The Civil War to the 21st Century: Teacher's guide & answer key Jan 20 2022

Elementary Apologetics (Teacher Guide) Jan 08 2021

Based on the amazing Answers Book for Kids series, with answers to over 100 of their most difficult questions! This course features a four-day schedule, Monday through Thursday, but is easily adaptable to most any educational calendar. This apologetics study for upper elementary children delves into issues regarding the Bible, God, sin, dinosaurs, the Flood of Noah, salvation, astronomy, and more, and is all based on actual questions asked by kids. Answers are important. If children aren't given answers to

their questions about the Bible and the history it reveals, they cannot defend their faith against a fallen world. The course highlights the unique collection of question-answer books from Ken Ham and the creative team at Answers in Genesis to meet this need and helps kids focus on Scripture memorization and faith-building truth. The Bible verses quoted in the Answers Book for Kids series are from the New King James Version, though kids are encouraged to write out their daily verses in the version they use each day. The Answers Book for Kids 1: The story of Creation and Adam and Eve in the Garden of Eden are familiar Bible stories. But they also present a wonderful opportunity to share important biblical truths with eagerly questioning minds through answers that even the youngest believer can understand. The Answers Book for Kids 2: Dinosaurs are fascinating creatures that kids simply adore, and even the youngest believer can recite the biblical story of Noah and his ark. Now discover how to answer some of kids' most interesting questions about dinosaurs and Noah's ark. The Answers Book for Kids 3: Even adults struggle to understand our Creator - the infinite Being who seeks a personal relationship with each of us. Now children can begin to understand both God's Holy Word and the importance of Him in their lives - what He expects from them, why it is vital to follow His plan for their lives, and the love He has for them. The Answers Book for Kids 4: At the heart of the Bible is the theme sin, salvation through Christ, and guidance for living the kind of life that honors our Creator God. Since Adam and Eve chose to disobey in the Garden of Eden, questions about sin, salvation, and the Christian life have faced humanity,

so turn the pages to find the answers. The Answers Book for Kids 5: When kids look up at the stars in the night sky, they will always have questions! Take this amazing opportunity to share some of God's answers and help strengthen their faith. The Answers Book for Kids 6: Kids may know the biblical account of the Tower of Babel, but there is more to this important event than just the confusion of languages. And they may have heard of the Ice Age, but it seemed confusing.
