Public Budgeting in Search for an Identity Jan 26 2020 Public Budgeting in Search for an Identity: State of the Art and Future Challenges provides a state-of-the-art reflection on current trends in international public budgeting, representing an important pillar in the accumulation of knowledge on public sector budgeting processes, contents, evolutions and critical issues. Budgeting is central in public sector organizations. It performs a complex variety of functions, being the arena where multiple actors, cultures and professional identities interact, making it an extremely fascinating field and topic of investigation. There is a significant need and scope for exploring budgeting processes in the public sector today, as a consequence of the managerial waves of reforms that have taken place over the last few decades and the implementation of austerity programmes – as well as in light of current trends, including emerging challenges related to community care and wellbeing, rising inequality, people flows, climate change, pandemics, and the persistence of democratic deficits. The chapters in this volume address critical issues on this broad topic, offering new perspectives on current evolutions in public budgeting, including, among others, participatory budgeting, performance budgeting, the budgetary slack resources and the need to ensure balance between budget control and flexibility. These contributions show that public budgeting can, and must remain, the subject of enduring interest in our studies. The chapters in this book were originally published as a special issue of Public Management Review.

Tout le monde veut aimer son travail Feb 27 2020 Ce guide pratique au ton très personnel aidera les dirigeants, les RH et les employés à créer le sentiment d'appartenance qui fait l'attractivité de la culture des organisations gagnantes. L'enthousiasme et la conviction de Marylène Delbourg-Delphis vont vous donner des ailes pour transformer votre entreprise et la réenchanter ! Cependant, ne vous leurrez pas, il ne s'agit pas de bonnes paroles sur "l'humain en entreprise", vous allez découvrir un programme sérieuse qui passe en revue la façon de recruter, la manière dont les employés vivent leur activité professionnelle et les signes qui indiquent qu'une entreprise est au bord du dérapage. « Un plaidoyer puissant pour remettre l'humain au centre du management. » Peter Cappelli, Professeur de Management à la Wharton School et directeur du Wharton's Center for Human Resources. « Ce livre est formidable. Il vous aidera à recruter des personnes exceptionnelles, et, mieux encore, à vous assurer qu'elles aiment leur travail.Et lorsque vous aurez atteint cet objectif, votre seule limite sera le ciel ! » Guy Kawasaki, auteur, conférencier, entrepreneur. « Une approche claire et opérationnelle, universelle et avant-gardiste de la vie des entreprises, et ce, à quelque stade qu'elles en soient de leur développement. » Gilles-Noël Poirieux, Président d'EVH, ancien DG de Sodexo et du Sodexo Management Institute. « Le guide décisif pour accompagner le futur du travail et construire l'infrastructure humaine qui engage les employés et établit une culture durable de la confiance. » Dan Farber, SVP Strategic Communications, Salesforce.

From the Living Room to the Bedroom Jun 12 2021 If your relationship, including your sex life, stayed EXACTLY the way it is now for the rest of your life, would you be satisfied? If you can't quite answer "absolutely," you have lots of company. In fact, it has never been harder to be a couple than it is today: The strong currents of modern life are taking a huge toll on relationships, leaving many couples drifting slowly from each other. How would we know? Well, not only do we see this every day in our work with couples at our office, we regularly come face to face with these distance-creating currents in our own, thoroughly modern marriage. We have drawn on our marital and clinical experience to develop a new treatment model created to lead couples like you -- and like us -- on a powerful yet efficient journey toward rekindled passion and connection. The exercises we've chosen for this book focus squarely on improving your Living Room (emotional intimacy) and Bedroom (sexual intimacy) connection. The resulting positive feedback loop between the two rooms of your relationship is what we call CoupleFlow, which is a stronger, brighter, more resilient and more passionate partnership that is more than capable of facing the many challenges posed by our crazy-busy, tech-bombarded, running in a million different directions culture. This approach has helped so many of our clients to find greater levels of joy in both rooms of their relationship than they ever knew possible. Since we can't personally work with everyone, we wrote our book to make it as easy as possible for any couple to have access to this proven, action-oriented program. We invite you to join the rising tide of couples taking charge of their relationships like never before...from the Living Room to the Bedroom.

Front Yard Forager May 31 2020 **CLICK HERE** to download the first two chapters from The Front Yard Forager * It doesn't get any more local than your own front yard! * Delicious and nutritious original recipes featuring horsetail, wild fennel, chickweed, and more * Many weeds pack a greater nutritional punch than store-bought vegetables The Front Yard Forager brings DIY harvesting right to your door, making foraging easy, accessible, and fun for everyone even in the middle of the city or suburbia. From the yard to the parking strip, in city parks or along municipal thoroughfares, food is abundant and free for the taking! The Front Yard Forager invites all of us to take control of our food by entering into the fun and delicious world of foraging. A concise field guide and recipe book, it showcases the 30 most readily found edible urban weeds. From dandelion to day lily, nipplewort to nettle, and pineapple weed to purslane there's a salad bowl full of fresh edibles just waiting to be collected and put to good use. Each plant profile features an easy-to-use field identification guide, including photographs, as well as where to find the plant and what to do with it in the kitchen. Recipes range from simple and classic to practically gourmet, while introductory chapters and sidebars cover the hows and whys of foraging: ethics, nutritional information, harvesting, precautions, and more. Written by Seattle's Melany Vorass, a longtime instructor of urban foraging, The Front Yard Forager brings DIY harvesting right to your door, making foraging easy, accessible, and fun for everyone—even in the middle of the city—or suburbia. Winner of the Nautilus Awards 2014 "Better Books for a Better World" Silver Award!

Conventional Warfare in South Asia, 1947 to the Present Aug 15 2021 The essays included in this volume focus on conventional war on land, sea and air fought by the states of South Asia and their impact on the host societies and economies. The authors are drawn from academia and the military in India and Pakistan, as well as from outside the subcontinent in order to give a wide perspective. In the introduction the editors describe the changing contours of warfare in South Asia, and the similarities and dissimilarities with warfare in the Middle East and South East Asia. The volume highlights the influence of extra-regional powers like China, Russia and the US in providing arms, munitions and shaping the texture of military doctrines and force structures of the South Asian powers.

Leonard Maltin's Movie and Video Guide 1994 Jan 08 2021

Battle for Malaya Feb 18 2022 The historian and author of The Army in British India analyzes the British Indian Army's devastating loss to the Imperial Japanese during WWII. The defeat of 90,000 Commonwealth soldiers by 50,000 Japanese soldiers made the World War II Battle for Malaya an important encounter for both political and military reasons. British military prestige was shattered, fanning the fires of nationalism in Asia, especially in India. Japan's successful tactics in Malaya—rapid marches, wide outflanking movement along difficult terrain, nocturnal attacks, and roadblocks—would be repeated in Burma in 1942–43. Until the Allied command evolved adequate countermeasures, Japanese soldiers remained supreme in the field. Looking beyond the failures of command, Kaushik Roy focuses on tactics of the ground battle that unfolded in Malaya between December 1941 and February 1942. His analysis includes the organization of the Indian Army—the largest portion of Commonwealth troops—and compares it to the British and Australian armies that fought side by side with Indian soldiers. Utilizing both official war office records and personal memoirs, autobiographies, and oral histories, Roy presents a comprehensive narrative of operations interwoven with tactical analysis of the Battle for Malaya.

The Bradt Travel Guide Uruguay Jan 20 2022 They won the first soccer World Cup. There's a lot of beef raised on the pampa. That's all most people know about Uruguay. Bradt's Uruguay, the only dedicated English-language guide to this country that's small yet bursting with character, shows that the adventurous tourist can uncover much more. It provides in-depth coverage of the capital Montevideo, where the colonial Old City is being restored. There's also detailed information on the coastal city of Colonia (which is on UNESCO's World Heritage List) as well as Punta del Este, to whose beaches the Buenos Aires beautiful crowd flocks each summer. There's advice, too, for active travelers who can rattle their whips on cattle-ranching estancias and spin their sticks in a game of polo or two, and for nature enthusiasts keen to watch wildlife in the western wetlands and birds in Cabo Polonio and Santa Teresa. Plus, the book investigates the Brazilian influences behind Uruguay's music and dance, and the country's Afro-Uruguayan culture, most noticeable in Carnaval.

Gospel Interpretation and Christian Life Jul 02 2020 The voice of Francis J Moloney, SDB, has been heard in New Testament studies for many decades. Internationally famous for his work on the Gospel of John, this volume gathers studies that demonstrate the breadth and richness of his interests, beyond that well-established enterprise. The first part of the boom is dedicated to Gospel studies, with the majority of essays focussing upon the Gospel of Mark. They reflect his long interest and his major commentary on that Gospel (2012). Studies on Matthew, Luke and John complete these reflections.

Parker's Wine Buyer's Guide, 7th Edition Aug 27 2022 Featuring a fresh layout, revised maps, and more detail than ever before, the seventh edition of Parker's Wine Buyer's Guide offers collectors and amateurs alike the ultimate resource to the world's best wines. Understanding that buyers on every level appreciate a good deal, Parker separates overvalued bottles from undervalued, with wine prices instantly shifting according to his evaluations. Indifferent to the wine's pedigree, Parker's eminent 100-point rating system allows for independent, consumer-oriented, inside information. The latest edition of Parker's Wine Buyer's Guide includes expanded information on Spain, Portugal, Germany, Australia, Argentina, and Chile, as well as new sections on Israel and Central Europe. As in his previous editions, Parker provides the reassurance of a simple number rating, predictions for future buying potential, and practical overviews of regions and grapes. Altogether, an indispensable resource from the man the Los Angeles Times calls “the most powerful critic of any kind.”

Coaching Agile Teams Sep 23 2019 The Provocative and Practical Guide to Coaching Agile Teams As an agile coach, you can help project teams become outstanding at agile, creating products that make them proud and helping organizations reap the powerful benefits of teams that deliver both innovation and excellence. More and more frequently, ScrumMasters and project managers are being asked to coach agile teams. But it's a challenging role. It requires new skills—as well as a subtle understanding of when to step in and when to step back. Migrating from “command and control” to agile coaching requires a whole new mind-set. In Coaching Agile Teams, Lyssa Adkins gives agile coaches the insights they need to adopt this new mind-set and to guide teams to extraordinary performance in a re-energized work environment. You'll gain a deep view into the role of the agile coach, discover what works and what doesn't, and learn how to adapt powerful skills from many allied disciplines, including the fields of professional coaching and mentoring. Coverage includes Understanding what it takes to be a great agile coach Mastering all of the agile coach's roles: teacher, mentor, problem solver, conflict navigator, and performance coach Creating an environment where self-organized, high-performance teams can emerge Coaching teams past cooperation and into full collaboration Evolving your leadership style as your team grows and changes Staying actively engaged without dominating your team and stunting its growth Recognizing failure, recovery, and success modes in your coaching Getting the most out of your own personal agile coaching journey Whether you're an agile coach, leader, trainer, mentor, facilitator, ScrumMaster, project manager, product owner, or team member, this book will help you become skilled at helping others become truly great. What could possibly be more rewarding?

Issues in Financial Accounting Apr 30 2020 Issues in Financial Accounting addresses the controversial issues in financial accounting that have been debated by the preparers, users, auditors and regulators of financial statements. Henderson provides the best balance of technical and theoretical coverage in any Financial Accounting text on the market today, with its presentation of real-world examples, current debates and the underlying rationale for the accounting concepts demonstrated. Throughout the text, academic studies and professional accounting research are referenced to also provide a critical understanding of historical debates in financial accounting. The new 15th edition covers significant recent developments to the accounting standards in Australia and is based on the AASB standards and interpretations that have been issued up to the end of 2012. This includes the Australian Accounting Standard Board's (AASB) program of changes to make accounting standards equivalent to International Financial Reporting Standards.

book: · Provides a framework for school-based mentors to work within. · Outlines the key skills and qualities of effective in-school mentors. · Supports mentors to build confidence and raise the status of their role. · Brings greater coherence and consistency to school-based mentoring for trainee and beginning teachers.

Military Thought of Asia May 12 2021 Military Thought of Asia challenges the assertion that the generation of rational secular ideas about the conduct of warfare is the preserve of the West, by analysing the history of ideas of warfare in Asia from the ancient period to the present. The volume takes a transcontinental and comparative approach to provide a broad overview of the evolution of military thought in Asia. The military traditions and theories which have emerged in different parts of Eurasia throughout history are products of geopolitics and unique to the different regions. The book considers the systematic and tight representation of ideas by famous figures including Kautlya and Sun Tzu. At the same time, it also highlights publications on military affairs by small men like mid-ranking officers and scattered ideas regarding the origin, nature and societal impact of organised violence present in miscellaneous sources like coins, inscriptions, paintings and fictional literature. In so doing, the book fills a historiographical gap in scholarship on military thought, which marginalises Asia to the part of cameo, and historicises the evolution of theory and the praxis of warfare. The volume shows that the 'East' has a long unbroken tradition of conceptualising war and its place in society from the Classical Era to the Information Age. It is essential reading for those interested in the evolution of military thought throughout history, particularly in Asia.

Count Dracula Goes to the Movies Nov 25 2019 First published in 1897, Bram Stoker's Dracula has never been out of print. Yet most people are familiar with the title character from the movies. Count Dracula is one of the most-filmed literary characters in history--but has he (or Stoker's novel) ever been filmed accurately? In its third edition, this study focuses on 18 adaptations of Dracula from 1922 to 2012, comparing them to the novel and to each other. Fidelity to the novel does not always guarantee a good movie, while some of the better films are among the more freely adapted. The Universal and Hammer sequels are searched for traces of Stoker, along with several other films that borrow from the novel. The author concludes with a brief look at four latter-day projects that are best dismissed or viewed for ironic laughs.

European Yearbook / Annuaire Européen, Volume 58 (2010) Nov 29 2022 The European Yearbook promotes the scientific study of nineteen European supranational organisations and the OECD. Each volume contains a detailed survey of the history, structure and yearly activities of each organisation and an up-to-date chart providing a clear overview of the member states of each organisation.
