual gifts, both the more miraculous and the somewhat mundane, are given to build up the body of Christ. God has graciously provided these "manifestations of the Spirit" so that believers might encourage, edify, strengthen, instruct, and console one another, all with a view to an ever-increasing, incremental

transformation into the image of Jesus Christ. Throughout this guide, Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every born-again believer. God does not call upon us to speculate about the nature of this power or to embrace it as a mere idea. His desire is that we avail ourselves of it to partner with him in his purposes on the earth. His desire is that we cry out to him that he might intensify, expand, increase, and deepen the manifestation of this power through us in ever more demonstrative and tangible ways in our lives.

Understanding Spiritual Gifts is useful as a reference to address common questions about the gifts, but it also serves as a training manual for using and exercising the gifts in ministry. It is perfect for any individual or group who wants to grow in their understanding of the gifts for today. The author of the New York Times bestseller *Minding the Body, Mending the Mind* reveals the power of spiritual optimism: a philosophy that sees life crises as opportunities for personal growth and spiritual transformation. After Captain Kilty Stewart is shot down on a bombing mission in the Pacific during World War II, he is rescued by members of the legendary tribe the S'norra who believe him to be the messenger foretold in an ancient prophecy

Explore the Book is not a commentary with verse-by-verse annotations. Neither is it just a series of analyses and outlines. Rather, it is a complete Bible survey course. No one can finish this series of studies and remain unchanged. The reader will receive lifelong benefit and be enriched by these practical and understandable studies. Exposition, commentary, and practical application of the meaning and message of the Bible will be found throughout this giant volume. Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying the Scriptures, including pastors and teachers. Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr. Baxter. It shows throughout a deep awareness and appreciation of the grand themes of the gospel, as found from the opening book of the Bible through Revelation.

Naturally occurring DMT may produce prophecy-like states of consciousness and thus represent a bridge between biology and religious experience • Reveals the

striking similarities between the visions of the Hebrew prophets and the DMT state described by Strassman's research volunteers • Explains how prophetic and psychedelic states may share biological mechanisms • Presents a new top-down "theoneurological" model of spiritual experience

After completing his groundbreaking research chronicled in *DMT: The Spirit Molecule*, Rick Strassman was left with one fundamental question: What does it mean that DMT, a simple chemical naturally found in all of our bodies, instantaneously opens us to an interactive spirit world that feels more real than our own world? When his decades of clinical psychiatric research and Buddhist practice were unable to provide answers to this question, Strassman began searching for a more resonant spiritual model. He found that the visions of the Hebrew prophets--such as Ezekiel, Moses, Adam, and Daniel--were strikingly similar to those of the volunteers in his DMT studies. Carefully examining the concept of prophecy in the Hebrew Bible, he characterizes a "prophetic state of consciousness" and explains how it may share biological and metaphysical mechanisms with the DMT effect. Examining medieval commentaries on the Hebrew Bible, Strassman reveals how Jewish metaphysics provides a top-down model for both the prophetic and DMT states, a model he calls "theoneurology."

Theoneurology bridges biology and spirituality by proposing that the Divine communicates with us using the brain, and DMT--whether naturally produced or ingested--is a critical factor in such visionary experience. This model provides a counterpoint to "neurotheology,"

which proposes that altered brain function simply generates the impression of a Divine-human encounter. Theoneurology addresses issues critical to the full flowering of the psychedelic drug experience. Perhaps even more important, it points the way to a renewal of classical prophetic consciousness, the soul of Hebrew Bible prophecy, as well as unexpected directions for the evolution of contemporary spiritual practice. The Purpose of Your Life Experiential Guide is the latest book from the co-author (with James Redfield) of the world bestseller, and Celestine Prophecy Experiential Guide Identifies key elements of making change, including trusting the purpose of change, finding a spirit of adventure, watching for change cues, accepting oneself, and building strengths, in a guide filled with personal anecdotes and tips on handling setback and dead ends. Beyond the Light Barrier is the autobiographical story of Elizabeth Klarer, a South African woman and Akon, an astrophysicist from Meton, a planet of Proxima Centuri that, at a distance of about 4.3 light years, is our nearest stellar neighbor. Elizabeth was taken in his spaceship to Meton, where she lived with him and his family for four months and where she bore his child. Her life on Meton is fascinatingly described. Akon brought Elizabeth back to Earth after the birth of their son, and continued to visit her thereafter. Akon explained how his spaceship's light-propulsion technology operated, and how it allowed him and his people to travel across vast interstellar distances. This technology is explained in detail in the book. Elizabeth was given a standing ovation at the 11th International

Congress of UFO Research Groups at Weisbaden in 1975, and her speech as guest of honor was applauded by scientists of twenty-two nations. Light Technology Publishing is proud to bring you the long-awaited American edition in both hard copy and electronic format of Beyond the Light Barrier, which was first published in English in 1980. The co-author of The Celestine Prophecy Experiential Guide helps readers uncover the unsuspected, untapped power of synchronicity and intuition that will bring success, satisfaction, and serenity. Everyone really has a purpose in life, says Carol Adrienne in her new guide to harnessing the power inside yourself. The question is: How do you learn to go with the flow and let your true nature guide you? Chapter by chapter, The Purpose of Your Life explains how to locate the source of your innate energy and focus it, how to align yourself with the natural forces that swirl around us always, and how to develop the intuition that fosters synchronicity. The book is packed with illuminating anecdotes and profiles of fascinating people -- from artists to urban planners to Zen masters -- who describe how they found their own purposes. There are practical exercises throughout, along with charts, self-questionnaires, and other tools that help you understand yourself and your deepest aspirations. As you learn to recognize and trust the voice of intuition, you'll find new doors opening and new possibilities everywhere. You'll feel invigorated by the potential you've unleashed, a power that will only grow with each new accomplishment. And you'll discover the serenity and satisfaction that come only to those who are living life to

the fullest. The Force is with you -- all you have to do is reach out and start to use it. Continuing the exciting adventures of The Celestine Prophecy and The Tenth Insight, this new book takes you to the snow-covered Himalayas, in search of the legendary Tibetan utopia of Shambhala. As you follow a child's instructions, are pursued by hostile Chinese agents, and look for a lost friend, you will experience a new awareness of synchronicity...and discover, hidden among the world's highest mountains, the secrets that affect all humanity. For Shambhala not only actually exists, but is destined to be found in our time-and will reveal powerful truths that can transform the world. This extremely readable and addictive parable has become a breakout word-of-mouth hit for its uncanny ability to renew your understanding of life, connections and perspective with fresh vigour. From the multimillion-bestselling author, James Redfield, and perfect for fans of Paulo Coelho and Eckhart Tolle. 'The Celestine Prophecy has already reached cult status... It homes in on the deepest, most urgent search of our times - the search for meaning... This is a book like no other.' - THE TELEGRAPH 'If you've ever wondered what the formula is for an "inspirational" bestseller, with promising potential for cult status, look no further' ? GUARDIAN 'A spiritual classic... A book to read and reread, to cherish, and to give to friends' - JOAN BORYSENKO, author of Fire in the Soul ***
***** You have never read a book like this before... The Celestine Prophecy contains secrets that are currently changing our world. Drawing on the ancient**

wisdom found in a Peruvian manuscript, it tells you how to make connections between the events happening in your own life right now...and lets you see what is going to happen to you in the years to come. The story it tells is a gripping one of adventure and discovery, but it is also a guidebook that has the power to crystalize your perceptions of why you are where you are in life...and to direct your steps with a new energy and optimism as you head into tomorrow. A book that comes along just once in a lifetime to change lives forever. Do you know who you are? Dr. Carlos Warter, the esteemed physician, psychotherapist, and healer whose charismatic lectures and workshops around the world have led untold thousands to rediscover their essential selves, now shares his prescription for achieving physical health and emotional joy. Do you know why you get sick? In today's society, it is all too easy to believe that we are our outer identities--that we are spouse or lover, child or parent, worker or artist, victim or addict. But now Dr. Warter, drawing on the age-old wisdom of the world's major religions, his own illuminating life experiences, and his consultations with the Dalai Lama and other great spiritual leaders, shows that in order to heal, to become whole, to become ourselves, we must go beyond the small, self-constructed circles of identity that we assume each day. For it is our very attachment to these false, limiting personalities that leads to chronic stress and disease...while keeping us from recognizing our greatest treasure: our sacred selves. In *Who Do You Think You Are?* Dr. Warter offers the tools--from Buddhist prayers to

original meditations--that can help us reconnect with our authentic selves. And he presents the other profound precepts of his new model of healing. Discover: why any transition--birth, illness, death, or, indeed, any kind of change--can be a springboard for personal and spiritual evolution how combining the use of modern medicine and alternative therapies with the power of an open heart and divine love can bring us to a place of unconditional wellness how living in the moment results in greater awareness, a reduction in stress, and the development of real self-esteem Who Do You Think You Are? is an important new addition to the latest literature on the healing of the mind, body, and spirit--one that provides a major breakthrough in how we view the world, ourselves, and all humanity. The #1 bestselling phenomenon with millions of copies sold around the world -- now with a guide to creating your own Celestine Prophecy experience. You have never read a book like this before--a book that comes along once in a lifetime to change lives forever. In the rain forests of Peru, an ancient manuscript has been discovered. Within its pages are 9 key insights into life itself -- insights each human being is predicted to grasp sequentially; one insight, then another, as we move toward a completely spiritual culture on Earth. Drawing on ancient wisdom, it tells you how to make connections among the events happening in your life right now and lets you see what is going to happen to you in the years to come. When James Redfield wrote The Celestine Prophecy and The Tenth Insight, he crystallized a new spiritual vision for millions of people around the globe. Since then people have been gathering together to discuss how spiritual experiences have touched their lives and to explore the global renaissance already under way. Now in an exciting nonfiction book, James Redfield further helps us explore our unique missions on this planet. Personalizing the ideas of his earlier works, he delves into the hidden energies of our individual life dramas and shows us the mystical experiences that resolve them. Through self-disclosure, he clarifies how mysterious coincidences led him toward a specific destiny and can lead us to ours. And, finally, the principles of synchronicity, connection, and purpose all converge in Redfield's lucid discussions about history and science, allowing us to see their unbroken chain of evolution toward a better world. Inspiring and enlightening, The Celestine Vision is a wonderful, wise companion as we expand our

consciousness and take action to create a truly joyous Earth. They were Carolina Girls, the

best in the world, and they came together in the mid-Sixties on Pawleys Island, where life began to mold them into the women they would later become. Each summer they would return to Pawleys to renew their friendship. The Carolinas in the turbulent Sixties, a time as different from the antebellum South as the Sixties were different from the modern South of today. Instant New York Times bestseller! The Emmy Award-winning star of General Hospital chronicles his astonishing and emotional life journey in this powerful memoir—an inspiring story of success, show business, and family, and his struggle with mental illness. "This shocking true story is General Hospital on anabolic steroids." — Mehmet Oz, M.D., Emmy Award-winning host of The Dr. Oz Show Maurice Benard has been blessed with family, fame, and a successful career. For twenty-five years, he has played one of the most well-known characters on daytime television: General Hospital's Michael "Sonny" Corinthos, Jr. In his life outside the screen, he is a loving husband and the father of four. But his path has not been without hardship. When he was only twenty, Maurice was diagnosed with bipolar disorder. In *Nothing General About It*, Maurice looks back to his youth in a small town and his tenuous relationship with his father. He describes how his bipolar disorder began to surface in childhood, how he struggled to understand the jolting mood swings he experienced, and how a doctor finally saved his life. For years Maurice was relentless in his goal to be a successful actor. But even after he "made it," he still grappled with terrifying lows, breakdowns, and setbacks, all while trying

desperately to maintain his relationship with his wife, who endured his violent, unpredictable episodes. Maurice holds nothing back as he bravely talks about what it was like to be medicated and institutionalized, and of how he learned to manage his manic episodes while on the set of GH. **Nothing General About It** is also an incredible love story about an enduring marriage that demonstrates what those vows—for better, for worse, in sickness and in health—truly mean. Maurice also pays tribute to the community that has been there for him through thick and thin, and ruminates on the importance of both inherited and created family. A shocking, riveting, and utterly candid memoir of love, adversity, and ultimately hope, **Nothing General About It** offers insights and advice for everyone trying to cope with mental illness, and is a motivational story that offers lessons in perseverance—of the importance of believing in and fighting for yourself through the darkest times. **Nothing General About It** includes a 16-page insert featuring approximately 50 photographs. What are we to make of Isaiah's image of Mount Zion as the highest of the mountains, or Zechariah's picture of the Mount of Olives split in two, or Daniel's "beast rising out of the sea" or Revelation's "great red dragon, with seven heads and ten horns"? How can Peter claim that on the day of Pentecost the prophecy of Joel was being fulfilled, with signs in heaven and wonders on earth, the sun turned to darkness and the moon to blood? The language and imagery of biblical prophecy has been the source of puzzlement for many Christians and a point of dispute for some. How ironic that is! For the

prophets and seers were the wordsmiths of their time. They took pains to speak God's word clearly and effectively to their contemporaries. How should we, as citizens of the twenty-first century, understand the imagery of this ancient biblical literature? Are there any clues in the texts themselves, any principles we can apply as we read these important but puzzling biblical texts? D. Brent Sandy carefully considers the language and imagery of prophecy and apocalyptic, how it is used, how it is fulfilled within Scripture, and how we should read it against the horizon of our future. Clearly and engagingly written, *Plowshares and Pruning Hooks* is the kind of book that gives its readers a new vantage point from which to view the landscape of prophetic and apocalyptic language and imagery. This companion volume helps you intensify and expand the exciting knowledge contained in each of the Nine Insights of *The Celestine Prophecy*. Through detailed explanations and carefully designed exercises, you can uncover further revelations about your family and partners, and the ways your past has been a preparation for that special contribution you can make to the world. Most exciting of all, you can explore a deeper connection with your personal energy and divine source. For all those who have been enchanted by the power of synchronicity and are ready to be taken further down the path, *Find Your Purpose, Change Your Life* offers the next step. Here, Carol Adrienne, coauthor of the New York Times bestseller *The Celestine Prophecy: An Experimental Guide*, provides a practical workbook that shows you how to tap the unsuspected potential of synchronicity -- the force

revealed in everyday coincidences -- and use the power of your own intuition. Using dozens of examples from her own life and work, and offering an array of write-in exercises, Carol Adrienne reveals how you can use synchronicity to find your purpose in life and achieve the rewards that come from living in harmony with the souls'code. On December 21, 2012, the Mayan calendar will end. Many see it as an apocalyptic sign. But is it? In *The Twelfth Insight*, the long-awaited fourth book in the beloved *Celestine Series*, we again follow our Hero and his close friend Wil. They have just received a portion of another ancient and mysterious manuscript that describes a secret approach to spirituality that is silently arriving in the second decade of the 21st Century. But the manuscript is only available in fragments. To understand its full meaning for mankind, our Hero and Wil begin an urgent search to find the message in its entirety. As they embrace the power of Synchronicity and begin their search, they are confronted by powerful political forces and religious extremists that stand in the way of these spiritual revelations. Utilizing what he calls the "parable effect," and based on his own sources, James Redfield explores the similarities and differences that exist among the world religions, revealing the essential messages contained within them that can energize our experience of spirituality-- and produce a new wave of integrity and reform that can transform our lives and our world. Insight together in this special edition. James Redfield's bestselling adventures into metaphysical mysteries, self-discovery, and spiritual enlightenment, featuring both *The Celestine Prophecy* and *The Tenth Insight* together in this special edition. You begin your quest with *The Celestine Prophecy*, a parable that reads like a gripping adventure tale. Here you discover that an ancient Peruvian manuscript has disappeared. Although few Westerners know of its existence and a government wants to suppress it, this precious document contains an important secret: the nine Insights the human race is predicted to grasp as we enter an era of true spiritual awareness. To find the manuscript, you will journey high into the Andes mountains and into the deepest places of the self. When the last of the nine Insights is revealed to you, you will have an exciting new image of human life, and a positive vision of how we will save this planet, its creatures and its beauty. But one Insight will still be missing... Now journey to an old-growth forest deep in the Appalachian Mountains to continue your adventure in search of *The Tenth Insight*. It is a trip that will take you through portals into other dimensions, to memories of past experiences and other centuries, to the moment before our conception and through to the passage of death and what comes after. And back on Earth, you will see the fear of the future that is endangering Earth's spiritual renaissance, and you will struggle to overcome this fear by exploring the nature of intuition, synchronicity, and visualization. With words that resonate with our deepest intuitions and illuminate both the world outside us and within us, James Redfield offers

us all a unique, revelatory, and ultimately joyful vision of human spirituality. One that could change your life-and perhaps the world. Big dreams are rare but highly memorable dream experiences that make a strong and lasting impact on the dreamer's waking awareness. Moving far beyond "I forgot to study and the finals are today" and other common scenarios, such dreams can include vivid imagery, intense emotions, fantastic characters, and an uncanny sense of being connected to forces beyond one's ordinary dreaming mind. In *Big Dreams*, Kelly Bulkeley provides the first full-scale cognitive scientific analysis of such dreams, putting forth an original theory about their formation, function, and meaning. Big dreams have played significant roles in religious and cultural history, but because of their infrequent occurrence and fantastical features, they have rarely been studied in light of modern science. We know a great deal about the religious manifestations of big dreams throughout history and around the world, but until now that cross-cultural knowledge has never been integrated with scientific research on their psychological roots in the brain-mind system. In *Big Dreams*, Bulkeley puts a classic psychological thesis to the scientific test by clarifying and improving it with better data, sharper analysis, and a broader evolutionary framework. He brings evidence from multiple sources, shows patterns of similarity and difference, questions prior assumptions, and provides predictive models that can be applied to new sets of data. The notion of a connection between dreaming and religion has always been intuitively compelling; Big

Dreams transforms it into a solid premise of religious studies and brain-mind science. Combining evidence from religious studies, psychology, anthropology, evolutionary biology, and neuroscience, Big Dreams makes a compelling argument that big dreams are a primal wellspring of religious experience. They represent an innate, neurologically hard-wired capacity of our species that regularly provokes greater self-awareness, creativity, and insight into the existential challenges and spiritual potentials of human life. Millions have experienced the nine insights of The Celestine Prophecy and glimpsed the emerging world view that it describes. Inspired by this book, individuals across the world have opened up to the experience of guiding coincidences in their lives, and to a new sense of personal dignity and mission. Now, a new insight is emerging... The Tenth Insight The Tenth Insight will take you on a journey into other dimensions...to memories of past experiences and other countries...to the moment before our conception and the birth vision we all experience...to the passage of death and the life review we must all face...to the self-imposed isolation of hell, where fearful souls resist awakening...and the love-filled Afterlife dimension where the knowledge of human destiny is guarded and held. And, back on Earth, you will see the fear of the future that is endangering Earth's spiritual renaissance, and you will struggle to overcome this fear by exploring the nature of intuition, synchronicity and visualization. As you grasp The Tenth Insight your memories will expand to include an understanding of the long expanse of human history and the special mission we

all share to bring humanity to answer, as never before, the unspoken questions that loom over all of human experience and in every human heart: Why are we here? What are we to do? Where are we going? Again, with words that resonate with our deepest intuitions and illuminate both the world outside us and within us, James Redfield offers us all a unique, revelatory and ultimately joyful vision of human spirituality. One that could change your life - and perhaps the world. How can the Tenth Insight Change My Life? The insights found in The Celestine Prophecy and The Tenth Insight have touched the lives of many millions of people; they are not theoretical. When we become aware of how they work, coincidences and serendipitous encounters increase for us. As our level of consciousness expands, our vision of the world is transformed, and we get a glimpse into the heart of creation. And as we learn how thought and visualization precede reality, we can begin to harness them to benefit our own future and the future of the earth. The perfect companion volume for The Tenth Insight, this hands-on guide was written to help individuals and groups implement the ideas found in that book. It provides detailed explanations and exercises on Tenth Insight topics: previous lifetimes, soul groups, birth visions, the use of dreams and prayers, the afterlife, and the World Vision. It helps us experience firsthand how our own lives fit into the eternal cycles... teaches us how to discover our own personal missions...and reveals how we can all take part in the ultimately joyful world changes described in The Tenth Insight. The spiritual adventure story that sold

millions of copies--and transformed lives across the globe--is now a major movie tie-in edition. In *The Purpose of Your Life Experiential Guide*, the coauthor of the New York Times bestselling *The Celestine Prophecy: An Experiential Guide* helps readers uncover the unsuspected, untapped power of synchronicity and intuition that will bring success, satisfaction, and a firm sense of the work we were put on Earth to accomplish. Why am I here on Earth? What am I posed to be doing with my life? How can I find my mission and fulfill it? Carol Adrienne, has spent the last three years traveling the country, conducting workshops and seminars, and helping members of the public address these "celestine" questions. In an accessible, easy-to-read style, using dozens of anecdotes culled from her own life and work, Adrienne shows us how to use coincidence, synchronicity, and intuition to find our purpose in life, achieving the rewards that come from living in harmony with our soul's code. *The Purpose of Your Life Experiential Guide* covers such topics as Key principles for aligning with one's soul's purpose Anything is possible How to follow synchronicities and intuition The magnificent force field of your purpose Handling the void and the shadow Transforming obstacles Doing what you love By focusing on the story of Hector, James M. Redfield presents an imaginative perspective not only on the Iliad but also on the whole of Homeric culture. In an expansive discussion informed by a reinterpretation of Aristotle's Poetics and a reflection on the human meaning of narrative art, the analysis of Hector leads to an inquiry into the fundamental

features of Homeric culture and of culture generally in its relation to nature. Through Hector, as the "true tragic hero of the poem," the events and themes of the Iliad are understood and the function of tragedy within culture is examined. Redfield's work represents a significant application of anthropological perspectives to Homeric poetry. Originally published in 1975 (University of Chicago Press), this revised edition includes a new preface and concluding chapter by the author. Based on his personal experiences, the author of "The Celestine Prophecy" and "The Tenth Insight" shares his vision for--and explains how to achieve--a new era of global peace and understanding. This hands-on guide is the perfect companion volume for The Tenth Insight. It provides detailed explanations and exercises on topics including: previous lifetimes, soul groups, birth visions, the use of dreams and prayers, the afterlife, and the World Vision. It helps us experience first-hand how our own lives fit into the eternal cycles... teaches us how to discover our own personal missions... and reveals how we can all take part in the ultimately joyful world changes revealed in The Tenth Insight. An esteemed teacher and former pastor, James W. Goll is one of the leading prophetic voices of our time.
