Origin of the Vampyre May 25 2022 Timeless. Beautiful. Dangerous. 1816 — the Year Without a Summer — resulted in two of literature's most feared and beloved creations. Mary Shelley's Frankenstein. Doctor Polidori's Vampyre. American biographer Rachel Walton attained international recognition for her Shelley bio, unearthing the horrific events which jolted Frankenstein and his wretch into existence in the peaceful lakeside village of Montreux, Switzerland. What she hadn't expected during her study was to fall in love with a man of gigantic structure, of

uncommon beauty, of intriguing origin. The Polidori biography is her latest commission. Traveling to London, England she is hosted by Polidori's descendent, Aubrey, determined to uncover the reason for the doctor's spiraling depression and untimely demise after the publication of his tale of horror. Hoping he had found some kind of happiness, perhaps love, before his death. Personal letters and documents secured in his Soho family home reveal a rapidly evolving terror in the mist-shrouded alleys, grand townhomes and ballrooms of Georgian London as Polidori assists the Bow Street Runners in investigating a series of murders. Leading to the revelation of a creature thought to exist only within the pages of Polidori's novel. Despite her own experiences, it did not prepare Rachel for the distortion of fiction, reality and time as she exhumes a mystery shrouded and buried beneath the sod for over two-hundred years. Nor could she have foreseen the consequence of an unexpected companionship with her seductive and beautiful host. *Origin of the Vampyre: A Companion to Doctor Polidori's The Vampyre*. A paranormal romance and time-blurring mystery by the author of the book club favorite: *Fire on the Water: A Companion to Mary Shelley's Frankenstein*.

A Vampire Trilogy: Tides of the Undead Sep 24 2019 Newlyweds Galian and Delbeth McDermot are the willing participants of an arranged vampire marriage to fulfill an ancient Celtic Prophecy. Moving to Ireland, they take their destined place as harbingers of a new world order. Delbeth knows that Galian is the only vampire willing to tolerate her willful ways and unique Faerie gifts, but neither suspects that their enemies lurk in the shadows, preparing to destroy their fated existence. Accustomed to the constant threats from the Croatian Tribunal, Delbeth is unaware that she has endangered Galian until he informs her that he will also be killed if she is captured. Cedric, their trusted bodyguard, has his work cut out for him, but even more surprising are the long-held secrets Galian reveals to Delbeth as their plane soars through the clouds to their new home. Hours later, Delbeth finds herself in a strange house, in a strange woods, in a strange country, facing a plot more sinister than neither she nor Galian ever imagined. As Delbeth and Galian prepare to bring new leadership and hope to a world facing the terrifying possibility of extinction, both are left wondering if they can even trust one another.

Celtic Skies, Book 3 in the Celtic Steel Series Apr 11 2021 CELTIC SKIES AWARDED: #27 Best Book of August, 2012, GoodReads "No need to read the first two books in order - this one is a stand alone favorite of mine."5

STARS "Right off the bat it had me captured, I couldn't put it down and read for hours into the night! There was a lot more going on this time but it made me cry in some parts and some I just "had my hand to my mouth" in aw through the whole thing. As always with the last two it left me in wanting more - so much that I am looking forward to October when the next part is out." - Krystina 5 STARS "Of the first 3 books in the Celtic Steel series this is my favorite. I really enjoyed the first two but this one just caught my attention and wouldn't let me stop until I finished it." - Stacey WHAT IS CELTIC SKIES? "A phenomenal paranormal experience." "An engaging science fiction tale that will keep you on your toes." "The best historical romance I've read in some time." AUTHOR COMPARISONS : "Great read couldn't put it down. Can't wait for the next book in the series. You rank up there with Diana Gabaldon of the Outlander series." ~ B. Breen "The last time I had just a detailed landscaped story in my mind was after reading The Hobbit by Tolkien." - Christina

Vampyre Magick Apr 23 2022 Since the dawn of civilization, the vampire has danced through the dreams and nightmares of every culture, expressed in folklore, literature, and art. Today, this fascination resonates in pop-culture through hit television shows, movies, and bestselling books. In *Vampyre Magick*, Father Sebastiaan reveals the hidden rituals and spells of the Living Vampires. This companion volume to Sebastiaan's *Vampyre Sanguinomicon*, is intended for initiates of the Stigoi Vii, but will appeal to any scholar of magickal arts, *The Golden Dawn*, or other Western Mystery Traditions.

Vampyres of Hollywood Nov 06 2020 Hollywood, California: three gruesome deaths within two weeks and every one of them a major star - an Oscar winner, an ingénue, and an action hero. A serial killer is working through the Hollywood A-list and celebrities are running scared. Each crime scene is worthy of a classic horror movie, and all three victims share a connection to the powerful scream queen, Ovsanna Moore. The stunning and formidable Moore is the legendary head of a Hollywood studio, as well as the writer and star of seventeen blockbuster horror films (and a few that went straight to DVD). She's also a 500 year old vampyre... but this is Hollywood after all, and no one ever looks their age. Beverly Hills Police Detective Peter King knows a lot about the City of Angels, but he certainly doesn't know that most of the famous actors in town are actually an established network of vampyres. Or

that secretive and seductive Ovsanna Moore happens to be their CEO. Moore and King may be from opposite sides of the Hollywood Hills, but both have something to gain by stopping the killer who the tabloids have dubbed the Cinema Slayer. Ovsanna must protect her vampire legacy and her production schedule, while King just wants to keep his Beverly Hills beat as blood-free as possible. But when the horror queen and the cop with the movie star looks form an unholy alliance, sparks fly and so do the creatures of the night. Film, television and Broadway star Adrienne Barbeau and New York Times bestselling author Michael Scott have teamed up to deliver this sexy, scary, and deliciously clever novel full of Hollywood glamour, behind-the-scenes secrets, and the truly bloodthirsty reality of Tinseltown. So grab some popcorn and some holy water and lose yourself in the high-stakes, back-stabbing world of the Vampyres of Hollywood.

A Vampire Trilogy: Isle of the Undead Jun 25 2022 Eight years have passed since Galian McDermot moved to Ireland to take his place in the Celtic world as the Tribunal Judicial Officer and King. The unlikely union of Galian and Delbeth has survived all attempts to destroy them. Together, they now live in a converted castle on the Isle of Man that holds their growing family of blended vampireseach with his or her own special faerie gift. Galian and Delbeth now have proof that it was Delbeths former boyfriend, Johan, who assassinated the old Tribunal. Worse yet, before his death, he recruited other conspirators in South America to carry out his plan for world domination and they are continuing his evil plan to develop his own world order in South America. Unknown to mortals, Delbeth and Galian begin populating the world with their special offspring while others secretly toil to destroy creation. But when Delbeths grandfather asks the family to raise two infant faerie girls, they agree, setting off a chain of events that culminates in a final battle where the Celtic plan is finally revealed. As their fae spell comes to fruition, Delbeth and Galian bring the world hope as they govern from the Isle of Man and attempt to defend against the forces bent on their destruction.

Gender in the Vampire Narrative Jul 27 2022 Gender in the Vampire Narrative addresses issues of masculinity and femininity, unpacking cultural norms of gender. This collection demonstrates the way that representations of gender in the vampire narrative traverse a large scope of expectations and tropes. The text offers classroom ready original essays that outline contemporary debates about sexual objectification and gender norms using the lens of the

vampire in order to examine the ways those roles are undone and reinforced through popular culture through a specific emphasis on cultural fears and anxieties about gender roles. The essays explore the presentations of gendered identities in a wide variety of sources including novels, films, graphic novels and more, focusing on wildly popular examples, such as *The Vampire Diaries*, *True Blood*, and *Twilight*, and also lesser known works, for instance, *Byzantium* and *The Blood of the Vampire*. The authors work to unravel the ties that bind gender to the body and the sociocultural institutions that shape our views of gendered norms and invite students of all levels to engage in interdisciplinary conversations about both theoretical and embodied constructions of gender. This text makes a fascinating accompanying text for many courses, such as first-year studies, literature, film, women's and gender studies, sociology, popular culture or media studies, cultural studies, American studies or history. Ultimately this is a text for all fans of popular culture. "Hobson and Anyiwo chase the vampire through history and across literature, film, television, and stage, exploring this complexity and offering insightful and accessible analyses that will be enjoyed by students in popular culture, gender studies, and speculative fiction. This collection is not to be missed by those with an interest in feminist cultural studies – or the undead." – Barbara Gurr, University of Connecticut "Hobson and Anyiwo push the boundaries of the scholarship as it has been written until now." –Catherine Coker, Texas A&M University Amanda Hobson is Assistant Dean of Students and Director of the Women's Resource Center at Indiana State University. U. Melissa Anyiwo is a Professor of Politics & History and Coordinator of African American Studies at Curry College in Massachusetts.

Vampyres: Genesis and Resurrection: from Count Dracula to Vampirella Sep 16 2021 An expanded, fully illustrated, and up-to-date edition of the classic cultural history of vampires *Vampyres* is a comprehensive and generously illustrated history and anthology of vampires in literature, from the folklore of eastern Europe to the Romantics and beyond. It incorporates extracts from a huge range of sources—from Bram Stoker's detailed research notes for *Dracula* to penny dreadfuls, to Angela Carter's *The Bloody Chamber* (new to this edition) which is analyzed by the author in a broader cultural context. This revised and expanded edition of the 1978 classic brings *Vampyres* up to date with twenty-first-century vampire literature, including new text extracts, commentary, and a revised introduction. For the first time, Christopher Frayling also explores the development of the vampire in the

visual arts in four color-plate sections, with illustrations ranging from eighteenth-century prints to twenty-first-century film stills, demonstrating the enduring appeal of the vampire from popular press to fine art and, finally, to film.

Wolf Vow Aug 23 2019 He can't get her scent out of his nose. She can't forget the dazzling blue of his eyes. A run in the dark woods could change everything. Warrior Kole McMannus has been traveling across the country in a time that is not his own, searching for his brother. Since the day a Celtic goddess banished him from his home in Ireland, he's battled wolves, wandered from state to state, and nearly lost all hope of being reunited with his kin. When he lands in Vermont and finds two of his cousins living the good life, however, he picks up new energy to continue his quest. Getting back to his old life with his brother is within his reach... if he still wants to grab it. Singer and fiddler Emma Rhodes has a dream to launch her Celtic rock band, Hendrake, to international fame. She and her three band mates have been giving their all to this cause, including a trip to Deer Creek Inn in the quiet woods of Vermont to write new material. It will only take one song to make their fantasies a reality. Without distractions maybe they can finally find the tune to take them to the top. Or maybe Emma will find a new distraction. When Kole and Emma meet over breakfast at the inn, he can't get her scent out of his nose and she can't forget the dazzling blue of his eyes. A run in the dark woods could change everything. Making wolf vows is easy. Keeping them is harder. The Warrior Wolves Series, paranormal romance "Full of memorable characters with a solid plot and plenty of passion." Featuring Ian Daniels' richly evocative Gothic-style artwork, this hauntingly romantic deck is a tool for spiritual awakening. With it, you can plumb the depths of your inner shadows and emerge in the radiant light of truth. Inspired by the Rider-Waite structure, the deck

shows the Fool, Priestess, and other traditional figures, while the suits bear unique names that call forth the mysterious and macabre: Scepters, Grails, Knives, and Skulls. The companion book provides detailed card meanings, creative exercises, original spreads, and instructions for creating your own Vampyre character. Includes a 78-card deck and a 312-page book.

The Vampyre's Handbook: Secret Rites of Modern Vampires Mar 11 2021 To realize that we are more than Human and actualize this state of Awareness has been the ultimate goal of all magical, mystical and spiritual pursuits since the dawn of time. It is perhaps no more blatantly represented and recognized than in one of the most superior occult archetypes ever to emerge: The VAMPYRE. This very special "Vampyre's Handbook" 5th Anniversary Collector's Edition brings unique rites and teachings of the modern "Vampire Tradition" collected together and brought to a high-level scrutiny for the first time ever in hardcover--combining two underground classics: "The Vampyre's Bible: Moroi Book of V" and "The Cybernomicon." Vampirism is a very real, strong, ancient and powerful current within the occult community--so much so, that "occult" groups may be found to conceal a secret leadership or "inner circle" that either: refers to themselves as Vampyres; refers to some obscure or invisible Vampyric Secret Chiefs; or else performed "high magic" workings based on mystical techniques that fall within semantics of Vampirism. These Secret Masters and Invisible Chiefs receive credit for the innermost teachings of magical societies, offering knowledge dating back to the primordial--before there was order; before there was a First Age, the primeval, First Cause of everything and nothing; Guardian of the Abyssal Void, wherein lies infinite unlimited potential. To this, our predecessors have called: "The Dragon." Sacred knowledge from ancient civilizations--including their technology--is only understood when looking beyond contemporary knowledge we are conditioned with. Society claims to prize "individuality" and "innovation" yet requires its citizens to learn and repeat the same methodology held by previous generations. Many great feats and incredible monuments of the ancients seem to defy reason and technology by the standards of our times. Many have no duplicability--reflecting some unknown "secret" tradition otherwise known as the esoteric or occult. To "occult" is to disguise what "actually" is taking place or in view, by imposing a "virtual" something in its place. Occult mysteries are arcane or esoteric: specialized knowledge intended for, and understood by, a small number of people. Within this amazing presentation of the "Vampyre's Handbook,"

Joshua Free bridges an understanding and communication of the realm of Magick and Mardukites with a futurist vision of Systemology and Zuism by revealing the Vampyric history, folklore, theory of energy work, practices of energy feeding, the Darksider diseases of werewolves, the necromancy of making zombies, ceremonies of death and immortality from the "Egyptian Book of the Dead." Moroi ad Vitam Paramus means: "Living Vampyres who are Preparing For Life." Moroi are a faction of underground living vampyres that dedicate their "mortal" lives to magical and vampyric pursuits, cultivating energy from this Realm and intentionally direct it to their Etheric Body--to essentially rehabilitate the power and authority of the True Spirit within. By empowering the true Self, all that is connected as Identity is empowered. Drink deeply from the True Blood of the ancient mysteries revealed to the surface world in its entirety for the very first time.

Dead Walkers: The Protectorate Nov 26 2019 In Regency Ireland, a dark legacy re-emerges from the depths of the Vampire realm, leaving three souls trapped between two worlds . . . Donovan Bramwell is a dead walker, a soul who walks on the dark side of life. He's also heir to an ancient Celtic vampire kingdom and its earthly branch known as the Protectorate, a secret society of vampires and humans protecting the mortal realm from evil dead walkers. But Donovan has a deadly secret--he's the one soul capable of destroying the very world he was born to protect. Now his greatest enemy has returned. But as Donovan prepares to save the Protectorate, a female quasi-vampire thwarts his plans and forces him to relive a past he's spent centuries trying to forget. Born a royal Celt with Vampyric blood, Iceni lost her family and her tribe to the Romans and the deadly vampires who befriended the Empire. After spending centuries fighting the dark souls who took away her world, Iceni finally has the chance to avenge her parents' deaths and take back the sacred relic housing her father's ancient powers. But to do so, she needs Donovan Bramwell to join her cause. But first, she must convince the Protectorate heir she's not the enemy. Suffering from a bite gone wrong, Vastos, a Vampyric prince and dead walker as old as time, returns to man's world determined to cure the ailment afflicting his soul. But to do so, he must fight his greatest antagonist, Donovan Bramwell, the one soul keeping him alive and yet killing him at the same time. Vastos has two choices: conquer the Protectorate and take the throne away from Donovan or destroy Iceni and take full control of her father's powers. And to a dead walker vampire running out of time, choosing one option over the other may not matter.

Morrigan's Cross Jun 01 2020 As the powerful vampire Lilith prepares to quench her thirst for destruction by unleashing her fury in battle, a medieval sorcerer, one of the circle of six charged by the goddess Morrigan, must travel through time to stop her.

Images of the Modern Vampire Oct 18 2021 This book examines vampires as an international phenomenon, not restricted to the original folk character, the literary vampire, or twentieth-century film versions. Instead, the authors reshape the legend into a post-modern image that is psychologically and socially relevant while retaining elements of folklore mixed with a hint of science fiction.

Liffey and Lethé Feb 28 2020 Focusing on literary and cultural texts from the late eighteenth century to the early twentieth, Patrick R. O'Malley argues that in order to understand both the literature and the varieties of nationalist politics in nineteenth-century Ireland, we must understand the various modes in which the very notion of the historical past was articulated. He proposes that nineteenth-century Irish literature and culture present two competing modes of political historiography: one that eludes the unresolved wounds of Ireland's violent history through the strategic representation of a unified past that could be the model for a liberal future; and one that locates its roots not in a culturally triumphant past but rather in an account of colonial and specifically sectarian bloodshed and insists upon the moral necessity of naming that history. From myths of pre-Christian Celtic glories to medieval Catholic scholarship to the rise of the Protestant Ascendancy to narratives of colonial violence against Irish people by British power, Irish historiography strove to be the basis of a new nationalism following the 1801 Union with Great Britain, and yet it was itself riven with contention.

Vampire Darcy's Desire Mar 30 2020 "Vampire Darcy's Desire" presents Jane Austen's "Pride and Prejudice" as a heart-pounding vampire romance filled with passion and danger. Tormented by a 200-year-old curse and his fate as a half-human/half-vampire dhampir, Mr. Darcy vows to live forever alone rather than inflict the horrors of life as a vampire on an innocent wife. But when he comes to Netherfield Park, he meets the captivating Elizabeth Bennet. As a man, Darcy yearns for Elizabeth, but as a vampire, he is also driven to possess her. Uncontrollably drawn to each other, they are forced to confront a pride and prejudice never before imagined while wrestling with the seductive power of forbidden love. Meanwhile, dark forces are at work all around them. Most ominous is the threat from

George Wickham, the purveyor of the curse, a demon who vows to destroy each generation of Darcys. Written in authentic Austen style and faithful to its Regency-era setting, "Vampire Darcy's Desire" retells the greatest love story of all time in a hauntingly imaginative fashion.

Rajveer the Vampire Aug 16 2021 A "sun clan" warrior can never become a true child of darkness. Turned into a bloodsucker by an ancient Celtic vampire, Rajveer, a proud Rajput warrior of a Suryavanshi clan in 14th century India, becomes almost invulnerable when he drinks enemy's blood. Immortal, he loses his family to war and time and travels through northern India, seeing history unfold. Threatened by both human wars and evil vampires, can he remain true to his sworn vow not to take human lives? A vampire's journey through centuries. In this new novel, Barbara G.Tarn combines her love for history (especially medieval) and fantasy. It's the story of a vampire through the centuries that will appeal to both historical fiction readers and vampire lovers all over the world.

The Vampire in Folklore, History, Literature, Film and Television Feb 07 2021 This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present. More than 6,000 entries document the vampire's penetration of Western culture, from scholarly discourse, to popular culture, politics and cook books. Sections by topic list works covering various aspects, including general sources, folklore and history, vampires in literature, music and art, metaphorical vampires and the contemporary vampire community. Vampires from film and television—from Bela Lugosi's Dracula to Buffy the Vampire Slayer, True Blood and the Twilight Saga—are well represented.

From Demons to Dracula Oct 25 2019 In blood-soaked lore handed down the centuries, the vampire is a monster of endless fascination: from Bram Stoker's *Dracula* to *Buffy the Vampire Slayer*, this seductive lover of blood haunts popular culture and inhabits our darkest imaginings. The cultural history of the vampire is a rich and varied tale that is now ably documented in *From Demons to Dracula*, a compelling study of the vampire myth that reveals why this creature of the undead fascinates us so. Beresford's chronicle roams from the mountains of Eastern Europe to the foggy streets of Victorian England to Hollywood, as he investigates the portrayal of the vampire in history, literature, and art. Opening with the original *Dracula*, Vlad the Impaler, and his status as a national hero in Romania, he endeavors to winnow out truths from the complex legend and folklore. *From Demons to Dracula* tracks the evolution of the vampire as an icon and supernatural creature, drawing on classical Greek and Roman myths, witch trials and medieval plagues, Gothic literature, and even contemporary works such as Anne Rice's *Interview with a Vampire* and Elizabeth Kostova's *The Historian*. Beresford also looks at the widespread impact of screen vampires from television shows, classic movies starring Bela Lugosi and Christopher Lee, and more recent films such as *Underworld* and *Blade*. Whether as a demon of the underworld or a light-fearing hunter of humans, the vampire has endured through the centuries, the book reveals, as powerfully symbolic figure for human concerns with life, death, and the afterlife. A wide-ranging and engrossing chronicle, *From Demons to Dracula* casts this blood-thirsty nightstalker as a remarkably complex and telling totem of our nightmares, real and imagined.

Something Wicked Jan 27 2020 Infected by the vampire virus on the streets of Dublin in 1886, the search for a cure brought Henry Clayton to London and to the brink of madness. Salvation and friendship arrived in the form of Dougal, an immortal Highlander with a devilish sense of humor and a love of life. Amidst turmoil in vampire society, Henry returns to modern day Dublin. The Circle, a cult determined to awaken their Celtic blood god, the first vampire, is once again active. When Henry meets a young American woman who sees past his human pretense, he fears exposure. However, his fear is overshadowed by curiosity. What is the source of the strange energy between them? Why are vampires stalking her? Determined to find answers, Henry takes Ari into his home and under his

protection. As their connection grows, Henry begins to suspect Ari isn't what she claims to be. Their shared history may hold the answers to his uncontrollable bouts of rage and thirst. Perhaps, even a cure for his wicked blood.

Vampyre Sanguinomicon Sep 28 2022 Since the dawn of civilization the vampire has danced through the dreams and nightmares of every culture, expressed in folklore, literature, and art. Today, this fascination resonates in pop-culture, through hit television shows and movies and bestselling books. But what does it mean to be a vampire, a living and modern vampire? What many do not realize is that the Living Vampyre is on a serious, lifelong spiritual path. Best known as Strigoii VII, the Living Vampyre is one who has embarked on a serious and lifelong spiritual path. Not just "kids in capes," the members of this magickal community seek to live in glamour and ritual every day. The Vampyre Sanguinomicon provides a profound perspective on the Vampyre culture, traditions, movement and philosophies, which are intended to challenge and inspire your views. Chapters include Vampyre Ritual, Vampyre Sensuality, Beginning Vampyrism, and The Vampyre Wedding.

Disenchanted Jan 01 2023 Disenchanted: Book One (The Celtic Vampyre Saga) Faelynn LeCroix is a woman hell-bent on finding those responsible for the brutal murder of her mother and the abduction of her father. She's on a quest for revenge and, in her opinion, the bloodier the better. The arduous trail that she has been doggedly following for three years has led her directly into the path of Nathaniel Valour, an Irish vampyre who rules over the territory of New England. At first, she sees him as nothing more than one of the fiends she disposes of on a nightly basis, but something tells her that Nathaniel is different from every other vampyre she has ever encountered on her trail of retribution. The truth is, Nathaniel Valour is different-he is a vampyre with a secret. Upon looking into the eyes of Faelynn, Nathaniel realises that she is the one he has unknowingly been waiting for. Can Faelynn see beyond her situation and place her fragile trust in the hands of a depraved creature of the night, one she swore to destroy every last one of? If she can, Faelynn may find herself closer than ever to quenching her thirst for vengeance. This

intriguing and passionate saga would be attractive to the habitual readers of Gothic literary works, paranormal romance, and horror. Reviews: "Dark, brooding and dripping with atmosphere, 'Disenchanted' is absolutely fantastic. With a great ear for dialogue and a wonderfully descriptive style, Farrell sucks you in from the first paragraph and doesn't let you go until the climax which leaves you begging for more." - Ruairi O'Hagan, Cork's RedFM. "Masterful... Challenging... Beautiful... I loved it, I used to live for writing like this!" - Braine, Talk Supe. "Mark my words, C.K. Farrell is going to be a force to be reckoned with in the publishing world. It's about time an Irish writer threw their hat, and a scholarly hat at that, back into the vampire arena." - Veronica Salva, New Hampshire Gothic Horror Review. "The Celtic Vampyre Saga is an enchanting and terrifying account of lost souls who seek redemption. It is a lot more than a simple, lustful vampire tale. Instead, it is a mature, artistic, and thought-provoking piece with substance in abundance. Read it, you will not find yourself disappointed, only inspired and enlightened." - D'arcy Ondine, Artist, Poet, and Author.

Blood of the Son May 01 2020 Skye Morrison has a lot in common with today's college graduates; she's neck-deep

in student loan debt and desperate for a better paying job. For four years, the nightlife of Austin, Texas (home of Skye's Alma Mater) has satiated her thirst for good music, a revamp in fashion and men - especially local musician, Jameson Doyle, but her spot as a waitress at Drop Kick Dan's bar wasn't going to cut the slack. A personal life troubled by a hounding ex only made matters worse. Skye was never the damsel in distress type, but when an unexpected public shouting match with her ex turned physical, a savior disguised as a heavenly gorgeous Irishman came to her rescue. Archer Rhys, a businessman with a lot to offer, doesn't exactly sweep Skye off her feet but she couldn't help but to be captivated by his ravenous good looks. When Archer makes Skye a lucrative job offer as his personal assistant for his new downtown Austin club, The Mausoleum, she quickly finds out that she may have gotten more than she bargained for. In this breakout novel, J.L. McCoy takes the reader on an indulgent descent into a modern-day counterculture of nighttime extravagances. Close your eyes, succumb to intense passion, sip a Vampire's Kiss and let the pounding of the club music overtake you. With animated detail, you'll find yourself on an unimaginable journey deep into the lair and grasp of Archer Rhys and his mind games. Distracted by Jameson's charm and blinded by Archer's allure and generous paycheck, Skye's new life invokes the reader's empathy as she's surrounded in a whirlwind of desire, deceit and even death. *Blood of the Son*; this isn't your little sister's vampire novel. Approximately 84,020 words

Vampyre Nov 18 2021

Energy Magick of the Vampyre Oct 30 2022 • Explains how a Vampyre is not a blood-sucking mythical figure but a shaman who is skilled in gathering, using, and storing energy for magical power and personal liberation • Reveals how to gather and store energy from the world around you and shares magical techniques, manifestation methods, and practices to utilize the energy you have collected • Looks at servitors and familiars, vampyric runes, dream architecture, money magick practices, and sex magick techniques as well as advanced practices such as healing with vampyric magick In this initiatory guide, Don Webb explains how to learn from the myth of the vampire to gather,

use, and store energy for magical power, manifestation, and personal liberation. A Master of the Order of the Vampyre within the Temple of Set, the author shares a 9-month process to awaken and initiate you as a Vampyre and allow you to actualize your hidden potential. Webb begins by explaining how to gather energy from the world around you and store it in the body, in artifacts and talismans, and in groups of people, such as a coven. Through the 9 stages of initiation, the author offers guided magical techniques, manifestation methods, and experiments to utilize the energy you have learned to gather and store. He also examines familiars, Vampyric runes, money magick practices, and sex magic techniques. Sharing more advanced practices, Webb looks at the creation and destruction of egregores and how to fight off psychic vampires--those who steal your power and energies. Achieve greater self-knowledge, a deeper connection with the energies that surround you, and the power to manifest your deepest desires by walking the path of the Vampyre.

Under a Celtic Moon Jan 09 2021 Ahyna O'Fáeláin: What happens when you pair an Irish fire-witch with a Scottish vampire? Sparks fly...of course! Just a wee witch when she first met Daegan Scott, an unbreakable bond was formed--or so they thought. She watched as the vamp matured into a fine warrior. Then Daegan and the other males went off to war, and Ahnya was left with a secret she dared not share. So...she disappeared. Daegan Scott: Once a fierce vampire warrior from long ago, Daegan Scott is now a highly sought after architect living in downtown Denver. After a startling discovery, his world gets turned upside down, and his past comes back to haunt him. With the revelation comes new desires, and he whisks both him and his mate off to Ireland where it all began. Can Daegan and Ahnya mend their severed relationship? Or will the secret between them forever keep them apart?

A Vampire Trilogy Aug 28 2022 The world is a dangerous place for Delbeth Sitric. Protected by her vampire father and tempered by her faerie/human mother, Delbeth is an immortal blend that the Croatian Tribunal has condemned to extinction. She is caught between two worlds: the human teenager who wants to attend prom, and the vampire/faerie who is destined to change immortal life. For now, however, she must concentrate on staying alive. In this coming of age fantasy, Delbeth goes to Ireland seeking safety in the Celtic world from the political forces that would exterminate vampire blends like her. However, she becomes part of the Celtic mythology when she weds her protector and shares his destiny.

Goddess with a Blade Collection Volume 1 Aug 04 2020 The first four novels in New York Times bestselling author Lauren Dane's sweeping Goddess with a Blade urban fantasy series, available now in one box set. **GODDESS WITH A BLADE** Meet Rowan Summerwaite. Vessel to the Celtic goddess Brigid and raised by the leader of the Vampire Nation, she's a supercharged Hunter with the power to slay any Vampire who violates the age-old treaty. A string of murders has her at odds with Las Vegas's new Scion, the arrogant and powerful Clive Stewart. The killings have the mark of Vampire all over them, and Rowan warns Clive to keep his people in line—or she'll mete out her own brand of justice. Though her dealings with Clive are adversarial, Rowan is intensely aware of her attraction to him. But she can't let it distract her from her duty—to find and battle the killer before more women die. **BLADE TO THE KEEP** Rowan Summerwaite is the only person who can renegotiate the fragile Treaty between the Vampire Nation and the Hunter Corporation, the last line of defense for humanity. A meeting of the Joint Tribunal sends Rowan to the last place she wants to be—The First's Keep. Raised at the knee of The First, the oldest Vampire and leader of the Vampire Nation, Rowan must navigate Vampires and Hunters alike. And she's got to do it while managing a politically awkward but undeniably deepened romance with Scion Clive Stewart... **BLADE ON THE HUNT** Broken but not defeated by an ancient Vampire, a vengeance-fueled Rowan leads a team of some of the most terrifying beings on earth with one goal in mind. Eliminate the Vampire who attacked her. But as the team is hit with wave after wave of attacks, the tensions between Clive Stewart and a rival Vampire ramp up, with Rowan the woman in the middle. She's not used to being claimed, and Clive is everything she shouldn't want in a man, but she's past denying she's in love. In contrast to the uneven footing falling in love has given her, Rowan is utterly certain she'll locate her quarry. Strong, powerful and connected to the Goddess, she burns with the light of her mission. There's a war brewing, and Rowan will fight it to the death. It's what she was born to do. **AT BLADE'S EDGE** Though she'd hoped the deadly events in Venice would end the threat to the Treaty she's sworn to protect, Rowan found evidence of a grander conspiracy—to destroy the fragile peace that holds humans, Vampires and those with magic back from war. People try to kill Rowan all the time, but when those she cares for are at risk—including her new husband, Scion Clive Stewart—she gets angry. The organization that once gave her a purpose has betrayed her. Now, instead of on a much-anticipated honeymoon, Rowan is in London, gathering allies and evidence.

Whatever she needs to drive out the rot within Hunter Corp. and expose whoever is at the top. Rowan is a predator and this threat is prey. She'll burn it down and salt the earth afterward. On her terms.

The Irish Vampire Dec 20 2021 The origins of the vampire can be traced through oral traditions, ancient texts and archaeological discoveries, its nature varying from one culture to the next up until the 20th century. Three 19th century Irish writers--Charles Robert Maturin, Joseph Sheridan Le Fanu and Bram Stoker--used the obscure vampire of folklore in their fiction and developed a universally recognizable figure, culminating in Stoker's Dracula and the vampire of today's popular culture. Maturin, Le Fanu and Stoker did not set out to transform the vampire of regional folk tales into a global phenomenon. Their personal lives, national concerns and extensive reading were reflected in their writing, striking a chord with readers and recasting the vampire as distinctly Irish. This study traces the genealogy of the modern literary vampire from European mythology through the Irish literature of the 1800s.
