Our books collection spans in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the Marmee And Louisa The

Untold Story Of May Alcott Her Mother Eve Laplante is universally compatible with any devices to read

Little Women, Louisa May Alcott's most famous novel, is based on the author's own life growing up in the years before the American Civil War, and Jo March, the main character, is her alter ego. An eye-opening look at Little Women author Louisa May Alcott's time as a Civil War nurse, and the far-reaching implications her service had on her writing and her activism Louisa on the Frontlines is the first narrative nonfiction book focusing on the least-known aspect of Louisa May Alcott's career - her time spent as a nurse during the Civil War. Though her service was brief, the dramatic experience was one that she considered pivotal in helping her write the beloved classic Little Women. It also deeply affected her tenuous relationship with her father, and inspired her commitment to abolitionism. Through it all, she kept a journal and wrote letters to her family and friends.

These letters were published in the newspaper, and her subsequent book, *Hospital Sketches* spotlighted the dire conditions of the military hospitals and the suffering endured by the wounded soldiers she cared for. To this day, her work is considered a pioneering account of military nursing. Alcott's time as an Army nurse in the Civil War helped her find her authentic voice--and cemented her foundational belief system. *Louisa on the Frontlines* reveals the emergence of this prominent feminist and abolitionist--a woman whose life and work has inspired millions and continues to do so today, ""By all means, buy this book for your wife or daughters who will love it. But first, immerse yourself. Louisa's journal lends a gripping realism; the reader breathes the same air, and shudders at her untold dangers while gaining insight into the Creek nation far removed from the 'Injuns' of cowboy films."" - David O'Carroll OBE, Family History Author and Blogger *All Louisa Wilton knows* are her books, her pianoforte, and how to entertain her refined friends at her

family's stately white-columned home. However, change soon comes to Louisa's world. In 1818, her family strikes out for the promised land- the wilds of Alabama. Relatives die. Indians terrify her, while men, once unimportant, both intrigue and annoy her. Louisa's journal captures her travels, deepest thoughts, and unbridled passions, revealing a fiercely independent, saucy woman with a keen mind. Discover the wilds of Alabama with Louisa- if she lives to tell the tale. An account of the life of Louisa May Alcott explores her life in the context of her works, all of which are to some extent autobiographical. Raised in a swamp by a mad witch, poor Louisa grew up with one goal in mind: to marry a wealthy man, then inherit his lands and money by whatever means it takes. And Louisa may well succeed, for she is a stunning beauty with the manners of an angel. At last she sets off to make her fortune . . . and with the help of her vial of undetectable poison, she soon finds her first victim. A dazzlingly dark fantasy, as only Tanith Lee could write it! Taking a job as an

assistant to extreme sports enthusiast Will, who is wheelchair bound after a motorcycle accident, Louisa struggles with her employer's acerbic moods and learns of his shocking plans before demonstrating to him that life is still worth living. Fans of Netflix's *On My Block* and readers of Elizabeth Acevedo and Angie Thomas will love this debut novel about a girl whose life is turned upside down after one local act of vandalism throws both her relationships and neighborhood into turmoil. Chinelo, or Nelo as her best friend Kate calls her, is all about her neighborhood Ginger East. She loves its chill vibe, ride-or-die sense of community, and the memories she has growing up there with her friends. Ginger East isn't what it used to be though. After a deadly incident at the local arcade, most of her friends' families moved away. Kate, whose family owns the local corner store, is still there and as long as that stays constant, Nelo's good. When Kate's parent's store is vandalized and the vandal still at large, Nelo is shaken to her core. And then the police

and the media get involved and more of the outside world descends upon Ginger East with promises to "fix the neighborhood." Suddenly, Nelo finds herself in the middle of a drama unfolding on a national scale. Worse yet, Kate is acting strange. She's pushing Nelo away at the exact moment they need each other most. Now Nelo's entire world is morphing into something she hates and she must figure out how to get things back on track or risk losing everything--and everyone--she loves.

LOUISA MAY ALCOTT is universally recognized as the greatest and most popular story-teller for children in her generation. She has known the way to the hearts of young people, not only in her own class, or even country, but in every condition of life, and in many foreign lands. Plato says, "Beware of those who teach fables to children;" and it is impossible to estimate the influence which the popular writer of fiction has over the audience he wins to listen to his tales. During the recent renovations of the Orchard House in Concord, Massachusetts—home of the famed Alcott

family—workmen repairing rotting beams discovered a handwritten manuscript tightly rolled into a bottle and buried in the earthen floor of what was once the root cellar. Conservators from Harvard University's Peabody Museum date the manuscript from the late 1800s. Although the title page bears no signature, there can be little doubt of its authenticity or its author. The text, published for the first time, will no doubt offend scholars—while capturing the prurient imagination of many readers. The author's true purpose is lost to us, save for hints throughout suggesting that writing this *mémoire d'amour* served as a cathartic exercise. Only the manuscript remains, and it is offered in unexpurgated form here. Louisa May Alcott, author of the classic *Little Women*, consort of Emerson, Thoreau and Hawthorne, beloved icon of professors of American 19th-century literature and perhaps less loved by their legions of students, had a lusty side that was less academic, and more . . . transcendental than any of us knew. Brilliantly penned by a well-known writer who prefers the cloak

of anonymity to the vulgar embrace of rude fame (of which s/he has no need), this hilarious little book reveals the unbridled passion-that-might-have-been of one of the world's most popular authors. A vividly written tome that just might tell us more about the sowing of transcendental wild oats than any ream of volumes on the subject, *Fifty Shades of Louisa May* is not for the weak of art, or for those who prefer their literary icons under glass. It imagines an unhinged Melville doing what comes naturally, a Centennial Ball unlike any heretofore described, Louisa May's ardent encounters with her "Wooden Friend," and much, much more. Explicitly illustrated with X-rated woodcuts. "Filled with local stories and anecdotes and containing an impressive range of photographs-from snapshots of veterans of the War Between the States to high school class pictures from the 1950s; from early images of the resort area to photographs documenting recent changes to Louisa-this new book will earn a lasting place on area bookshelves and will be handed down from generation to generation for years to

come. Louisa and Louisa County will be enjoyed by older folk as a trip down memory lane, and appreciated by younger generations as a glimpse of an era when life was harder, but perhaps simpler. Also a valuable source of information for newcomers to the area, this powerful work serves to remind us of the importance of understanding our past and preserving our heritage in our march toward the twenty-first century"--Back cover

Only he can read the words hidden inside her heart. No one would ever guess that Lady Louisa, the most reserved of the Duke of Moreland's daughters, had published a book of racy poems under a pseudonym on a dare. Before she can buy and destroy all of the copies, a dastardly fortune hunter seeks to compromise her reputation by revealing her secret identity at a holiday ball. Before she can be publicly ruined, close family friend Sir Joseph Carrington saves the day by offering to marry Louisa. As he recites poetry to her, waltzes with her by starlight, and showers her with lovely kisses, they both begin to discover that their match may be the best Christmas gift

either has ever received... Draws from diaries and correspondence to chronicle John Quincy Adams's experience serving as U.S. envoy to Russia and his role in ending the War of 1812, while also detailing his wife Louisa's trials as a diplomatic spouse. From the author of *Mind and Matter*, an intimate portrait of Louisa Catherine Adams, the wife of John Quincy Adams, who witnessed firsthand the greatest transformations of her time Born in London to an American father and a British mother on the eve of the Revolutionary War, Louisa Catherine Johnson was raised in circumstances very different from the New England upbringing of the future president John Quincy Adams, whose life had been dedicated to public service from the earliest age. And yet John Quincy fell in love with her, almost despite himself. Their often tempestuous but deeply close marriage lasted half a century. They lived in Prussia, Massachusetts, Washington, Russia, and England, at royal courts, on farms, in cities, and in the White House. Louisa saw more of Europe and America than nearly any

other woman of her time. But wherever she lived, she was always pressing her nose against the glass, not quite sure whether she was looking in or out. The other members of the Adams family could take their identity for granted—they were Adamses; they were Americans—but she had to invent her own. The story of Louisa Catherine Adams is one of a woman who forged a sense of self. As the country her husband led found its place in the world, she found a voice. That voice resonates still. In this deeply felt biography, the talented journalist and historian Louisa Thomas finally gives Louisa Catherine Adams's full extraordinary life its due. An intimate portrait of a remarkable woman, a complicated marriage, and a pivotal historical moment, Louisa Thomas's biography is a masterful work from an elegant storyteller. Truly one of the most remarkable women of the nineteenth century, Alcott spent part of her childhood in an experimental Utopian community, received lessons from Henry David Thoreau and Nathaniel Hawthorne, served as a volunteer nurse during the

Civil War, and became one of America's most beloved writers by penning an impressive collection of children's tales, novels, and essays. In this 1889 work, Ednah D. Cheney takes an in-depth look at Alcott's life, piecing together her biography with excerpts from her journals and personal correspondence. Alcott's journal entries, in particular, showcase her wit and sharpness with gems like "Stories simmered in my brain, demanding to be writ; but I let them simmer, knowing that the longer the divine afflatus was bottled up the better it would be." A New York Times bestseller John Urschel, mathematician and former offensive lineman for the Baltimore Ravens, tells the story of a life balanced between two passions. For John Urschel, what began as an insatiable appetite for puzzles as a child developed into mastery of the elegant systems and rules of mathematics. By the time he was thirteen, Urschel was auditing a college-level calculus course. But when he joined his high school football team, a new interest began to eclipse the thrill he felt in the classroom. Football

challenged Urschel in an entirely different way, and he became addicted to the physical contact of the sport. After he accepted a scholarship to play at Penn State, his love of math was rekindled. As a Nittany Lion, he refused to sacrifice one passion for the other. Against the odds, Urschel found a way to manage his double life as a scholar and an athlete. While he was an offensive lineman for the Baltimore Ravens, he simultaneously pursued his PhD in mathematics at MIT. Weaving together two separate narratives, Urschel relives for us the most pivotal moments of his bifurcated life. He explains why, after Penn State was sanctioned for the acts of former coach Jerry Sandusky, he declined offers from prestigious universities and refused to abandon his team. He describes his parents' different influences and their profound effect on him, and he opens up about the correlation between football and CTE and the risks he took for the game he loves. Equally at home discussing Georg Cantor's work on infinities and Bill Belichick's playbook, Urschel reveals how

each challenge—whether on the field or in the classroom—has brought him closer to understanding the two different halves of his own life, and how reason and emotion, the mind and the body, are always working together. “So often, people want to divide the world into two,” he observes. “Matter and energy. Wave and particle. Athlete and mathematician. Why can’t something (or someone) be both?” A great niece and cousin of Louisa May Alcott draws on newly uncovered family papers to present a revisionist portrait of Louisa's relationship with her mother, discussing how Abigail May served as the intellectual and emotional center of Louisa's life.

LOUISA'S SECRET When Louisa's ballet class have to choose partners, her new neighbour Tony is the perfect choice. But Tony thinks ballet lessons are for wimps!

LOUISA IN THE WINGS A Russian ballet company comes to town and Louisa is desperate to see them. She tries to raise the money for the tickets but it's all sold out! Can anyone help her?

A RIVAL FOR LOUISA At first, Louisa doesn't like Phoebe, the new girl in her ballet class.

But they soon find out they have more in common than they thought... Louisa May Alcott can't believe it—her mother is leaving for the summer to earn money for the family and Louisa is to be in charge of the household. How will she find the time to write her stories, much less have any adventures of her own? But before long, Louisa finds herself juggling her temperamental father, a mysterious murder, a fugitive seeking refuge along the Underground Railroad, and blossoming love. Intertwining fact, fiction, and quotes from *Little Women*, Michaela MacColl has crafted another spunky heroine whose story will keep readers turning pages until the very end. When Louisa May Alcott's *Little Women* was published in 1868 it was an instant success. Louisa drew on her experiences in writing the novel, but there's a lot more to her rags-to-riches story. Louisa came from a family that was poor but freethinking, and she started teaching when she was only seventeen years old. But writing was her passion. This informative biography captures the life of a compassionate woman who left an

indelible mark on literature for all ages. Chronicles the life and literary success of the author of the enduring classic, "Little Women" Louisa the pig writes anonymous letters to Farmer Joe complaining about conditions on the farm. Two sisters in Victorian England describe the summer they had no governess and thus were able to entomologise as much as they liked. Long before she will achieve fame as the author of Little Women, Louisa May Alcott is writing stories of a more dark and mysterious nature. But nothing prepares her for the role of amateur detective she assumes when the body of her dear friend, wealthy newlywed Dorothy Wortham, is found floating in Boston's harbor. It's well known that Dorothy's family didn't approve of her husband, a confirmed fortune hunter, but Louisa suspects that some deeper secret lies behind her friend's tragic murder... Dee Forest joins forces with her best friend, a nineteenth-century ghost named Louisa Lockwood, to investigate the mystery of the ghost ferry and to stop a ring of lobster poachers. Depicts the lives of the

Adams women, including Abigail Adams, and her sisters Mary Cranch and Elizabeth Shaw Peabody, Nabby Adams Smith, Nancy Harrod Adams, and Louisa Johnson Adams. The photographic album documents the pre-1865 home places in Louisa County, Virginia and their associated builders/owners. Madelon Louisa Stockwell (1845-1924) was the daughter of Charles Franklin Stockwell (1817-1850) and Louisa Peabody (1819-1904). She was born in Albion, Michigan. In 1873 she married Charles King Turner (1843-1880). From 1856 to 1860 Madelon kept a journal. This portfolio contains eighteen documents and photographs which "attempt to share some of the images and ideas that influenced her writing." It includes a time line; family obituaries and genealogy on the Stockwell and Peabody lines; maps of Albion; reprints of newspaper articles from The Albion weekly mirror, 1856-1857; articles on mid-19th century life; and other documents A revisionist profile of the author of "Little Women" and other classics draws on extensive research using Alcott's journals and correspondence to

cover such topics as her embrace of untraditional roles and her early death. Norman Thomas and his brothers' upbringing prepared them for a life of service-but their calls to conscience threatened to tear them apart. Conscience is Louisa Thomas's beautifully written account of the remarkable Thomas brothers at the turn of the twentieth century. At a time of trial, each brother struggled to understand his obligation to his country, family, and faith. Centered around the story of the eldest, Norman Thomas (later the six-time Socialist candidate for president), the book explores the difficult decisions the four brothers faced with the advent of World War I. Sons of a Presbyterian minister and grandsons of missionaries, they shared a rigorous moral upbringing, a Princeton education, and a faith in the era's spirit of hope. Two became soldiers. Ralph enlisted right away, heeding President Woodrow Wilson's call to fight for freedom. A captain in the Army Corps of Engineers, he was ultimately wounded in France. Arthur, the youngest, was less certain about the

righteousness of the cause but sensitive to his obligation as a citizen-and like so many men eager to have a chance to prove himself. The other two were pacifists. Evan became a conscientious objector, protesting conscription; when the truce was signed on November 11, 1918, he was in solitary confinement. Norman left his ministry in the tenements of East Harlem, New York, and began down the course he would follow for the rest of his life, fighting for civil liberties, social justice, and greater equality, and against violence as a method of change. Conscience reveals the tension among responsibilities, beliefs, and desires, between ideas and actions-and, sometimes, between brothers. Conscience moves from the gothic buildings of Princeton to the tenements of New York City, from the West Wing of the White House to the battlefields of France, tracking how four young men navigated a period of great uncertainty and upheaval. A Thomas family member herself (Norman was Louisa's great grandfather), Thomas proposes that there is something we might recover from the

brothers' debates about conscience: a way of talking about personal liberty and social obligation, about being true to oneself and to one another. Biography tracing the fascinating life of Louisa May Alcott from her happy childhood in Pennsylvania and Boston to her success as a writer of such classics as *Little Women*. Originally published in two volumes in 1868 and 1869, "*Little Women*" is a novel by American author Louisa May Alcott. Based on her own life, the story follows the four sisters—Meg, Jo, Beth and Amy—and chronicles their transition from childhood to womanhood. "*Little Women*" became incredibly popular when first published and remains widely-read today. Louisa May Alcott (1832 – 1888) was an American short story writer, novelist, and poet most famous for writing this novel, as well as its sequels "*Little Men*" and "*Jo's Boys*". She grew up in New England and became associated with numerous notable intellectuals of her time, including Nathaniel Hawthorne, Ralph Waldo Emerson, Henry Wadsworth Longfellow, and Henry David Thoreau. Other notable works by this

author include: "An Old-Fashioned Girl" (1886), "Eight Cousins" (1869), and "A Long Fatal Love Chase" (1875). Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork. Happy Birthday Una is a personalized kids activity book, it includes personalized crosswords, word searches, number puzzles, jokes, drawing and coloring >It is suitable for children between 6-11 years old It is the perfect birthday present for Una, and is a great keepsake for parents to remember their child's early years and birthdays This personalized book is available for other names also This is a great gift for children and an amazing keepsake for parents Happy Birthday Una In this moving and timeless story, award-winning author L. M. Elliott captures life on the U.S. homefront during World War II, weaving a rich portrait of a family reeling from loss and the chilling yet hopeful voyage of fighting for what matters, perfect for

fans of *The War That Saved My Life*. Days after Japan's attack on Pearl Harbor in 1941, Hitler declared war on the U.S., unleashing U-boat submarines to attack American ships. Suddenly, the waves outside Louisa June's farm aren't for eel-fishing or marveling at wild swans or learning to skull her family's boat—they're dangerous, swarming with hidden enemies. Her oldest brothers' ships risk coming face-to-face with U-boats. Her sister leaves home to weld Liberty Boat hulls. And then her daddy, a tugboat captain, and her dearest brother, Butler, are caught in the crossfire. Her mama has always swum in a sea of melancholy, but now she really needs Louisa June to find moments of beauty or inspiration to buoy her. Like sunshine-yellow daffodils, good books, or news accounts of daring rescues of torpedoed passengers. Determined to help her Mama and aching to combat Nazis herself, Louisa June turns to her quirky friend Emmett and the indomitable Cousin Belle, who has her own war stories—and a herd of cats—to share. In the end, after a perilous sail, Louisa June learns the

greatest lifeline is love. When Louisa and Bear meet at Princeton in 1975, sparks fly. Louisa is the sexually adventurous daughter of a geneticist, Bear the volatile son of a plumber. They dive headfirst into a passionate affair that will alter the course of their lives, changing how they define themselves in the years and relationships that follow. Lisa Gornick's *Louisa Meets Bear* is a gripping novel in interconnected stories from an author whose work "starts off like a brush fire and then engulfs and burns with fury" (The Huffington Post). Reading *Louisa Meets Bear* is like assembling a jigsaw puzzle, as we uncover the subtle and startling connections between new characters and the star-crossed lovers. We meet a daughter who stabs her mother when she learns the truth about her father, a wife who sees herself clearly after finding a man dead on her office floor, a mother who discovers a girl in her teenage son's bed. Each character is striking, each rendered with Gornick's trademark sympathy and psychological acuity. We follow them over the course of a half

century, from San Francisco to New York City and from Guatemala to Venice, through pregnancies, tragedies, and revelations, until we return to Louisa and Bear. With flawed and deeply human characters, and piercing insight into the lives of women, *Louisa Meets Bear* grapples with whether we can--or can't--choose how and whom we love. An innocent letter is only dangerous when it falls into the wrong hands. Louisa Rosemeyer is a lady with no money, no parents, and, regrettably, no husband. Left with no place to go, she writes a letter to her aunt, Mrs. Irwin, asking for an invitation to live with her. Ever cautious and optimistic, Louisa hopes the trip will bring the new beginning she has been searching for. After being forced out of his childhood home, Jack Warwick lets Mrs. Irwin's house, happy to be away from his family and their many squabbles. Haunted by his past, he drowns his loneliness in drink, and with it, his better judgement. When a letter arrives at his new house, addressed to the previous occupant, Mrs. Irwin, from her niece, Jack writes an incoherent reply, inviting the

young lady to come stay...an event which his drinking causes him to forget. When the chaos surrounding Louisa's untimely arrival at Jack's house causes a scandal, there is only one way to mend her reputation: Marriage. As Jack's feelings for Louisa grow, he realizes there is only one way to mend himself: To be loved by Louisa. Devastated to be married to a near stranger, and a scoundrel at that, Louisa closes off her heart. She has always planned to marry for love. But she quickly learns that love has plans of its own.

With Love, Louisa is a sweet and clean regency romance novel, book three in the Larkhall Letters series. Each book stands alone, but is best enjoyed when read in the order below. Books in the Larkhall Letters series: Book 1: The Ace of Hearts Book 2: The Captain's Confidant Book 3: With Love, Louisa From the author of Mind and Matter, an intimate portrait of Louisa Catherine Adams, the wife of John Quincy Adams, who witnessed firsthand the greatest transformations of her time Born in London to an American father and a British mother on the eve of the

Revolutionary War, Louisa Catherine Johnson was raised in circumstances very different from the New England upbringing of the future president John Quincy Adams, whose life had been dedicated to public service from the earliest age. And yet John Quincy fell in love with her, almost despite himself. Their often tempestuous but deeply close marriage lasted half a century. They lived in Prussia, Massachusetts, Washington, Russia, and England, at royal courts, on farms, in cities, and in the White House. Louisa saw more of Europe and America than nearly any other woman of her time. But wherever she lived, she was always pressing her nose against the glass, not quite sure whether she was looking in or out. The other members of the Adams family could take their identity for granted—they were Adamses; they were Americans—but she had to invent her own. The story of Louisa Catherine Adams is one of a woman who forged a sense of self. As the country her husband led found its place in the world, she found a voice. That voice resonates still. In this deeply felt biography, the
