**Irishness and Womanhood in Nineteenth-Century British Writing** Oct 06 2020 In *The Wild Irish Girl*, the powerful Irish heroine's marriage to a heroic Englishman symbolizes the Anglo-Irish novelist Lady Morgan's re-imagining of the relationship between Ireland and Britain and between men and women. Using this most influential of pro-union novels as his point of departure, Thomas J. Tracy argues that nineteenth-century debates over what constitutes British national identity often revolved around representations of Irishness, especially Irish womanhood. He maps out the genealogy of this development, from Edgeworth's *Castle Rackrent* through Trollope's Irish novels, focusing on the pivotal period from 1806 through the 1870s. Tracy's model enables him to elaborate the ways in which gender ideals are specifically contested in fiction, the discourses of political debate and social reform, and the popular press, for the purpose of defining not only the place of the Irish in the union with Great Britain, but the nature of Britishness itself.

The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

*Conflict of Laws* Jun 25 2022 In her casebook Conflict of Laws, now in its second edition, internationally respected teacher and scholar Laura Little offers a progressive, innovative approach to teaching complex material. She brings to the subject her drafting and advocacy expertise as the Associate Reporter for the Restatement (Third) Conflict of Laws, authorized by the American Law Institute in 2014. In a subject where there is plenty of room for debate and analysis, this casebook

offers a contemporary alternative to the subject by connecting coverage of key concepts to law practice using modern cases and problem pedagogy. With its modular design, clear writing, comprehensive Teacher's Manual and online support, the text is highly teachable and has proven a road-tested favorite with both students and professors. Key Features Entirely new domestic relations sections throughout the book in light of the U.S. Supreme Court's Obergefell decision, including analysis of Supreme Court follow-up cases Detailed references to the proposed Restatement (Third), drawing from the author's work as an Associate Reporter drafting and developing the new restatement of the law Streamlined personal jurisdiction section, presenting the recent U.S. Supreme Court cases in Bristol Myers Squibb and Daimler Updated international law material, including discussion of the new British Defamation Act (and its impact on libel tourism) and the European Union's elimination of exequatur for judgment recognition

*American Conflicts Law: Cases and Materials (2015)* Sep 28 2022 The Sixth Edition of American Conflicts Law: Cases and Materials continues the organizational pattern of the Fifth Edition, along

with the problem approach adopted there. However, in Chapters 8, dealing with the Erie doctrine, and Chapter 10, dealing with the topic of personal jurisdiction, there have been extensive updates and additions. Chapter 8 has been compressed by inclusion of an extensive note following the Supreme Court's decision in *Burlington Northern Railroad v. Woods*, 480 U.S. 1 (1987). The note traces developments after *Burlington Northern* and before the Supreme Court's latest decision in *Shady Grove Orthopedic Associates v. Allstate Insurance Co.*, 518 U.S. 415 (2010). The note replaces a number of cases that were formerly reprinted in the casebook and eliminates the tedium of covering those cases in their entirety. Together with problems and additional note material following the *Shady Grove* case, the new materials provide a comprehensive but eminently teachable package for the topic. In Chapter 10, four principal cases have been added to update the Supreme Court's continuing activity in the personal jurisdiction area. *Goodyear Dunlop Tires Operations, S.A. v. Brown*, 564 U.S. \_\_\_, 131 S. Ct. 2846 (2011) and *Daimler AG v. Bauman*, 571 U.S. \_\_\_, 134 S. Ct. 746 (2013) are the Court's latest decisions in the area of "general jurisdiction." They have been added to the chapter with appropriate note material. In the area of "specific jurisdiction," the Court's recent decisions in *McIntyre Machinery, Ltd. v. Nicastro*, 564 U.S. \_\_\_, 131 S. Ct. 2780 (2011) and *Walden v. Fiore*, 571 U.S. \_\_\_, 134 S. Ct. 1115 (2014), have been added, also with appropriate note material. The eBook versions of this title feature links to Lexis Advance for further legal research options.

[Ben and the Art of Lawnmower Maintenance](#) Jan 01 2023 The average American spends 70 hours per year, the equivalent of nearly two full work weeks, on lawn and garden care. For some, lawn care is an onerous task, grudgingly accomplished, and for others it is a source of personal pride and accomplishment. Over the past four decades, author John B. Marek has variously and intermittently fallen into both camps. In *Ben and the Art of Lawnmower Maintenance*, he weaves humorous personal anecdotes with fascinating historical facts, and recounts his father's homespun wisdom alongside insight gained from his own suburban homesteading experiences.

[National Construction Estimator 2019](#) Nov 26 2019 Current building costs for residential, commercial, and industrial construction. Estimated prices for every common building material, the labor cost to install the material and a total "installed" cost. For those jobs where you can't rely on your past experience to estimate, rely on the prices in this national standard of construction costs to get you safely in the ballpark. Provides manhours, recommended crew, and the labor cost for installation of every job and practically every type of material in construction. Provides clear descriptions on what is included in the job being estimated so you know exactly what the job and the prices for that job entail. Every cost is carefully described. It even provides suggested crew sizes, and equipment rates.
