My name is Jayden Evans or, as my readers know me, J.E. Sparrow. I'm one of the world's most adored authors, but now, the only thing beloved is a bottle of whiskey and the unspeakable nasties I somehow find myself in. But this life of depravity is growing old fast. I need a change. And that comes when I meet Carrie Bell. Remington Stringer has never been like most girls. She's outspoken, brazen and wants nothing more than to escape the Nevadan hell hole that she calls home. On the brink of eighteen, with a deceased mother and a well-meaning, yet absent father, she is forced to fend for herself. The only person she's ever had to depend on is her borderline obsessive stepbrother, Ryan. But, what used to be her anchor is quickly becoming a loose cannon. When Remi gets the opportunity to attend the best private school in the state during her senior year of high school, she jumps at the chance. Then she meets Mr. James. Ornerly, aloof, and totally irresistible. Most girls would swoon in secrecy. Most girls would doodle his name with hearts in their notebook. But Remi Stringer has never been like most girls. Jay Crownover's New York Times and USA Today bestselling Marked Men series continues with the much anticipated story of southern charmer and certified criminal Asa Cross. Starting over in Denver with a whole new circle of friends and family, Asa Cross struggles with being the man he knows everyone wants him to be and the man he knows he really is. A leopard doesn't it change its spots and Asa has always been a predator. He doesn't want to hurt those who love and rely on him, especially one

luscious arresting cop who suddenly seems to be interested in him for far more than his penchant for breaking the law. But letting go of old habits is hard, and it's easy to hit bottom when it's the place you know best. Royal Hastings is quickly learning what the bottom looks like after a tragic situation at work threatens not only her career but her partner's life. As a woman who has only ever had a few real friends she's trying to muddle through her confusion and devastation all alone. Except she can't stop thinking about the sexy southern bartender she locked up. Crushing on Asa is the last thing she needs but his allure is too strong to resist. His long criminal record can only hurt her already shaky career and chasing after a guy who has no respect for the law or himself can only end in heartbreak. A longtime criminal and a cop together just seems so wrong . . . but for Asa and Royal, being wrong together is the only right choice to make. If you knew beyond all doubt that one chance encounter would change the course of your future, what would you choose? There's nothing like a spring day in Boston to make your heart sing. I'm out with my girls, having drinks in a bar, enjoying the bright pulse of our beautiful city, when I see Caleb. The second my eyes meet his, I know this is the moment when everything will change. All I have to do is choose him. I meet Whitney on the worst day of my life. I've always been an adrenaline junkie, but I never knew how fast things could change. Her soft gaze melts my cynicism, makes me forget the bitter man I was becoming. She makes me want to be the version of myself that I see in her eyes. All she has to do is choose this life. When We Met takes Whitney and Caleb on the ride of their lives, hitting every note on the scale of beauty and tragedy along the way. USA Today best-selling author Marni Mann will make you question everything you thought you knew about love and fate, and this unforgettable story will leave you certain that destiny always finds a way. You breathe in, you breathe out, and everything you know is gone. Sara Walker knows firsthand what it feels like to have your reality ripped away, scrambled, and shoved back at you in an undone puzzle where pieces are missing and nothing fits. She's lost so much and is struggling to live and to find the strength to forgive herself for being human. With the help of Lincoln, her husband's brother, Sara realizes it's not about finding who she used to be, but about accepting who she is now. You breathe in, you breathe out, and everything you know isn't gone, but reborn.

Grace's star is on the rise with a new TV series, but then the director asks her to lose fifteen pounds. Meanwhile, Jack is voted the Sexiest Man Alive and becomes a little too enamored with the star lifestyle. But while he can have anything he wants, he can't have the one thing he really needs: a public relationship with Grace, which his manager says will hurt his career.
