The monster community has kept a low profile at the local high school, but when two new girls enroll, the town will never be the same. Created just fifteen days ago, Frankie Stein is psyched to trade her father's formaldehyde-smelling basement lab for parties and prom. But with a student body totally freaked out by rumors of monsters stalking the halls, Frankie learns that high school can be rough for a chic freak like her. She thinks she finds a friend in fellow new student Melody Carver-but can a "normie" be trusted with her big secret? Sadie and her best friends are back in book two of this series about girls with animal powers. The Pack seems stronger than ever but Sadie has a secret that could claw its way out. Sadie thought joining the Pack would be the wildest thing to happen to her this year but the school year is becoming even harder. On top of classes Sadie has to navigate her growing feelings for her crush, taming her powers during cheer practice and trouble making hyenas trying to take her crown. best friends are back in book two of this series about girls with animal powers. The Pack seems stronger than ever but Sadie has a secret that could claw its way out. Sadie thought joining the Pack would be the wildest thing to happen to her this year but the school year is becoming even harder. On top of classes Sadie has to navigate her growing feelings for her crush, taming her powers during cheer practice and trouble making hyenas trying to take her crown. Then there is the massive secret she is keeping from her BFF Lindsey--that could destroy their friendship and The Pack as they know it. Will the shocking truth come out to bite them? Friendships are tested when Alicia, a seventh grader at Octavian Country Day School, decides to break away from the exclusive clique led by her best friend to start her own group. Claire Lyons is the new girl at Octavian Country Day School, an exclusive private school in Westchester County, New York. But Claire is totally unprepared for the social (and fashion) demands of her new classmates. To make matters worse, Claire's family is living in the guesthouse of one Massie Block, the queen supreme of her new school! And Massie couldn't be less thrilled with the new squatter on her family's estate. Does Claire have what it takes to go toe-to-toe with the "it" girl in her school? The RADs are free and Draculaura (Lala) is flashing her fangs with pride. But when Daddy Drac pays her a surprise visit everything goes batty. Mr D. thinks RADs should have their own school, but Lala isn't ready to give up the rights they fought so hard for. So when she hears about a glamorous contest, where the winning school gets mad moolah and a chance to star in a national ad campaign, Lala decides it's time to bite. It's father against daughter in a battle for Salem's student body. Despite the many challenges, Lala is determined to save Merston High. But she might die twice trying. The Clique of Westchester County declares Massie a hero for hosting the first boy/girl Halloween party of eighth grade. But her parents insist that she invite the entire class. Unfortunately for Massie, that means "everyone." Jason, a twelve-year-old autistic boy who wants to become a writer, relates what his life is like as he tries to make sense of his world. The Pretty Committee is in a crisis when changes in relationships and boy-swapping incidents impact longstanding friendships and causes Massie

to end up in messy love triangle with Dempsey and Layne Abeley. 400,000 first printing. A bet about wardrobes between the wealthy Massie and middle-class Claire results in a testing of old friendships, a forging of new ones, and a change for the student body at Octavian Country Day School. The holidays are over and Massie's room is chock-full of new things from Santa: jeans, sweater, and a new . . . roommate? Once Claire unpacks, Massie's room feels more crowded than a Zac Posen sample sale. But what's worse, Claire isn't the only person moving into Massie's territory -- Alicia's hot cousin, Nina, shows up from Spain and starts edging in on all the Briarwood boys, including Massie's crush! Will Nina, with her super-tight mall clothes, make every boy in Westchester fall in love with her? Or will Massie toss her out faster than last season's Sevens jeans? The social minefields of Westchester County's most privileged middle school girls drive the page-turning action of this addictive series, set in New York City's most elite suburban county. The Clique . . . the only thing harder than getting in is staying in. In the third installment of bestselling author Lisi Harrison's middle grade series, Girl Stuff, seventh grade besties decide to have their first kisses on the same night. It's that time of the year—Poplar Middle School's annual two-week health and sex-education unit! And, well . . . it's awkward. Fonda thought she was on the same page as her classmates, but after hearing their anonymous questions about kissing it appears Fonda is not only behind on getting her period—she's behind in everything! Drew, on the other hand, wants her first kiss to be with her boyfriend. Just when the time seems right, something VERY unexpected happens . . . Ruthie's just had a misunderstanding of epic proportions with a boy friend (not boyfriend). Will boy stuff always be this complicated? Fonda thought it would be perfect if they had their first kisses on the same night. But maybe moments like that can't be planned? Through the fun stuff, the girl stuff, and all the awkward stuff, these three friends will be by each other's sides. From Lisi Harrison, the New York Times bestselling author of The Clique and Alphas, comes a new series with a fresh twist on high school, romance, and the "horrors" of trying to fit in. She thinks she finds a friend in fellow new student Melody Carver-but can a "normie" be trusted with her big secret? In the second book starring Westchester County's most privileged middle schoolers, the Clique declares Massie a hero for hosting the first boy/girl Halloween party of 8th grade. Massie's already hired Landon Dorsey, the hottest party planner in the 9-1-4 area code, but her parents insist she has to invite the entire class. Unfortunately that means everyone. Layne is bummed that the boys will be there -- she IMs Claire that's so "DESPR8" -- as Claire wonders if maybe a boyfriend will make her happy. Meanwhile, Massie and the Clique are fighting over who gets to invite Derek Herrington. Dylan thought it was obvious that she was the one who danced all night with Derek at the OCD benefit last month, but says "Whatevs" when Kristen gets all weird about it. Fine, she can have him. He was a terrible dancer anyway and there will be tons of guys to choose from at the party.... Three girls, two guys, five secret journals. The five most popular students at Noble High have secrets to hide; secrets they wrote down in their journals. Now one of their own exposes the private entries... When our parents were growing up they were encouraged to make mistakes. That's how they learned. But us? Our mistakes go viral. There is no delete button on the Internet. What kind of future do we have if we can't escape our embarrassing pasts? I must come off as quite the hypocrite; complaining about our overexposed lives in a book of secret journals I have leaked. But these pages hold proof of how this pressure affects the "best" of us... so until the heat's turned down, keep reading. !-- EndFragment-- Seventh grade besties navigate crushes and friend drama in the second book in bestselling author Lisi Harrison's new middle grade series, Girl Stuff, perfect for fans of The Baby-Sitters Club, Real Friends, and Invisible Emmie. Halloween is just around the corner and with it comes the dreaded overnight class trip at a smelly farm. Fonda

has ideas for a way cooler trip but before she can say Catalina Island, other kids (including her best friend's crush's best friend!) come forward with class trip proposals of their own. There's only one solution: a petition competition, and whoever gets the most signatures wins. Fonda enlists her besties Drew and Ruthie to help, but are they ready to do whatever it takes to win? Between school stuff, girl stuff, and crush stuff, this trio's trip—and hearts—are on the line. NATIONAL BESTSELLER • From the author of *Ghost Soldiers* comes a magnificent history of the American conquest of the West—"a story full of authority and color, truth and prophecy" (The New York Times Book Review). In the summer of 1846, the Army of the West marched through Santa Fe, en route to invade and occupy the Western territories claimed by Mexico. Fueled by the new ideology of "Manifest Destiny," this land grab would lead to a decades-long battle between the United States and the Navajos, the fiercely resistant rulers of a huge swath of mountainous desert wilderness. At the center of this sweeping tale is Kit Carson, the trapper, scout, and soldier whose adventures made him a legend. Sides shows us how this illiterate mountain man understood and respected the Western tribes better than any other American, yet willingly followed orders that would ultimately devastate the Navajo nation. Rich in detail and spanning more than three decades, this is an essential addition to our understanding of how the West was really won. The frighteningly hip teenage children of the world's most famous monsters have gathered together under one roof...to brave the horrors of high school! Always overshadowed by her six brothers and her fab friends, Clawdeen Wolf plans to finally strut her stuff in the spotlight at her upcoming Sweet Sixteen bash. But after *The Ghoul Next Door* goes viral, it's into the woods for the family Wolf. Clawdeen goes stir crazy lying low at her family's B&B with her annoying brothers until Lala shows up to keep her company. But is the vamp flirting with Claude?! A new paperback series where girls help each other tackle issues of friendship, crushes, and new experiences. Perfect for fans of *The Baby-Sitters Club*, *Real Friends*, and *Invisible Emmie*—it's all about being true to yourself! Fonda, Drew, and Ruthie have been besties forever, but seventh grade is going to be their

year! The girls can't wait to do everything together and have an amazing time doing it. But then... • Ruthie realizes that being in Talented and Gifted means being in a different part of the school. There go their stuck-together-like-glue dreams. • Drew's crush—who seemed so into her like a week ago—suddenly acts like he doesn't know her. And now he's all she can think about. • Fonda's finally being noticed by the popular girls, but can she really hang out with them if Ruthie and Drew aren't invited? There's nothing like seventh grade to test the bonds of friendship. Fonda, Drew, and Ruthie are about to find out how much it stinks to be lied to, to be left out, and to feel like you're the only one who cares. But they'll also find out how meaningful female friendships are, and how great it feels to be yourself. Get ready for the most meaningful, most fun stuff of all: girl stuff! High School senior Vic Salazar falls for his best friend's girlfriend in this steamy young adult romance. At *OCD* the losers are tormented. At *Alpha Academy*, they're sent home. Skye Hamilton has scored an invitation to the ultra-exclusive Alphas-only boarding school where beta is spelled LBR. What happens when the country's best, brightest, and hawtest begin clawing and scratching their way to the top? A second boxed set of three books in the #1 New York Times bestselling *Clique* series, including *The Clique #4: Invasion of the Boy Snatchers*, *The Clique #5: The Pretty Committee Strikes Back*, and *The Clique #6: Dial L for Loser*. Brave the social minefields of Westchester County's most privileged middle school for girls in this addictive and bestselling series, set in suburban New York City's Westchester County. *The Clique*... the only thing harder than getting in is staying in. When many of her loyal friends begin to show interest in Melody and Frankie, Cleo de Nile's jealousy threatens to destroy the friendship. *Alpha Academy: Where betas get booted*. Eccentric billionaire Shira Brazille founded the super-exclusive Alpha Academy on exotic Alpha Island to nurture the next generation of exceptional dancers, writers, musicians, and inventors. It's a dream come true for one hundred lucky girls, but those not measuring up can be sent home at any time, for any reason. The one left standing will win worldwide fame. Who will it be? Skye Hamilton is stepping up her game as Shira sheds Alpha Academy girls

faster than skin from a will-pumiced foot. There's just one thing standing in her way: island bad boy Taz Brazille. Can Skye keep a dancer's poise, or will Taz throw her off the music once and for all? Allie A. Abbott Finally knows who she really is, and nothing is going to bring her down. Not even AJ, who just can't let go of the past. But she can Bring. It. On. Allie's come too far to be sent home without a fight. Charlie Deery After bouncing like a dashboard hula doll between Allie and Darwin, Charlie finally has her BFF and Brazille beau by her side. But as the competition on Alpha Island reaches its boiling point, will her drive to win make her lose what matters most? If at first you don't succeed, you're not an alpha.

Massie Block: Getting back into Octavian Country Day was a piece of sugar-free cake, compared to Massie's next goal-finding the key that unlocks an ah-mazing legendary secret room at OCD! Alpha eighth grader Skye Hamilton and her clique have stashed the key in the bedroom of one mystery Briarwood boy, but who? Whoever finds the key gets access to the secret room for an entire year and the prestige that comes along with it. But what happens when LBR Layne seems to be getting closer? This is way more than a matter of life or death, it's a matter of in or out!

Kristen Gregory: Always been a star on the soccer field, but her style gets majorly cramped when her friends are forced to join the team. They better start kicking those soccer balls or Kristen's going to start kicking some . . . !

Alicia Rivera: Uses her skills as a gossip reporter to scheme her way into the rooms of all the Briarwood hotties!

Dylan Marvil: Heard depression makes people lose weight. Is hoping for some sad news soon because she's popping donut holes the way some people pop Tic-Tacs.

Claire Lyons: Being famous isn't all it's cracked up to be! Her agent confiscates her gummies, and forces her to do some very bad things to make her more "edgy." Worst of all, her constant meetings with lawyers and movie execs are eating into her time with the P.C. and with Cam! Is being a Hollywood starlet worth the Gucci-high price tag? At OCD the losers are tormented. At Alpha Academy, they're sent home. Skye Hamilton has scored an invitation to the ultra-exclusive Alphas-only boarding school where beta is spelled LBR . What happens when the country's best, brightest, and hawtest begin clawing and

scratching their way to the top? A New York Times Bestseller! As seen on The Today Show, Rachael Ray, and Kelly and Michael. Or is something more sinister haunting the halls of Monster High? Massie gets BE-yoo-tiful: After Massie Block gets kicked off her high horse and out of her ultra exclusive Westchester riding camp, her parents force her to do the unthinkable-find a summer job. Not one for dog-walking or brat-sitting, Massie comes up with the ah-bvious solution: She'll be a sales rep for the cosmetics brand Be Pretty. Massie fully hearts her new role as fairy gawdmother of makeup-until she discovers transforming LBRs into glam-girls takes more than a swish of her royal purple mascara wand. When many of her loyal friends begin to show interest in Melody and Frankie, Cleo de Nile's jealousy threatens to destroy the friendship. Ghoulfriends Forever is a brand-new Monster High series, introducing three new monster characters. As new students, the trio must navigate the bewildering array of cute monster boys, established cliques, and monster-rific subjects like Mad Science, G-ogre-phy, and Physical Deaducation. As if that weren't hard enough, something strange and sinister seems to be happening at the school. Popular girls like Frankie Stein and Cleo de Nile are acting weird-and all signs point to everyone's new favorite teacher, Miss Sylphia Flapper. Can the new GFFs expose the fave as a fraud, or will they succumb to peer pressure? Massie Block: The Briarwood boys have invaded OCD and are taking over everything. Worse, the soccer boys have become so popular that the Pretty Committee's alpha status is in serious jeopardy. So Massie lays out a New Year-New Pretty Committee rule: Anyone caught crushing on a boy will be thrown out of the NPC-forever. But will she be

able to follow her own decree when she sees that Derrington has ditched his shorts-obsession in favor of ah-dorable jeans? Alicia Rivera: Is the opposite of onboard with the boyfast. Her crush, the Ralph Lauren-luh-ving Josh Hotz, is more irresistible than crème brûlée fro-yo. But is he worth losing her spot in the NPC? And taking on the wrath of Massie? Dylan Marvil: Is so ready for the boyfast. She's straightened her unruly red hair and permanently pressed boys out of her life. If only she could do the same with curly fries and caramel popcorn. Kristen Gregory: Has traded her sporty-chic Pumas for Billabong board shorts and a shark tooth necklace. She claims she's sworn off boy-crushes, so what's with her Blue Crush makeover? Claire Lyons: Spent all summer thinking about Cam's one blue eye and one green eye. But now he's moved on to a new girl faster than you can say cuh-yutest couple. At least Claire finally has a secure spot in the NPC-unless jealousy-flirting breaks the boyfast. . . . The Clique: The only thing harder than getting in is staying in. Eccentric billionaire Shira Brazille founded the super-exclusive Alpha Academy to nurture the next generation of exceptional dancers, writers, musicians, and inventors. It's a dream come true for one hundred lucky girls, but those not measuring up will be sent home at any time, for any reason. The one left standing will win worldwide fame. Who will it be? Skye Hamilton For Skye, breaking boys' hearts is easier than one-two-plied. But if she hurts emo-freak Sydney, Shira will send her packing. Skye's only choice? Make him dump her first! But how can she convince robo-Romeo she's not his Juliet? Charlie Deery Charlie's brilliant brain designed almost everything on Alpha Island, but her broken heart could never get over Darwin Brazille. Now she has a chance to get him back. But to say hello to true love, she may have to say buh-bye to her friendship with Allie A... Allie A. Abbot After being exposed as an Allie J. imposter, Allie A. is as worthless as a five time markdown on the clearance shoe rack. But the real stain on her suede bootie? She still hasn't found her talent. And with girls leaving faster than you can say "Beta", will Allie A. be the next to go? If at first you don't succeed, you're not an alpha. While on a seventh-grade school trip, Claire attempts to mend her relationship with Cam while Massie seeks to maintain her high

social standing and receive her first kiss. From the author of the #1 New York Times bestselling series *The Clique* comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels they read—and the notes passed down by the club's original members—the new members of *The Dirty Book Club* help each other find the courage to rewrite their own stories and risk it all for a happy ending.
