French Phrases Vol.1 Mar 22 2022 French Phrases Vol.1: English & French THIS EDITION: French Phrases seeks to bridge the gap between knowing individual words and knowing how to create or understand sentences. Sentences are phrases or a combination of phrases, and phrases are a combination of words. The simplest phrases are the simplest ways of combining words. Exposure to a wide variety of phrases,

especially in increasing complexity, provides the basis for obtaining a solid grasp of a new language. The reason being, phrases can be combined with other phrases to create endless possibilities in language. French Phrases contains a wide variety of phrases, but it also demonstrates how phrases can increase in complexity - through the inclusion of individual words or other phrases. The reader can choose between four formats: Section 1: English to French Section 2: French to English Section 3: English Section 4: French The text can be used to obtain a fundamental grasp of French grammar. An understanding of the rules that underpin the way words combine into phrases, or phrases combine into sentences, allows the language learner to expand their capacity exponentially simply by increasing vocabulary. With this in mind, the text includes an introductory section summarising the important aspects of French grammar. The dual-language text has been arranged for quick and easy cross-referencing. The text can be used on its own. However, the content is ideal for reinforcing and expanding on a basic grasp of the language. With an increasingly robust grasp of the language, the language learner can easily and fruitfully move on to more advanced bilingual text - like in 2Language Books editions - , or suitable French only text: a simple novel, a French news website, etc. Many basic language books offer some form of audio support. Internet services - primarily news based radio stations - offer podcasts. Audio from television is an additional resource, and can be formatted for use on various digital platforms. However, if audio is an important component of your interest in languages, electronic devices that support quality text-to-speech (TTS) will likely be appealing. With a library card, TTS technology (in a device that supports the relevant content), and the above mentioned resources (as digital content), an entire language learning system is available for not much more than a cup of coffee! There is no substantial

financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on 'premium' content and resources. (A Dual-Language Book Project) 2Language Books

Contracts Feb 27 2020 This concise paperback, which will be a valuable supplementary text to any traditional contracts casebook, combines cases and actual contracts to bring a real-world practical perspective to the first-year contracts classroom. *Contracts: A Transactional Approach* fills the long-felt need by professors, students, and practitioners for a teaching approach to contracts that focuses on practical and transactional skills. and *Contracts: A Transactional Approach* introduces business contracts and transactions to the first-year contracts class in a unique fashion: Actually executed agreements between sophisticated parties give students exposure to the sort of agreements they will encounter in practice as either a litigator or a transactional attorney. Agreements are lightly edited and are presented as whole documents unbroken by discussion to force the student to read and analyze contracts in their entirety. Focus points and, where appropriate, practitioner comments before each agreement help focus the student's attention on important concepts. The authors begin with the simplest agreement and iteratively build on the same lessons. The discussion is tailored to basic provisions and their interaction with contract law, enabling students to build familiarity with once seemingly foreign contractual provisions and concepts. Lessons focus on the building block provisions (e.g., recitals, representations, warranties, indemnities, limitations of liability, restrictive covenants, liquidated damages) typically found in sophisticated contracts, including the judicial treatment of those provisions. Practitioner comments from experts in the field provide insight and advice on relevant topics to give a real world and practical perspective and to drive home the relevance of these concepts to students. This book teaches students how to read and

understand contracts (and to anticipate how judges may read and understand contracts) so that the student can better draft contracts. Drafting tips are sprinkled throughout the book.

A Long Way from Home Aug 03 2020 Over the course of his stellar writing life, Peter Carey has explored his homeland of Australia in such highly acclaimed novels as *Oscar and Lucinda*, *True History of the Kelly Gang* and *Amnesia*. Writing at the peak of his powers, Carey takes us on an unforgettable journey that maps his homeland's secrets in this extraordinary new novel. Wildly inventive, funny and profoundly moving, *A Long Way from Home* opens in 1953 with the arrival of the tiny, handsome Titch Bobs, his beautiful doll of a wife, Irene, and their two children in the small town of Bacchus Marsh. Titch is the best car salesman in southeastern Australia. Irene loves her husband, and loves to drive fast. Together they enter the Redex Trial, a brutal endurance race around the ancient continent, over roads no car is designed to survive. With them is their neighbour and navigator, Willie Bachhuber, a quiz show champion and failed school teacher who calls the turns and creek crossings on a map that will lead them, without warning, away from the white Australia they all know so well. Just like the novel, Peter Carey's new masterpiece, begins in one way and takes you somewhere you never thought you'd be. Often funny, the book is also and always a page-turner, surprising you with history these characters never even knew themselves. Its profound reckoning with Australia's brutal treatment of the continent's aboriginal people will also resonate strongly with Canadian readers.

Widower Boone Sawyer is a devoted father to his six-year-old daughter—and a man possessed of his own gift that casts a spell Ana finds she cannot resist.

American Tales May 12 2021 My American Tales are four novellas, longer than short stories, shorter than novels. I tried to capture in them experiences centering on four different stages of life; childhood, teen years, early adulthood and middle-age. Each story has its own ordeal, or trauma. A young boy just shy of puberty is stricken with quadriplegia from falling off a swing set. A teenage basketball player copes with severe acne and adolescent insecurity. A young married man struggles against a mother-in-law bent on breaking up his marriage. A maintenance worker loses a beloved wife in an auto accident, and having given up any interest in the possibility of another woman entering his life, suddenly falls passionately in love with a Russian immigrant and young mother who professes to hate men, until she recognizes a pure, unconditional love offered from an unexpected source. A novella may take more than one sitting to read, but it can possess both the sudden

revelatory impact of a short-story and the grandeur of a novel.

The Chronicles of Kerrigan Prequel Books #1-3 Sep 15 2021 A Boxset collection of the first 3 books in the Chronicles of Kerrigan Prequel Series! Christmas Before the Magic - Book #1 Learn how it all began ... before the magic of tatùs. When Argyle invites his best friend, Simon Kerrigan, home for the Christmas holidays, he wants to save Simon from staying at Guilder Boarding School on his own. Simon comes along and doesn't expect to find much more excitement in the tiny Scottish town where Argyle's family lives. Until he meets Beth, Argyle's older sister. She's beautiful, brash and clearly interested in him. When her father warns him to stay away from her, Simon tries, but sometimes destiny has a hope of it's own. Question the Darkness - Book #2 Learn how it all began ... before Rae Kerrigan. The sins of the father are the sins of the son. What did Rae's father do that put fear in people's eyes at the name Kerrigan? Simon Kerrigan is a bright kid. He likes to ask questions and push adults in their way of thinking. He's falling for a girl he's been warned to stay away from. Tempted by forbidden love, he also must face the biggest challenge of his life: receive a tattoo on his sixteenth birthday. This ink is going to give him a supernatural ability unlike anyone before him. When secrets of the past begin to reveal themselves, he questions everything he's ever known. Pressure from Guilder Boarding School and the Privy Council only confuse Simon more as he struggles to find himself. How hard will he have to shake the family tree to find the truth about the past? The Chronicles of Kerrigan Prequel is the beginning of the story before Rae Kerrigan. Christmas Before the Magic is just the beginning (but not the end...) Into the Darkness - Book #3 What did Rae's father do that put fear in people's eyes at the name Kerrigan? After a mysterious attempt is made on his life, Simon Kerrigan

has more questions than ever, and this time, he's not the only one. The beginnings of a secret society are formed at Guilder. A society of other like-minded students all unsatisfied with the status quo. All searching for the truth. But things aren't always as they seem. When Simon gets an unexpected visitor, his entire world is turned upside-down. Suddenly, the rules that were made to keep him safe, are the only things standing in his way. Who can he trust? Can he learn to master his tatù? Most importantly, can he do it in time to protect those things that are most precious to him?

The Distance Between Us Jul 26 2022 In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this “compelling...unvarnished, resonant” (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to “El Otro Lado” (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to “El Otro Lado” to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as *La distancia entre nosotros*.

Camilla, A Picture of Youth Apr 10 2021 *Camilla - A Picture of Youth* deals with the matrimonial concerns of a group of young people: Camilla Tyrold and her sisters, the sweet tempered Lavinia and the deformed, but extremely kind, Eugenia, and their cousin, the beautiful Indiana Lynmere. Central theme is the love affair between Camilla herself and her eligible suitor, Edgar Mandlebert. They have many hardships, however, caused by misunderstandings and mistakes, in the path of true love. Frances Burney (1752-1840) was an English satirical novelist, diarist and playwright. She is best known for her novels *Evelina*, *Cecilia*,

Camilla and The Wanderer. Burney's novels explore the lives of English aristocrats, and satirize their social pretensions and personal foibles, with an eye to larger questions such as the politics of female identity. She has gained critical respect in her own right, but she also foreshadowed such novelists of manners with a satirical bent as Jane Austen and Thackeray.
