But only he and his mother have survived, and now she's missing. Kek is on his own. Slowly, he makes friends: a girl who is in foster care; an old woman who owns a rundown farm, and a cow whose name means "family" in Kek's native language. As Kek awaits word of his mother's fate, he weathers the tough Minnesota winter by finding warmth in his new friendships, strength in his memories, and belief in his new country. Soon others join him, accepting the invitation to become Saints through the Atonement of Jesus Christ. But opposition and violence follow those who defy old traditions to embrace restored truths. A National Best Seller! *Calling Me Home* by Julie Kibler is a soaring debut interweaving the story of a heartbreaking, forbidden love in 1930s Kentucky with an unlikely modern-day friendship. Eighty-nine-year-old Isabelle McAllister has a favor to ask her hairdresser Dorrie Curtis. It's a big one. Isabelle wants Dorrie, a black single mom in her thirties, to drop everything to drive her from her home in Arlington, Texas, to a funeral in Cincinnati. With no clear explanation why. Tomorrow. Dorrie, fleeing problems of her own and curious whether she can unlock the secrets of Isabelle's guarded past, scarcely hesitates before agreeing, not knowing it will be a journey that changes both their lives. Over the years, Dorrie and Isabelle have developed more than just a business relationship. They are friends. But Dorrie, fretting over the new man in her life and her teenage son's irresponsible choices, still wonders why Isabelle chose her. Isabelle confesses that, as a willful teen in 1930s Kentucky, she fell deeply in love with Robert Prewitt, a would-be doctor and the black son of her family's housekeeper—in a town where blacks weren't allowed after dark. The tale of their forbidden relationship and its tragic consequences makes it clear Dorrie and Isabelle are headed for a gathering of the utmost importance and that the history of Isabelle's first and greatest love just might help Dorrie find her own way. The inspiring, instructive, and ultimately triumphant memoir of a man who used hard work and a Master Plan to turn a life sentence into a second chance. Growing up in a tough Washington, D.C., neighborhood, Chris Wilson was so afraid for his life he wouldn't leave the house without a gun. One night, defending himself, he killed a man. At eighteen, he was sentenced to life in prison with no hope of parole. But what should have been the end of his story became the beginning. Deciding to make something of his life, Chris embarked on a journey of self-improvement--reading, working out, learning languages, even starting a business. He wrote his Master Plan: a list of all he expected to accomplish or acquire. He worked his plan every day for

years, and in his mid-thirties he did the impossible: he convinced a judge to reduce his sentence and became a free man. Today Chris is a successful social entrepreneur who employs returning citizens; a mentor; and a public speaker. He is the embodiment of second chances, and this is his unforgettable story.

The well-known and very popular Catholic couple, Scott and Kimberly Hahn, have been constantly travelling and speaking all over North America for the last few years about their conversion to the Catholic Church. Now these two outstanding Catholic apologists tell in their own words about the incredible spiritual journey that led them to embrace Catholicism. Scott Hahn was a Presbyterian minister, the top student in his seminary class, a brilliant Scripture scholar, and militantly anti-Catholic ... until he reluctantly began to discover that his "enemy" had all the right answers. Kimberly, also a top-notch theology student in the seminary, is the daughter of a well-known Protestant minister, and went through a tremendous "dark night of the soul" after Scott converted to Catholicism. Their conversion story and love for the Church has captured the hearts and minds of thousands of lukewarm Catholics and brought them back into an active participation in the Church. They have also influenced countless conversions to Catholicism among their friends and others who have heard their powerful testimony. Written with simplicity, charity, grace and wit, the Hahns' deep love and knowledge of Christ and of Scripture is evident and contagious throughout their story. Their love of truth and of neighbor is equally evident, and their theological focus on the great importance of the family, both biological and spiritual, will be a source of inspiration for all readers. A sweeping saga in the vein of *Ask Again, Yes* following a foster family through almost a decade of dazzling triumph and wrenching heartbreak—from the author of *The Orphans at Race Point*. Set in the late 1950s through 1960s in a small town in

Massachusetts, *All the Children Are Home* follows the Moscatelli family—Dahlia and Louie, foster parents, and their long-term foster children Jimmy, Zaidie, and Jon—and the irrevocable changes in their lives when a six-year-old indigenous girl, Agnes, comes to live with them. When Dahlia decided to become a foster mother, she had a few caveats: no howling newborns, no delinquents, and above all, no girls. A harrowing incident years before left her a virtual prisoner in her own home, forever wary of the heartbreak and limitation of a girl's life. Eleven years after they began fostering, Dahlia and Louie consider their family complete, but when the social worker begs them to take a young girl who has been horrifically abused and neglected, they can't say no. Six-year-old Agnes Juniper arrives with no knowledge of her Native American heritage or herself beyond a box of trinkets given to her by her mother and dreamlike memories of her sister. As the years pass and outside forces threaten to tear them apart, the children, now young adults, must find the courage and resilience to save themselves and each other. Heartfelt and enthralling, *All the Children Are Home* is a moving testament to the enduring power of love in the face of devastating loss. The latest novel from Nobel Prize winner Toni Morrison. As Frank revisits the memories from childhood and the war that leave him questioning his sense of self, he discovers a profound courage he thought he could never possess again.
