Confessions of an Overseas Brat Sep 20 2021 Ronald Walker grew up in Europe as an Overseas Military Brat. This is his story of how he went from boyhood to manhood living in a most unusual time and place, namely in Madrid, Spain during the 1960's and early 70's. For anyone who was there during that very magical time and place, his story will be a wonderful and nostalgic trip to the past. For those not lucky enough to have that experience, his tales will enlighten, inform and reveal what his experiences were really like living in one of the most exciting cities in Europe, at a time when the entire world was going through such turbulent and profound changes. Part travelogue, part coming-of-age story, and part personal confessions, his stories not only include his travels and adventures all around Spain, but also across the Straits of Gibraltar into Morocco, and then later his unusual experiences while traveling and working in Holland and Germany. Afterwards, he explains in detail the many difficulties and challenges of trying to adapt to life in the United States after living overseas most of his life. Being set in the 1960's and early 70's, sex, drugs and rock and roll all play a big part of his stories. He explores all three in detail, from his first time getting to third base, to smoking kif in Morocco, to watching the Beatles perform live at the Bullring in Madrid when he was only 12 years old and how that experience changed his life forever. His honesty, humor and openness about his adventures and experiences leaves the reader with not only a deeper knowledge and a better understanding of the places and times he explains so well, but also what it was like to be a "Stranger in a Strange Land" (both in Europe as well as in his own country) and what it was like growing up as an Overseas Military Brat.

The Kingdom of Liars Jan 01 2020 In this brilliant debut fantasy, a story of secrets, rebellion, and murder are shattering the Hollows, where magic costs memory to use, and only the son of the kingdom's despised traitor holds the truth. Michael is branded a traitor as a child because of the murder of the king's nine-year-old son, by his father David Kingman. Ten years later on Michael lives a hardscrabble life, with his sister Gwen, performing crimes with his friends against minor royals in a weak attempt at striking back at the world that rejects him and his family. In a world where memory is the coin that pays for magic, Michael knows something is there in the hot white emptiness of his mind. So when the opportunity arrives to get folded back into court, via the most politically dangerous member of the kingdom's royal council, Michael takes it, desperate to find a way back to his past. He discovers a royal family that is spiraling into a self-serving dictatorship as gun-wielding rebels clash against magically trained militia. What the truth holds is a set of shocking revelations that will completely change the Hollows, if Michael and his friends and family can survive long enough to see it.

Brat May 29 2022 Fans of Patti Smith's Just Kids and Rob Lowe's Stories I Only Tell My Friends will love this beautifully written, entertaining, and emotionally honest memoir by an actor, director, and author who found his start as an 80s Brat pack member. Most people know Andrew McCarthy from his movie roles in Pretty in Pink, St. Elmo's Fire, Weekend at Bernie's, and Less than Zero, and as a charter member of Hollywood's Brat Pack. That iconic group of ingenues and heartthrobs included Rob Lowe, Molly Ringwald, Emilio Estevez, and Demi Moore, and has come to represent both a genre of film and an era of pop culture. In his memoir Brat: An '80s Story, McCarthy focuses his gaze on that singular moment in time. The result is a revealing look at coming of age

in a maelstrom, reckoning with conflicted ambition, innocence, addiction, and masculinity. New York City of the 1980s is brought to vivid life in these pages, from scoring loose joints in Washington Square Park to skipping school in favor of the dark revival houses of the Village where he fell in love with the movies that would change his life. Filled with personal revelations of innocence lost to heady days in Hollywood with John Hughes and an iconic cast of characters, *Brat* is a surprising and intimate story of an outsider caught up in a most unwitting success.

*Under the Big Black Sun* Jan 31 2020 An up-close and personal account of the L.A. punk scene, told by those who were there, with 50 rare photos

*Spoiled Brats* (including the story that inspired the major motion picture *An American Pickle* starring Seth Rogen) Jan 13 2021 The "hilarious" (New York Times Book Review) collection of short stories from the award-winning humorist Simon Rich includes the story that inspired the Seth Rogen comedy *An American Pickle*. Twenty years ago, *Barney the Dinosaur* told the nation's children they were special. We're still paying the price. From "one of the funniest writers in America" comes a collection of stories culled from the front lines of the millennial culture wars (Jimmy So, Daily Beast). Rife with failing rock bands, student loans, and participation trophies, *Spoiled Brats* is about a generation of narcissists -- and the well-meaning boomers who made them that way. A hardworking immigrant is preserved for a century in pickle brine. A helicopter mom strives to educate her demon son. And a family of hamsters struggles to survive in a private-school homeroom. Surreal, shrewd, and surprisingly warm, these stories are as resonant as they are hilarious.

*An American Brat* Jul 07 2020 A sheltered Pakistani girl is sent to America by her parents, with unexpected results: "Entertaining, often hilarious . . . Not just another immigrant 's tale." —Publishers Weekly *Feroza Ginwalla*, a pampered, protected sixteen-year-old Pakistani girl, is sent to America by her parents, who are alarmed by the fundamentalism overtaking Pakistan—and influencing their daughter. Hoping that a few months with her uncle, an MIT grad student, will soften the girl 's rigid thinking, they get more than they bargained for: *Feroza*, enthralled by American culture and her new freedom, insists on staying. A bargain is struck, allowing *Feroza* to attend college with the understanding that she will return home and marry well. As a student in a small western town, *Feroza* finds her perceptions of America, her homeland, and herself beginning to alter. When she falls in love with a Jewish American, her family is aghast. *Feroza* realizes just how far she has come—and wonders how much further she can go—in a delightful, remarkably funny coming-of-age novel that offers an acute portrayal of America as seen through the eyes of a perceptive young immigrant. "Humorous and affecting." —Library Journal "Exceptional." —Los Angeles Times "Her characters [are] painted so vividly you can almost hear them bickering." —The New York Times

*Tumbleweed Forts* Jan 25 2022 Like any good soldier's son, Frank was an adaptable youngster. He moved with his family from fort to fort, country to country, accepted each change, and was ready to move again. In 1960, his father was ordered to Fort Huachuca, Arizona. The desert garrison was the fifth Army post of Frank's childhood, and the first post he never wanted to leave. Here at age ten, he was best friends with Flavio, who saved his life from deep waters and helped him hunt for Huachuca Canyon gold. Here, too, Frank took a liking to Emily, a captain's daughter who chased dust devils and spelled well. In Arizona, Frank's father tested and improved the Army's early drones, and his mother worked hard to keep the family happy, healthy, and together. For Frank and his three brothers, the friendships and vast spaces of Fort Huachuca made it a perfect playground. Then in 1963, when his father received orders for Vietnam and told the family it was time to move again, Frank was so alarmed he wrote President Kennedy to ask that the orders be canceled. *Tumbleweed Forts* celebrates a youngster's joy in a desert full of life. It's a story about family, friendships, life's surprises, and all those special places that find a home in our hearts.

*The Brat* Aug 08 2020 Charles Fordham III has been expelled from Oxford and sent home with his tail between his legs. The self-professed "brat" has always gotten away with things because of his father's influence and money. Poor Chas is in for the surprise of his life in the form of a tall, well-muscled, former Marine bodyguard... but even more daunting days may lie ahead. Have his years abroad prepared him for the expectations of his father when he's forced to live up to his legacy? Tate Heston returns home from Iraq when his beloved career is cut short by an IED. He's used to turning boys into men and then leading them into battle where sometimes the good guys lose. This makes him even more hesitant about taking on a job guarding a spoiled brat, but he believes he can probably do what he does best... make young Chas a man. Not everyone wants to see the brat succeed in his

father's place. Things have been running just fine for years and the return of Charles Fordham III and the shake up his arrival causes, has his family's enemies in a panic. But as the boy assumes his rightful place, Tate understands sometimes a man must take his fight to the enemy... regardless of battlefield... or boardroom.

Fortune's Legacy Jul 19 2021 Kyra Fortune can't believe she might get fired. Sure, she knows some people think she's a spoiled brat with more family connections than brains, but she knows the game at Voltage Energy Company—don't let anyone see you sweat. So when she's asked to accompany senior VP Garrett Wolff—her most vocal critic—to a sales conference in Colorado, she jumps at the chance to prove herself. Then a car crash in the middle of a churning snowstorm forces Kyra and Garrett to huddle in an abandoned cabin, seeking warmth and comfort in each other's arms. But by morning light, there's new trouble on the horizon. A Voltage conspiracy scandal is electrifying the newspapers. And Kyra's family name is at the heart of it all....

The Marriage Arrangement: A Marriage to a Billionaire Novella Mar 03 2020 From New York Times and USA Today bestselling author Jennifer Probst comes a new story in her Marriage to a Billionaire series. The Book of Spells returns in this sparkling addition to the series! She had run from her demons... Caterina Victoria Windsor fled her family winery after a humiliating broken engagement, and spent the past year in Italy rebuilding her world. But when Ripley Savage shows up with a plan to bring her back home, and an outrageous demand for her to marry him, she has no choice but to return to face her past. But when simple attraction begins to run deeper, Cat has to decide if she 's strong enough to trust again...and strong enough to stay... He vowed to bring her back home to be his wife... Rip Savage saved Windsor Winery, but the only way to make it truly his is to marry into the family. He 's not about to walk away from the only thing he 's ever wanted, even if he has to tame the spoiled brat who left her legacy and her father behind without a care. When he convinces her to agree to a marriage arrangement and return home, he never counted on the fierce sexual attraction between them to grow into something more. But when deeper emotions emerge, Rip has to fight for something he wants even more than Winsor Winery: his future wife. \*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it 's an introduction to an author 's world. And for fans, it 's a bonus book in the author 's series. We hope you'll enjoy each one as much as we do.\*\*

Trails, Trials, and Tears Jun 17 2021 Handcuffed and arrested while TV cameras rolled and newspaper reporters scribbled notes – this wasn't how Texas Lil's dream was supposed to end. She'd spent 27 years turning the Texas Lil 's Dude Ranch into a premier vacation spot. Now it was smoldering from a fire so huge that the glow was seen as far away as Fort Worth. Police accused Texas Lil of being the arsonist and made a public spectacle of arresting her and ruining her reputation. Texas Lil was destined to be an entrepreneur. Despite a philandering, money-burning husband as a business partner, Texas Lil used savvy and sweat to turn a tiny shop in her garage into a thriving, popular business. She parlayed that into the Texas Lil 's Dude Ranch, 200 acres of gorgeous rolling property near what would become the Texas Motor Speedway She accomplished all this while raising children and dealing with a drunken, abusive husband. But personal tragedies have never been strangers to this determined woman. She handled the sensational murder of her brother Stan Farr, who was shot along with Priscilla Davis and two others at the Cullen Davis mansion in 1976. This amazing story of how a single mom overcame a never-ending series of tragedies, built a successful business, and lived a roaring good life comes to life on the pages of Texas Lil's book, " Trails, Trials, and Tears " . It's a completely revealing look into the life of a remarkable woman who keeps pushing forward no matter how many times she stumbles along the way.

The Movie Brats Aug 27 2019 The Movie Brats is about power in the American film industry - how the legendary moguls lost it, and how a new young generation of filmmakers came to inherit it. The authors submit that social changes in America - and not just the advent of television - were the true cause of Hollywood's decline and tell how the movie brats - the first film school graduates and movie buffs to gain real power in the industry - took over the demoralized Hollywood of the 1960s and 1970s. Six top directors show how they succeeded and how the deals were made: Francis Coppola, George Lucas, Brian DePalma, John Milius, Martin Scorsese, Steven Spielberg.

Legacies Jul 31 2022 Repairman Jack isn't your average appliance repairman--he fixes situations for people, often risking his own life. Jack has no last name, no social security number, works only for cash, and has no qualms when it comes to seeing that the job gets done. Dr. Alicia Clayton, a pediatrician who treats children with AIDS, is full of secrets, and she has just inherited a house that holds another. Haunted by painful memories, Alicia wants

the house destroyed--but somehow everyone she enlists to help ends up violently killed. The house holds a powerful secret, and Alicia's charmless brother Thomas seems willing to do anything to get his hands on that secret himself. But not if Repairman Jack can find it first! Legacies is the first thrilling novel in the Repairman Jack series from bestselling author F. Paul Wilson. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Be Safe, Love Mom** Dec 24 2021 When you enlist in the United States military, you don't just sign up for duty; you also commit your loved ones to lives of service all their own. No one knows this better than Elaine Brye, an "Army brat" turned military wife and the mother of four officers—one each in the Army, Navy, Air Force, and Marine Corps. For more than a decade she's endured countless teary goodbyes, empty chairs at Thanksgiving dinners, and sleepless hours waiting for phone calls in the night. She's navigated the complicated tangle of emotions—pride, worry, fear, hope, and deep, enduring love—that are part and parcel of life as a military mother. In *Be Safe, Love Mom* Elaine braids together her own personal experiences with those of fellow parents she's met along the way. She offers gentle guidance and hard-earned wisdom on topics ranging from that first anxious goodbye to surrendering all control of your child, from finding comfort in the support of the military community and the healing power of faith to coping with the enormous sacrifices life as a military mother requires. Readers looking for encouragement and hard-to-come-by information as they travel the challenging road of having a child in uniform will find Elaine a wise and trusted friend, and *Be Safe, Love Mom* an essential handbook to membership in a strong and special sisterhood.

**Growing Up Military** Nov 03 2022 Did you grow up in the Military? Do you have trouble answering the question "where are you from?" "Every Brat Has a Story" has been the theme of the Military Brats Registry since 1997. Members have submitted hundreds of amazing stories about their unusual lifestyle as military dependents growing up around the world. This book is a compilation of many of those stories to further our goal of preserving the culture and history of "Military Brats"

**Legacies of the Silver State** Aug 20 2021 From lowering the ramps of landing ships at Normandy on June 6, 1944, to crawling on the snow on their bellies and enduring extremely harsh weather at the Battle of the Bulge, our veterans showed great intrepidity and bravery when facing the enemy. We may never see a generation of men and women like the ones who served during World War II to ensure the world was a safer place -- free from the tyranny of leaders and nations. Slowly, the number of World War II veterans diminishes with each passing day, month and year. Newspapermen Steve Ranson, Kenneth Beaton and David C. Henley have interviewed scores of World War II veterans and learned more about them and how they helped the war effort. Additional reporters have also written about our World War II heroes -- including Kaleb Roedel's in-depth stories on two Native American veterans. Interviews included POWs, survivors of the Nazi concentration camps and veterans who remember in detail where they were and what they did. On several occasions, veterans flew Honor Flight Nevada trips to Washington, D.C., and most recently to Pearl Harbor in early 2020, and their stories have been documented. It was at that point we felt it was necessary to preserve our past newspaper articles and present them to our current and future generations so they will know of the heroism of the men and women we interviewed. Too many times as authors, we discovered veterans from the World War II era have been very reluctant to tell their stories, but we have also discovered many of them are now more willing to talk about their service to their country. So, too, are the Holocaust survivors because they never want the world to forget the atrocities committed by their Nazi captors. Ken has contributed his military articles for many years to the Nevada Appeal, and David's expertise in writing about the USS Nevada and its role during the bombing of Pearl Harbor and at D-Day show the determination of Americans ready to defeat a formidable enemy. We salute our fighting men and women who, at one time in their lives, have called this great state of Nevada their home and to those sailors who served on the USS Nevada and other ships with Nevada-related names. They are all Legacies of the Silver State.

**Open** Apr 15 2021 #1 NATIONAL BESTSELLER Far more than a superb memoir about the highest levels of professional tennis, *Open* is the engrossing story of a remarkable life. Andre Agassi had his life mapped out for him before he left the crib. Groomed to be a tennis champion by his moody and demanding father, by the age of twenty-two Agassi had won the first of his eight grand slams and achieved wealth, celebrity, and the game's highest honors. But as he reveals in this searching autobiography, off the court he was often unhappy and confused, unfulfilled by his great achievements in a sport he had come to resent. Agassi writes candidly about his

early success and his uncomfortable relationship with fame, his marriage to Brooke Shields, his growing interest in philanthropy, and—described in haunting, point-by-point detail—the highs and lows of his celebrated career.

Brat Pack America Feb 11 2021 From the fictional towns of Hill Valley, CA, and Shermer, IL, to the beautiful landscapes of Astoria and Brownsville, OR, from the iconic suburbs of the San Fernando Valley to the seemingly scary inner cities of Chicago, '80s teen movies had one thing in common: locations mattered. Perhaps moreso than in any other decade, the locations of the '80s teen movies were monumentally important. In *Brat Pack America*, Kevin Smokler gives virtual tours of your favorite movies while also picking apart why these locations are so important to these movies. Including interviews with actors, writers, and directors of the era, and chock full of interesting facts about your favorite 80s movies, *Brat Pack America* is a must for any fan. Smokler went to *Goonies Day* in Astoria, OR, took a *Lost Boys* tour of Santa Cruz, CA, and deeply explored every nook and cranny of the movies we all know and love, and it shows

Oaths of Legacy Nov 30 2019 Torn between loyalty and love, a young prince will learn how much he 's willing to sacrifice as he tries to destroy the rebellion that threatens his throne in the exhilarating sequel to *Bonds of Brass*. “ A knockout. ” —Publishers Weekly (starred review) Gal 's destiny has always been clear: Complete his training at the military academy, prove his worth as a royal successor, and ascend to the galactic throne. When a failed assassination plot against Gal sends him and Ettian—his infuriatingly enticing roommate—on a mad dash through the stars, Gal 's plans are momentarily disrupted. But he was born to rule the UMBER Empire, and with Ettian by his side, nothing will stop him from returning home and crushing the growing insurgency threatening his family 's power. Yet nothing is ever that simple in war—or in love. Gal is captured by the rebellion during a skirmish and faces public execution, his grand fate cut short. To save Gal 's life, Ettian does the unthinkable: He reveals himself as the secret heir to the fallen Archon Empire and rightful leader of the rebellion . . . and, therefore, Gal 's sworn enemy. Now a political hostage in this newly reignited conflict, Gal must use his limited resources to sabotage the rebellion from within, concoct an escape plan, and return to the empire he 's destined to lead. And if that means taking down the man he thought he loved? All the better.

Welfare Brat May 17 2021 Mary Childers's intimate and frank memoir tells the story of growing up in a family in which five out of seven children dropped out of high school and four different fathers dropped out of sight. With this lyrical and often humorous examination of how she became the first person in her family to attend college, Childers illuminates the causes of welfare dependence, generational poverty, and submission to a popular culture that values sexuality more than self-esteem and self-sufficiency.

Legacy of Ash Apr 27 2022 *Legacy of Ash* is an unmissable fantasy debut--an epic tale of intrigue and revolution, soldiers and assassins, ancient magic and the eternal clash of empires. A shadow has fallen over the Tressian Republic. Ruling families -- once protectors of justice and democracy -- now plot against one another with sharp words and sharper knives. Blinded by ambition, they remain heedless of the threat posed by the invading armies of the Hadari Empire. Yet as Tressia falls, heroes rise. Viktor Akadra is the Republic's champion. A warrior without equal, he hides a secret that would see him burned as a heretic. Josiri Trelanis Viktor's sworn enemy. A political prisoner, he dreams of reigniting his mother's failed rebellion. And yet Calenne Trelan, Josiri's sister, seeks only to break free of their tarnished legacy; to escape the expectation and prejudice that haunts the family name. As war spreads across the Republic, these three must set aside their differences in order to save their home. Yet decades of bad blood are not easily set aside. And victory -- if it comes at all -- will demand a darker price than any of them could have imagined.

Yellow Journalism Sep 28 2019 This offers a detailed and long-awaited reassessment of one of the most maligned periods in American journalism--the era of the yellow press. The study challenges and dismantles several prominent myths about the genre, finding that the yellow press did not foment--could not have fomented--the Spanish-American War in 1898, contrary to the arguments of many media historians. The study presents extensive evidence showing that the famous exchange of telegrams between the artist Frederic Remington and newspaper publisher William Randolph Hearst--in which Hearst is said to have vowed to "furnish the war" with Spain--almost certainly never took place. The study also presents the results of a systematic content analysis of seven leading U. S. newspapers at 10 year intervals throughout the 20th century and finds that some distinguishing features of the yellow press live on in American journalism.

Soldiering on - Finding My Homes Apr 03 2020 Some military brats rode camels in Arabia . . . others leaped

from parachute training towers . . . but this little army brat rode backwards in the rear "jump-seat" of the family station wagon all the way across America . . . without a seatbelt! Christine Kriha Kastner grew up the only way she knew-on military bases stateside and around the world. By the time she turned in her military I.D. card, when her father retired from the U.S. Army, she had lived in fifteen different houses and attended ten different schools. Situation normal for an army brat. Living on Okinawa was a memorable overseas assignment. So when an opportunity to return to that little island in the Pacific Ocean arose after forty years, she couldn't pass it up. Kastner returned to the island she remembered from her youth-with the 73-year-old mother of one of her best friends. Together, they took a Kubasaki High School reunion trip timed to coincide with the 4th Uchinanchu Festival that brought thousands of Okinawans back to the island from all over the world. It was the adventure of their lifetimes, just not quite the karaoke, sake and pachinko experience they expected.

Rivethead Sep 08 2020 The man the Detroit Free Press calls "a blue collar Tom Wolfe" delivers a full-barreled blast of truth and gritty reality in Rivethead, a no-holds-barred journey through the belly of the American industrial beast.

Texas Legacy Dec 12 2020 For as long as he can remember, Rawley Cooper has loved Faith Leigh. But the cruelty of his childhood haunts him and he knows he 's undeserving of Faith. When she comes to him on the night of her nineteenth birthday, they both give into temptation. But the searing kiss reaffirms what he 's always known: he can 't have a lifetime of her in his arms. To protect his heart, he packs his things and heads west. Faith has always adored the boy her parents took in and raised. But she 's not certain she can ever forgive him for riding out of her life just when she needed him the most. When an urgent telegram forces him to return six years later, Rawley discovers Faith is now a woman to be reckoned with. As old feelings are stirred back to life and new passions take hold, they both must confront secrets from their past or risk losing a legacy of love.

Tempest: Star Wars Legends (Legacy of the Force) Mar 15 2021 Forty years after the Battle of Yavin a dangerous new era in the Star Wars epic begins – the revelations are shocking, the stakes desperate, and the enemy everywhere. As civil war threatens the unity of the Galactic Alliance, Han and Leia Solo have enraged their families and the Jedi by joining the Corellian insurgents. But the Solos draw the line when they discover the rebels ' plot to make the Hapan Consortium an ally – which rests upon Hapan nobles murdering their pro-Alliance queen and her daughter. Yet the Solos ' selfless determination to save the queen cannot dispel the inescapable consequences of their actions, that will pit mother against son and brother against sister in the battles ahead. For as Jacen Solo 's dark powers grow stronger under the Dark Jedi Lumiya, and his influence over Ben Skywalker becomes more insidious, Luke 's concern for his nephew forces him into a life-and-death struggle against his fiercest foe, and Han and Leia Solo find themselves at the mercy of their deadliest enemy . . . their son. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

His Brat Jun 05 2020 This brat is about to be taught a lesson. MAX She's off limits. The one girl I can't have. Of course, I don't know that when I see her for the first time and bury myself inside her. But I'm marrying her mother... a loveless marriage that means nothing to either of us, but still means Lola Grace can't be mine. I wouldn't be good for her, anyway. I play hard, and f\*ck harder. I'd ruin a pretty young girl like her in mere hours. But I just can't resist... Lola Grace is too damn sweet for me to give up. LOLA GRACE My life changes when Max River walks into it. He complicates everything, making me regret ever setting eyes on his tall, inked and toned body. But at the same time, I can't let go. I know the rules. No kissing. Not touching. No talking. No f\*cking. And I'm about to break every one of them.

Children of Virtue and Vengeance Oct 10 2020 A GOOD MORNING AMERICA BOOK CLUB PICK  
“ Meet Tomi Adeyemi—the new J.K. Rowling. (Yep, she 's that good). ” —Entertainment Weekly After battling the impossible, Z é lie and Amari have finally succeeded in bringing magic back to the land of Or ï sha. But the ritual was more powerful than they could 've imagined, reigniting the powers of not only the maji, but of nobles with magic ancestry, too. Now, Z é lie struggles to unite the maji in an Or ï sha where the enemy is just as powerful as they are. But when the monarchy and military unite to keep control of Or ï sha, Z é lie must fight to secure Amari's right to the throne and protect the new maji from the monarchy's wrath. With civil war looming on the horizon, Z é lie finds herself at a breaking point: she must discover a way to bring the kingdom together or watch as Or ï sha tears itself apart. Children of Virtue and Vengeance is the stunning sequel to Tomi Adeyemi's

New York Times-bestselling debut *Children of Blood and Bone*, the first book in the Legacy of Orisha trilogy. Praise for *Children of Blood and Bone*: “ Poses thought-provoking questions about race, class and authority that hold up a warning mirror to our sharply divided society. ” – The New York Times

*Military Brats and Other Global Nomads* Sep 01 2022 Examines the social, psychological, and historical effects of growing up abroad in a military, foreign service, or other organizational family.

*The Two-Faced Queen* Oct 22 2021 "Under the protection of the Orbis Mercenary company, Michael and his family and friends are deeply involved in the seemingly rival conspiracies that are tearing The Hollows apart. With the death of the King, both the Corrupt Prince and his sister Serena are vying for the throne, while the Rebel Emperor is spreading lies amongst the people, and all of them want Michael dead"--

[Sick on You](#) Feb 23 2022 "\*\*\*MOJO MAGAZINE'S BOOK OF THE YEAR\*\* The Hollywood Brats are the greatest band you've never heard of. Recording one near-perfect punk album in 1974, they were tragically ahead of their time. With only a guitar, a tatty copy of the Melody Maker and his template for the perfect band, Andrew Matheson set out, in 1971, to make musical history. His band, The Hollywood Brats, were pre-punk prophets - uncompromising, ultra-thin, wild, untameable and outrageous. But thrown into the crazy world of the 1970s London music scene, the Brats ultimately fell foul of the crooks and heavies that ran it and an industry that just wasn't ready for them. Directly inspiring the London SS, the Clash, Malcolm McLaren and the Sex Pistols, The Hollywood Brats imploded too soon to share the glory. Punk's answer to *Withnail and I*, *Sick On You* is a startling, funny and brilliantly entertaining period memoir about never quite achieving success, despite flying so close to greatness."

*More Fun in the New World* May 05 2020 This sequel to Grammy-nominated bestseller *Under the Big Black Sun* continues the up-close and personal account of the L.A. punk scene—and includes fifty rare photos. Picking up where *Under the Big Black Sun* left off, *More Fun in the New World* explores the years 1982 to 1987, covering the dizzying pinnacle of L.A.'s punk rock movement as its stars took to the national—and often international—stage. Detailing the eventual splintering of punk into various sub-genres, the second volume of John Doe and Tom DeSavia's west coast punk history portrays the rich cultural diversity of the movement and its characters, the legacy of the scene, how it affected other art forms, and ultimately influenced mainstream pop culture. The book also pays tribute to many of the fallen soldiers of punk rock, the pioneers who left the world much too early but whose influence hasn't faded. As with *Under the Big Black Sun*, the book features stories of triumph, failure, stardom, addiction, recovery, and loss as told by the people who were influential in the scene, with a cohesive narrative from authors Doe and DeSavia. Along with many returning voices, *More Fun in the New World* weaves in the perspectives of musicians Henry Rollins, Fishbone, Billy Zoom, Mike Ness, Jane Weidlin, Keith Morris, Dave Alvin, Louis P é rez, Charlotte Caffey, Peter Case, Chip Kinman, Maria McKee, and Jack Grisham, among others. And renowned artist/illustrator Shepard Fairey, filmmaker Allison Anders, actor Tim Robbins, and pro-skater Tony Hawk each contribute chapters on punk's indelible influence on the artistic spirit. In addition to stories of success, the book also offers a cautionary tale of an art movement that directly inspired commercially diverse acts such as Green Day, Rancid, Red Hot Chili Peppers, Wilco, and Neko Case. Readers will find themselves rooting for the purists of punk juxtaposed with the MTV-dominating rock superstars of the time who flaunted a "born to do this, it couldn't be easier" attitude that continued to fuel the flames of new music. *More Fun in the New World* follows the progression of the first decade of L.A. punk, its conclusion, and its cultural rebirth.

*The Places We Sleep* Nov 22 2021 A family divided, a country going to war, and a girl desperate to feel at home converge in this stunning novel in verse. Selected for Kids Indies Introduce List AND Kids Indie Next List It's early September 2001, and twelve-year-old Abbey is the new kid at school. Again. I worry about people speaking to me / and worry just the same / when they don't. Tennessee is her family's latest stop in a series of moves due to her dad's work in the Army, but this one might be different. Her school is far from Base, and for the first time, Abbey has found a real friend: loyal, courageous, athletic Camille. And then it's September 11. The country is under attack, and Abbey's "home" looks like it might fall apart. America has changed overnight. How are we supposed / to keep this up / with the world / crumbling / around us? Abbey's body changes, too, while her classmates argue and her family falters. Like everyone around her, she tries to make sense of her own experience as a part of the country's collective pain. With her mother grieving and her father prepping for active

duty, Abbey must learn to cope on her own. Written in gorgeous narrative verse, Abbey's coming-of-age story accessibly portrays the military family experience during a tumultuous period in our history. At once personal and universal, it's a perfect read for fans of sensitive, tender-hearted books like *The Thing About Jellyfish*. An NCTE Notable Book in Poetry A Bank Street Best Children's Book of the Year

**You Couldn't Ignore Me If You Tried** Jun 29 2022 You can quote lines from *Sixteen Candles* ( " Last night at the dancery little brother paid a buck to see your underwear " ), your iPod playlist includes more than one song by the Psychedelic Furs and Simple Minds, you watch *The Breakfast Club* every time it comes on cable, and you still wish that Andie had ended up with Duckie in *Pretty in Pink*. You ' re a bonafide Brat Pack devotee—and you ' re not alone. The films of the Brat Pack—from *Sixteen Candles* to *Say Anything*—are some of the most watched, bestselling DVDs of all time. The landscape that the Brat Pack memorialized—where outcasts and prom queens fall in love, preppies and burn-outs become buds, and frosted lip gloss, skinny ties, and exuberant optimism made us feel invincible—is rich with cultural themes and significance, and has influenced an entire generation who still believe that life always turns out the way it is supposed to. *You Couldn't Ignore Me If You Tried* takes us back to that era, interviewing key players, such as Molly Ringwald, Anthony Michael Hall, Ally Sheedy, Judd Nelson, Andrew McCarthy, and John Cusack, and mines all the material from the movies to the music to the way the films were made to show how they helped shape our visions for romance, friendship, society, and success.

**Military Brats** Mar 27 2022 I hate moving! I hate it! I hate it! I hate it! Why do we always have to move? Do you know children that really dislike the moving process or adapting to change? Well, this is a must read. This is the story of a little girl who is growing up in a military family, and every time she adjusts to a move, the family has to move again, and she has to adjust again. She is very pessimistic about moving but realizes that just maybe things may get better.

**Military Brats** Jan 05 2023 Military brats' childhoods are often scarred by alcoholism, abuse, and an ever-present threat of a parent's loss to war. This eye-opening, sometimes shocking exploration tells what life is really like for the stepchildren of Uncle Sam. A new recovery group, Adult Children of Military Personnel, Inc., has been formed as a direct result of this book's publication.

**Martin Legacy** Nov 10 2020 Gemma Ebworthy is a struggling single mother-but not for much longer. Engaged to a kind-hearted farmer boy, her turbulent life is looking more stable at last, but troubles are still on the horizon. It seems their efforts to build a legacy for their unique family are constantly under siege. Farris cherishes the only life he's ever known, even though he feels more called to the mission field than his adoptive father's fields. Growing up among extended family and in the Christian faith, he's always had a firm foundation. Yet when the past Gemma is so ashamed of—the one Farris can't even remember—comes calling again, the life they've built is put to the test. For it to remain standing, Gemma is going to have to silence her demons once and for all. But this time, she's not alone.

**Brats** Oct 02 2022 Adult children of military personnel describe their growing up in a military family and how it affects their lives today.

**Military Brats** Dec 04 2022 Military brats' childhoods are often scarred by alcoholism, abuse, and an ever-present threat of a parent's loss to war. This eye-opening, sometimes shocking exploration tells what life is really like for the stepchildren of Uncle Sam. A new recovery group, Adult Children of Military Personnel, Inc., has been formed as a direct result of this book's publication.

**The Motherlode** Oct 29 2019 An illustrated highlight reel of more than 100 women in rap who have helped shape the genre and eschewed gender norms in the process *The Motherlode* highlights more than 100 women who have shaped the power, scope, and reach of rap music, including pioneers like Roxanne Shant é , game changers like Lauryn Hill and Missy Elliott, and current reigning queens like Nicki Minaj, Cardi B, and Lizzo—as well as everyone who came before, after, and in between. Some of these women were respected but not widely celebrated. Some are impossible not to know. Some of these women have stood on their own; others were forced into templates, compelled to stand beside men in big rap crews. Some have been trapped in a strange critical space between respected MC and object. They are characters, caricatures, lyricists, at times both feminine and explicit. This book profiles each of these women, their musical and career breakthroughs, and the ways in which they each helped change the culture of rap.
