Discover the Mystery... Play as Ellen, a young girl in search of her mother; or Keats, a reporter searching for the truth, as they follow separate paths that lead behind the shadows of our world. Unravel the mystery and cross-over into worlds of fantasy--anddarkness. Are you prepared? Two Complete Walkthroughs Ellen and Keats have separate paths throughout an entwined story. This guide provides full coverage of both! Exhaustive Bestiary Capture an enemy's soul to gain their powers and expand them. The comprehensive bestiary includes the statistics for all the creatures as enemies--and as valuable friends in battle. Costume Gallery Expand the breadth of your abilities as you uncover Cloaks granting potent powers. Region Maps Maps provide details for both walkthroughs for Keats and Ellen. Find critical paths to finish tasks and find hidden characters. Platform: PlayStation 3 Genre: Action/Adventure This product is available for sale in North America only. The Video Games Guide is the world's most comprehensive reference book on computer and video games. Presented in an A to Z format, this greatly expanded new edition spans fifty years of game design--from the very earliest (1962's Spacewar) through the present day releases on the PlayStation 3, Xbox 360, Wii and PC. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross-referencing with other titles, information on each game's sequels and of course the author's views and insights into the game. In addition to the main entries and reviews, a full-color gallery provides a visual timeline of gaming through the decades, and several appendices help to place nearly 3,000 games in context. Appendices include: a chronology of gaming software and hardware, a list of game designers showing their main titles, results of annual video game awards, notes on sourcing video games, and a glossary of gaming terms. • Spring Into Action: This game combines a brand new graphics engine with the power and fun of the Wii's controls. Prima's guide will cover all the basic and advanced strategies for success in SEGA's latest installment to the Sonic franchise. • Don't Be Undone: Special moves, secret abilities, and strategies for boss battles will be detailed to the fullest. • Know Where to Look: Secrets and unlockables will be uncovered with all the where's and how's you need to get it for yourself. \*UNOFFICIAL GUIDE\* Do you want to dominate the game and your opponents?
