Transgressions Aug 15 2021 Big Inner City politics are notoriously corrupt! But are you aware of how deeply the widespread this corruption is? Transgressions: How one man survived Big Inner City Corruption This is the story of how Roger D. Griffin spent his life bumping up against the citys finest police: From having drugs strapped to his body with duct tape as a child and being slashed severely as it was razor-bladed off- to going "undercover" for a fraudulent FBI team to break up a very real V.A. fraud ring. Griffin experienced it all. The center piece of the damning evidence-an erotic audio tape of his children being assaulted at gun point with a police officer crowning proudly in the background during a crack party rave on the outskirts of the drama is a shadowy figure named "Timothy Bakersfield", a pseudonym for the man who will one day rise to the top. This novel is one mans quest to bring justice to those who harmed his children, and along the way combating others seeking to destroy his life and those he deeply loves. In the end, the audio tape gives us a "smoking gun" -Requiring a professionally developed forensic transcript in which the circuit court does not

divulge the identity of the speaker. Griffins tenacious courage lead you down the rough path of misplaced loyalty, greed, and hate to arrive miraculously on the other side intact and willing to carry on the pride. Mr. Timothy Bakersfield Remember my family I am back! No one is above the United States Constitution Supreme Court Federal Rules and Regulations!
