Little Margery eats too many bananas and waits to get sick, but then Willie joins her and they have some adventures. This Combo Collection (Set of 3 Books) includes All-time Bestseller Books. This anthology contains: The Mill on the Floss Persuasion Anna Karenina Perfect for fans of The United States vs. Billie Holiday, this is the fiercely honest, no-holds-barred memoir of the legendary jazz, swing, and standards singing sensation—a fiftieth-anniversary edition updated with stunning new photos, a revised discography, and an insightful foreword by music writer David Ritz Taking the reader on a fast-moving journey from Billie Holiday’s rough-and-tumble Baltimore childhood (where she ran errands at a warehouse in exchange for the chance to listen to Louis Armstrong and Bessie Smith albums), to her emergence on Harlem’s club scene, to sold-out performances with the Count Basie Orchestra and with Artie Shaw and his band, this revelatory memoir is notable for its trenchant observations on the racism that darkened Billie’s life and the heroin addiction that ended it too soon. We are with her during the mesmerizing debut of “Strange Fruit”; with her as she rubs shoulders with the biggest movie stars and musicians of the day (Bob Hope, Lana Turner, Clark Gable, Benny Goodman, Lester Young, Coleman Hawkins, and more); and with her through the scrapes with Jim Crow, spats with Sarah Vaughan, ignominious jailings, and tragic decline. All of this is told in Holiday’s tart, streetwise style and hip patois that makes it read as if it were written yesterday. Enduring the pain of her mother's murder, her father's rejection, and her grandmother's rules, Reva rebels against all positive influences. With an abortion behind her by age fifteen, Reva spirals from one bad decision to the next, with no guidelines to distinguish right from wrong. Intentionally getting pregnant to lure the married man she thinks she loves, Reva constantly flounders to provide for the son she finally bears. Stability eludes her at every turn. Despite the pack of despicable characters doing despicable things, this novel focuses on how abuse and neglect affect Reva over and over again. Her decisions ultimately lead to a juxtaposed life of luxurious living off drug money against the emotional and physical pain her choices create. With her youth stolen, Reva vows to not destroy her future and break the vicious cycle that started in childhood. Reva's life mirrors that of many women who fight racism, poverty, incest, single parenthood, and drugs just to survive. As you read Wages of Sin, you'll be horrified by the actions that feel so real, yet be compelled to turn the page to see what happens next. Happenings of a Fellow from West Texas Who Married an Intriguing Lady from Lima, Peru By Bill Heard, Ph.D. This colorful memoir follows Bill Heard, Ph.D. through various early and mid-life experiences throughout the American Southwest that have shaped him into the man he’s become. It sheds light on his struggle to grow up and finally cross cultural boundaries and enter into the intellectual community. Many of the early happenings occurred during the Great Depression and the dust storms of the Midwest in the 1930s. It was said that, on any day, one-fourth of the American people were on the road looking for work. To that extent, this memoir is historical, as seen through the eyes of a child. Dr. Heard’s storytelling is easy to get caught up in: at times humorous and other times sad, sometimes inspirational, and always interesting. He bares even the most awkward and teaching moments. His story is full of action, with a variety of life experiences with unexpected twists and turns. Dr. Heard aims to present one person’s struggle to grow up and manage his life in the context of such questions as who am I, and how do I become that person? Socrates has said, “The unexamined life is not worth living.” Dr. Heard hopes that others reading the book will find a companion in their own unique struggle to lead an examined life. A beautiful ballerina falls for a ruthless robber baron with a secret past in this hot historical romance set in nineteenth century New York City. Prima ballerina Jennifer Van Vleet knows how to stand tall in trying times. But when her theater burns down shortly after her parents’ mysterious death, her brother Peter believes one man is to blame for both tragedies—and he needs Jennifer’s help to fight back. In New York City by way of Texas, the young robber baron Chantry Kincaid III has a reputation for breaking hearts and breaking rules. Now Peter has arranged for Jennifer to dance at Chantry’s hotel, hoping she can get close enough to the scoundrel to expose him. The trouble is, the closer Jennifer gets to Chance, the less she’s able to resist his sexy, masculine charms. “Joyce Brandon writes a brilliant nineteenth-century Americana romance.” —Affaire de Coeur Confessions of a Failed Southern Lady is Florence King's classic memoir of her upbringing in an eccentric Southern family, told with all the uproarious wit and gusto that has made her one of the most admired writers in the country. Florence may have been a disappointment to her Granny, whose dream of rearing a perfect Southern Lady would never be quite fulfilled. But after all, as Florence reminds us, "no matter which sex I went to bed with, I never smoked on the street." Another addition to the Southern Women series, Alabama Women celebrates women's histories in the Yellowhammer State by highlighting the lives and contributions of women and enriching our understanding of the past and present. Exploring such subjects as politics, arts, and civic organizations, this collection of eighteen biographical essays provides a window into the social, cultural, and geographic milieu of women's lives in Alabama. Featured individuals include Augusta Evans Wilson, Maria Fearing, Julia S. Tutwiler, Margaret Murray Washington, Pattie Ruffner Jacobs, Ida E. Brandon Mathis, Ruby Pickens Tartt, Zelda Sayre Fitzgerald, Sara Martin Mayfield, Bess Bolden Walcott, Virginia Foster Durr, Rosa Parks, Lurleen Burns Wallace, Margaret Charles Smith, and Harper Lee. Contributors: -Nancy Grisham Anderson on Harper Lee -Harriet E. Amos Doss on the enslaved woman surgical patients of J. Marion Sims -Wayne Flynt and Marlene Hunt Rikard on Pattie Ruffner Jacobs -Caroline Gebhard on Bess Bolden Walcott -Staci Simon Glover on the immigrant women in metropolitan Birmingham -Sharony Green on the Townsend Family -Sheena Harris on Margaret Murray Washington -Christopher D. Luke on Margaret Charles Smith -Rebecca Cawood McIntyre on Zelda Sayre Fitzgerald and Sara Martin Mayfield -Rebecca S. Montgomery on Ida E. Brandon Mathis -Paul M. Pruitt Jr. on Julia S. Tutwiler -Susan E. Reynolds on Augusta Evans Wilson -Patricia Sullivan on Virginia Foster Durr -Jeanne Theoharis on Rosa Parks -Susan Youngblood Ashmore on Lurleen Burns Wallace The revised and updated edition, including all-new information on Michelle Obama, Hillary Clinton, Laura Bush, and Betty Ford America's first ladies have captured the hearts of the citizens of our country ever since its humble beginnings. This newly updated edition of The First Ladies Fact Book is a comprehensive, fascinating, and intimate look at the life of each first lady from Martha Washington to Michelle Obama. Each profile includes a portrait, key biographical information, and several additional photographs. Among the topics covered are childhood and upbringing, early marriage years, the path to the White House, hobbies, career, style of dress, and decorating preferences. Find out which first lady: had the most children • served as a delegate to the United Nations • was accused of looting the White House • was a professional dancer • or never cooked a meal. Packed with information and surprising facts, The First Ladies Fact Book combines the breadth of a textbook with the intimacy of a biography. And don't forget to pick-up the companion title, The President's Fact Book -- Revised and Updated (978-1-57912-889-0), also available by Black Dog & Leventhal. First Ladies, Second Edition covers all the women who have held this esteemed "office" since the founding of the United States. Lawmen and Ladies of the Old West Team Up to Track Down Outlaws Mistaken Marshal by Crystal L. Barnes Texas, 1875 First day on the job, Marshal Beau Bones accidentally interrupts a robbery and arrests an outlaw who is disguised as a man. Just as Jo Ross is hiding the God-fearing girl her parents raised, Beau is hiding that he can't shoot and doesn't deserve the town's respect. Is there any way for Beau to free Jo without losing the faith the town has placed in him? On Track for Love by Vickie McDonough Missouri, 1875 A new job and a move to a new state put Railroad Agent Landry Lomax on track to meet Cara Dixon—a spirited woman holding a derringer on a train robber. This stubborn woman is not one he wants around his young sister, but then they end up in the same St. Louis boardinghouse. But could Cara's gumption help him trap a gang of train robbers? Love Conquers Oil by Annette O'Hare Texas, 1901 When a murderous bank robber threatens Fern Fisher's life, she accepts a mail-order bride inquiry and heads for Beaumont, Texas. Only problem is the proposed groom, Jesse Stewart didn't send for her. His memaw did. Will drilling for oil together produce a "gusher" of love, or will their pasts trigger a "blowout" for their fledgling relationship? Rocky Mountain Regrets by Kathleen Y'Barbo Colorado, 1889 While posing as her niece's mother, Eloise Broderick travels to Colorado to find her brother with the help of Zeke Potter, a man renowned for tracking skills. But when Zeke realizes the man Eloise seeks is the same man he blames for his family's death, will he use Eloise to get vengeance? So Much to Tell is a poetry book about a woman name Brittany who has been through so much as a child and wants the world to know what she has been through. I am willing to help people and give people advice on anythingabused relationships, pain, and headaches, stress, and most of all, bullying. A young woman becomes a strong woman. Brittany Conrod tells the world about her life. The pain she had to go through. Brittany had a dream that came true in real life, growing up not saying a word about bad life. As a child, she saw things that kids were not supposed to see; Brittany testifies to the world in short poems about her being a strong woman. Brittany has so much to tell. All my school life, I have been bullied. All through my child years, I have been raped and molested. I saw my stepdad, Wiley Williams, and my mother, Sherie Williams, fight and hurt each other. I watched my mother cry. I have been in and out of the shelter, not having anywhere to go. At sixteen, I finally stepped up and got saved because all I saw was violence in my life. I am a kind-hearted person who loves to smile. I am now nineteen years old; I will be twenty on March 24, 2013, and I want to tell my story to all the people. With my story, I want to help people who want to be helped by me telling my story. I hope I can get a person to step out and get save so they can live a better life. I have so much to tell. The idea of this women's magazine originated with Samuel Williams, a Cincinnati Methodist, who thought that Christian women needed a magazine less worldly than Godey's Lady's Book and Snowden's Lady's Companion. Written largely by ministers, this exceptionally well-printed little magazine contained well-written essays of a moral character, plenty of poetry, articles on historical and scientific matters, and book reviews. Among western writers were Alice Cary, who contributed over a hundred sketches and poems, her sister Phoebe Cary, Otway Curry, Moncure D. Conway, and Joshua R. Giddings; and New England contributors included Mrs. Lydia Sigourney, Hannah F. Gould, and Julia C.R. Dorr. By 1851, each issue published a peice of music and two steel plates, usually landscapes or portraits. When Davis E. Clark took over the editorship in 1853, the magazine became brighter and attained a circulation of 40,000. Unlike his predecessors, Clark included fictional pieces and made the Repository a magazine for the whole family. After the war it began to decline and in 1876 was replaced by the National Repository. The Ladies' Repository was an excellent representative of the Methodist mind and heart. Its essays, sketches, and poems, its good steel engravings, and its moral tone gave it a charm all its own. -- Cf. American periodicals, 1741-1900. Short stories from the lives of the residents of Blue Valley, a small town in eastern Kentucky. From the creator and director of Transparent and Emmy nominated writer for Six Feet Under comes a hilarious and unforgettable memoir. When Jill Soloway was just thirteen, she and her best friend donned the tightest satin pants they could find, puffed up their hair and squeezed into Candies heels, then headed to downtown Chicago in search of their one-and-only true loves forever: the members of whichever rock band was touring through town. Never mind that both girls still had braces, coke-bottle-thick glasses and had only just bought their first bras...they were fabulous, they felt beautiful, they were tiny ladies in shiny pants. Now that Jill is all grown up and a successful writer and producer, she can look back on her tiny self and share her shiny tales with fondness, absurdity, and obsessive-compulsive attention to even the most embarrassing details. From the highly personal (conflating her own loss of virginity and the Kobe Bryant accusations), to the political (what she has in common with Monica and Chandra), to the outrageously Los Angelean (why women wear huge diamonds and what they must do to get them), Tiny Ladies in Shiny Pants is a genre-defying combination of personal essay and memoir, or a hilarious, unruly and unapologetic evaluation of society, religion, sex, love, and—best of all—Jill. A Million Dollar Man not a Dime from a Dozen is a non-fiction book about a young lady's ups and downs with twelve men who were millionaires. Traces the author's experiences as a first-generation African American raised in the Northern ghettos of Harlem in the mid-20th century, an upbringing marked by violence, drugs and devastating urban disadvantages. "Perfect Behavior: A Guide for Ladies and Gentlemen in All Social Crises" by Donald Ogden Stewart. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. A sweeping love story set in a lavish seaside mansion in 1901 Rhode Island. Melinda Hollister is a society lady, intent on finding a rich husband before her peers discover her quickly diminishing wealth. Nick Bryson is all business, focused on making a name for himself in his father's teamship line. Despite the marriage of their siblings, they rarely gave each other a second glanceuntil a tragic accident results in Melinda and Nick being appointed as co-guardians of their three-year-old niece Nell. In order to get better acquainted with Nell and one another, Melinda and Nick agree to spend the summer in their own private quarters of the Bryson family vacation home, Summerhill. As their love for Nell grows, so does their attraction to each other. And for the first time in their lives, they sense that God has a bigger plan in motion. Yet old habits die hard and Melinda and Nick each find it difficult to resist the pull of their former worlds. When the unthinkable happens, they find themselves faced with seemingly impossible choices and a new understanding of God's true love. Despite efforts of contemporary reformers to curb the availability of dime novels, series books, and paperbacks, Pioneers, Passionate Ladies, and Private Eyes reveals how many readers used them as means of resistance and how fictional characters became models for self-empowerment. These literary genres, whose value has long been underestimated, provide fascinating insight into the formation of American popular culture and identity. Through these mass-produced, widely read books, Deadwood Dick, Old Sleuth, and Jessie James became popular heroes that fed the public's imagination for the last western frontier, detective tales, and the myth of the outlaw. Women, particularly those who were poor and endured hard lives, used the literature as means of escape from the social, economic, and cultural suppression they experienced in the nineteenth century. In addition to the insight this book provides into texts such as “The Bride of the Tomb,” the Nick Carter Series, and Edward Stratemeyer’s rendition of the Lizzie Borden case, readers will find interesting information about: the roles of illustrations and covers in consumer culture Bowling Green’s endeavor to digitize paperback and pulp magazine covers bibliographical problems in collecting and controlling series books the effects of mass market fiction on young girls Louisa May Alcott’s pseudonym and authorship of three dime novels special collections competition among publishers A collection of work presented at a symposium held by the Library of Congress, Pioneers, Passionate Ladies, and Private Eyes makes an outstanding contribution to redefining the role of popular fiction in American life. In this historical western romance by the author of Swan Bride, a Boston firebrand and a hard-riding scout discover a passion the defies the wild frontier. In the years after the Civil War, Miss India Simms leaves the comforts of Boston to preach women’s rights throughout the Wyoming Territory. The raw town of Cheyenne is a shock to the petite aristocrat and so is her guide, Gat Ransom. His rough-hewn appearance and quick, good-natured smile embodied the contradictions of the West. But his scarred, taut power set disturbing, unfamiliar feelings pounding through India’s veins. India and Ransom ride the sweeping plains and towering forests, sharing a deep need for freedom and a sensuous promise. Only when they cast off their stubborn pride would they know the bliss of pure surrender and the fiery love that burns between them. In age of elegance and excess, Lilly Westbrook longs for a love both true and eternal. Newport, Rhode Island, 1899, is a place of shimmering waves, sleek yachts, and ladies of leisure. Of opulent mansions that serve as summer cottages for the rich and famous. Home of railroad magnates and banking tycoons—dashing young men and the women who aspire to marry them. But it’s not the place for lady novelists. Especially not those who pen disreputable dime novels. This poses a problem for Lilly Westbrook, because that’s exactly what she does. No one in Lilly’s social set knows she pens fiction under the nom de plume Fannie Cole. Not her family or the wealthy young man about to propose to her. And especially not Jackson Grail, the long-lost beau who just bought her publishing company...and who stirs her heart more than she cares to admit. But Lilly must put aside her feelings and follow the path that will maintain her family's social stature and provide the financial security that everyone is depending on. Now Lilly faces a double dilemma. Can she continue to protect her secret identity? And will she have the courage to choose the man who will risk it all just to win her heart? At the beginning of the twentieth century, labor leaders in women's unions routinely chastised their members for their ceaseless pursuit of fashion, avid reading of dime novels, and "affected" ways, including aristocratic airs and accents. Indeed, working women in America were eagerly participating in the burgeoning consumer culture available to them. While the leading activists, organizers, and radicals feared that consumerist tendencies made working women seem frivolous and dissuaded them from political action, these women, in fact, went on strike in very large numbers during the period, proving themselves to be politically active, astute, and effective. In Ladies of Labor, Girls of Adventure, historian Nan Enstad explores the complex relationship between consumer culture and political activism for late nineteenth- and twentieth-century working women. While consumerism did not make women into radicals, it helped shape their culture and their identities as both workers and political actors. Examining material ranging from early dime novels about ordinary women who inherit wealth or marry millionaires, to inexpensive, ready-to-wear clothing that allowed them to both deny and resist mistreatment in the workplace, Enstad analyzes how working women wove popular narratives and fashions into their developing sense of themselves as "ladies." She then provides a detailed examination of how this notion of "ladyhood" affected the great New York shirtwaist strike of 1909--1910. From the women's grievances, to the walkout of over 20,000 workers, to their style of picketing, Enstad shows how consumer culture was a central theme in this key event of labor strife. Finally, Enstad turns to the motion picture genre of female adventure serials, popular after 1912, which imbued "ladyhood" with heroines' strength, independence, and daring. That body of hers wasn't one I could forget. So fat that was all I knew about her. But even if I had known all about her, what she really was, it wouldn't have changed anything. Because it had already started when she walked into my room in her bathing suit. It had started, all right, and it was a smoldering fire inside me. And in her own sweet time she came for me. A complete manual for those who desire to understand the rules of good breeding, the customs of good society, and to avoid incorrect and vulgar habits. Such as: Clear and Comprehensive Directions for Correct Manners, Dress, and Conversation; Instructions for Good Behavior at Dinner Parties, and the Table, with Hints on the Art of Carving and Taking Wine at Table Together with the Etiquette of the Ball and Assembly Room, Evening Parties Department in the Street and when Traveling And the Usages to be Observed when Visiting or Receiving Calls In addition to this readers will also master the etiquette of courtship, marriage, domestic duties, and fifty-six rules to be observed in general society. In the wake of SARS and H1N1, this story of medical health officer Dr. Fred Underhill and his battle against the 1918 Spanish influenza that killed 25 to 50 million people worldwide is particularly relevant. Underhill is symbolic of the senior public health officers in cities across Canada and the U.S. who mounted the best defence they could against the killer flu. His vision, his tireless efforts, and his dialogue with colleagues in Seattle and elsewhere saved many lives. And his patient advice and findings are still relevant today as we await the new viral epidemics that undoubtedly lie ahead. In their enlightening account of the events of that era, authors O'Keefe and Macdonald have crafted a compelling story of people coming together in a time of crisis.

When somebody should go to the books stores, search establishment by shop, shelf by shelf, it is essentially problematic. This is why we present the ebook compilations in this website. It will utterly ease you to see guide **Love On A Dime Ladies Of Summerhill 1 Cara Lynn James** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections.
