career opportunities in nursing, offers test-taking strategies, and includes three full-length practice exams. OAT Practice Questions are the simplest way to prepare for the OAT test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our OAT Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our OAT Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand. This book presents all the publicly available questions from the PISA surveys. Some of these questions were used in the PISA 2000, 2003 and 2006 surveys and others were used in developing and trying out the assessment. Provides a review of the subjects on the Dental Admission Test, covers test-taking strategies, includes sample questions and answers, and offers access to two full-length practice tests.
